CONVENTION '81 . . . see page 4

commentary

Michael R. Mallonee

In this issue you will find coverage of the Grand Chapter Congress held last August on Mackinac Island, Michigan. I am proud to say that the chapter and alumni club delegates at Mackinac elected me to a second two-year term as Grand President. With Mackinac and the 33rd Grand Chapter Congress behind us, we can now begin to look forward to Denver and the 34th Grand Chapter Congress, to be held in August of 1983. But before we set our sights on Denver, there is much to do and much to enjoy during this biennium.

For several years we have been planning for the fraternity's 75th Anniversary on November 7, 1982. Delta Sigma Pi will celebrate its Diamond Jubilee in Cincinnati-Oxford the weekend of November 6-7, 1982 with a banquet and a bus tour to The Central Office. Momentos will be given to all registrants at the celebration and will be offered for sale to the general membership as early as this spring. A 75-year history of the fraternity is being prepared and will be distributed at the banquet and to all chapters and alumni clubs.

Next fall all 15 regions will be holding Regional Conferences from September through November, at various locations throughout the country. These mini-Grand Chapter Congresses are educational, motivational and social in nature and should not be missed. Every chapter and every alumni club should begin planning to send a delegation to the respective Regional Conferences; dates and locations will be published in the May issue of The DELTASIG. In addition, Area Conferences have

been and will be held this year in most regions; contact your Regional Director for details on these important one-day educational seminars.

When not preparing for the 34th Grand Chapter Congress, the Diamond Jubilee and Regional and Area Conferences, your Board of Directors has adopted an 11-point plan for the fraternity the next two years. What we want to accomplish, in order of priority, are as follows: (1) Kick off a major fund raising campaign; (2) Begin repairs and renovations at The Central Office; (3) Adopt a 3-year plan for the fraternity; (4) Proceed with computerization of The Central Office; (5) Adopt a national community service project; (6) Complete an administrative restructuring plan; (7) Complete any constitutional reorganization deemed necessary; (8) Adopt and promote better services for our alumni; (9) Revise the Ritual and Manual for Pledge Education; (10) Expand into the Northwestern Region and Canada; and (11) Choose hotels for the 1985 and 1987 Grand Chapter Congresses and the site for 1989.

Brothers, thank you for giving me the opportunity to serve the fraternity for two more years. With your help we can achieve all of these goals, and more, as we eagerly await Convention '83 in Tall and Terrific Denver!

Fraternally,

Michael R. Mallonee
Grand President

The DELTASIG is printed in the U.S.A. by Compolith Graphics, Indianapolis, Indiana, and Maury Boyd and Associates, Indianapolis, Indiana.

EXPRESSIONS OF

8

A MEMORY THAT

Convention attendees arrived on Mackinac Island by boat.

The 33rd Grand Chapter Congress held at The Grand Hotel on scenic Mackinac Island, Michigan, from August 16-20, 1981, is now but a memory to the 501 members, spouses and guests who were there, but these memories of Convention '81 will live forever. Fraternalism abounded throughout the entire convention as first time participants formed many new friendships with Deltasigs from across the nation. Veteran conventioners renewed relationships developed over the years and established many new friendships as well. From the porch to the spectacular dining room of the stately Grand Hotel and beyond to seemingly every square foot of Mackinac Island, Deltasigs could be found discussing fraternity matters, sharing ideas about chapter and

Members of Delta Rho Chapter (Ferris State) served as Host Chapter.

alumni club operations and, very simply, enjoying the company of fellow members of our fraternity.

Although this meeting of the Grand Chapter was not called to order until Monday, August 17, the convention began as Registration opened on the morning of August 16 in the East Lobby of the hotel. For a period of nine hours, boatload after boatload of arriving Deltasigs were greeted at the docks on Mackinac

Island by the members of Delta Rho Chapter at Ferris State College, our host chapter. Arrivals traveled by horse and carriage to the hotel and registered with The Central Office convention desk and The Grand Hotel.

That evening all participants had the opportunity to meet the National Officers and to become acquainted with one another during the Grand

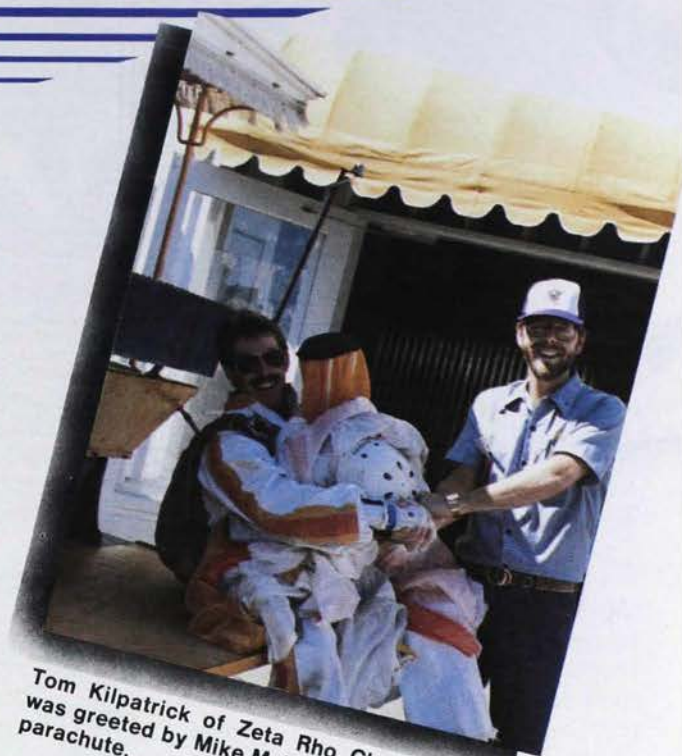

The Central Office staff registered over 500 on Sunday.

BROTHERHOOD

WILL NEVER DIE

Mike Mallonee and Bill Tatum greeted Sidney "Sparky" Sparks during the Grand President's Reception. Executive Director Mike Mazur, Director of Alumni Activities Mickey Johnson and wife Fran were also in the receiving line.

Tom Kilpatrick of Zeta Rho Chapter (Menlo) was greeted by Mike Mallonee after arriving by parachute.

President's Reception held on the porch of the hotel, the longest porch of any hotel in the world. Later, after the first of many sumptuous dinners to be enjoyed at The Grand, all attendees became better acquainted at a dance featuring the music of Tim Hewitt and Feelings, a group from the Detroit area. Tim and captivating vocalist Elaine Martin joined in the spirit of the evening, donning Yellow Dog T-Shirts. The Yellow Dog and Pink Poodle inductions were held concurrently with the dance.

The Opening Business Session of the 33rd Grand Chapter Congress began promptly on the morning of August 17. Following the Invocation given by Past Mideastern Re-

gional Director and Golden Council Member H. Melvin "Mel" Brown, Grand President Mike Mallonee welcomed the members to the 33rd Grand Chapter Congress and presented Executive Director Mike Mazur, who introduced Keynote Speaker Michael H. Mescon, Regents' Professor of Human Relations and Chairman, Department of Management, College of Business

Administration at Georgia State University in Atlanta. This was Brother Mescon's second appearance as Keynote Speaker and he again set the tone for a week of productivity and progress during the Congress.

Following the Keynote Address, Grand President Mallonee introduced the National Executive Committee, the Board of Directors, members of the Golden Council (Past National Officers) and the members of the Order of the Golden Helmet

Past Mideastern Regional Director Mel Brown, right, and Foundation Vice President Bob Trapp, ran the Delta Sigma Pi Educational Foundation booth at Registration.

New friendships were formed during the Grand President's Reception on Sunday.

(50 or more years of service to the fraternity). In addition, the District Directors were recognized. Special convention guests recognized were representatives of Delta Pi Colony at the University of North Florida in Jacksonville and Beta Alpha Upsilon Colony at Adelphi University in Garden City, New York. Executive Director Mazur introduced the members of The Central Office Executive Staff, including Assistant Executive Director Michael T.

Walsh, Director of Chapter and Alumni Club Operations Mark A. Roberts and Chapter Consultant Jere W. White.

Constitution and Bylaw Parliamentarian for the Congress was Intermountain Regional Director William R. Leonard, Chancellor was Michael Moegenburg of Psi Chapter at Wisconsin-Madison and Resolutions Counselor was Southern Regional Director Frank M. Busch, Jr. Serving as secretaries and recorders for the convention were Executive Director Mike Mazur and Assistant Executive Director Mike Walsh. Assistant Executive Director Walsh completed the Roll Call and noted that there were 146 Delegates officially seated, representing 105 chapters and 41 alumni clubs.

Grand President Mike Mallonee presented his report of the 1979-81

Grand President Mike Mallonee delivered his biennial report during the Opening Business Session on Monday.

biennium to the Grand Chapter. He highlighted the goals which had been set at the 32nd Grand Chapter Congress and noted that many of them had been reached. He recognized the achievements of the many workers for Delta Sigma Pi, including the National Executive Committee, the Board of Directors, the District Directors, the members of the

Mike Mallonee and Midwestern Regional Director Jim Deaton joined members of Iota Nu Chapter (Northeast Missouri) who were able to momentarily contain their jubilation over receiving their CEI Honor Roll Certificate, the Most Outstanding Chapter Award and the Undergraduate Chapter Attendance Trophy.

Former Executive Director (1964-1974) Charles Farrar, enjoyed the Grand Chapter Congress Banquet from a different perspective with Peg Donovan of The Central Office staff.

Golden Council, committee members, The Central Office Staff and the individual members of chapters and alumni clubs across the country. Growth and program strengthening were cited as the greatest factors of success over the biennium and President Mallonee urged every member to continue to improve upon this success in the future.

The Monday luncheon program was devoted to national awards, some of which were presented for the first time in the history of Delta Sigma Pi. Honor Roll Certificates in recognition of 100,000 point status in the Chapter Efficiency Index were presented to 54 chapters by Director

of Chapter and Alumni Club Operations Mark Roberts, assisted by Assistant Executive Director Mike Walsh. Most notable were Gamma Omega Chapter of Arizona State University for 25 consecutive years and Alpha Beta Chapter of Missouri-Columbia for 40 consecutive years—the fraternity record! A Testimonial from the Board of Directors was presented to East Central Regional Director Jeffrey L. Philippi for having the region with the highest average in the 1980-81 Chapter Efficiency Index—a record 99,438 points was achieved by this region. After a few brief remarks, Jeff and Mike Mallonee presented the first District Director of the Year Award to East Central District Director Kurt Boveington in recognition of his outstanding service as

Central Regional Director Tony Fernandez and Joan were introduced during the banquet. In the background, left to right are Marilyn Doskey, Mickey and Fran Johnson.

The Dance on Sunday was a night to remember.

a District Director during the 1980-81 year. The first Most Improved Chapter Award was presented to Epsilon Rho Chapter at the University of Tampa by Southeastern Re-

One of many highlights of the Awards Luncheon was the presentation of the Most Outstanding Chapter Award which was earned by Iota Nu Chapter at Northeast Missouri State. This award was accepted by President Larry Lunsford and 22 members of the chapter as it was presented by Midwestern Regional Director James F. Deaton and Grand President Mike Mallonee. After presentation, by Mike Mallonee, Mike Mazur and Eastern Regional Director Richard J. Parritzke, of a plaque in recognition of his selection as Undergraduate of the Year 1981, Albert S. Gordon of Zeta Psi Chapter at State University of New York-Albany addressed the convention participants with an outstanding expression of gratitude on his selection to this position and his recognition of the challenges presented by membership on the Board of Directors and the National Executive Committee.

Members of the Phoenix-Thunderbird Alumni Club sponsored a Margarita Party during the Convention.

gional Director Loren A. Poucher who noted that all aspects of the operations of this chapter, including Chapter Efficiency Index performance, professional programming and membership had very significantly improved over the past year. Midwestern Regional Director C. Lee Myers presented the first Chapter Community Service Award to Iota Tau Chapter at Robert Morris College for the outstanding series of community service programs conducted and strongly supported by the members of this chapter.

Director of Chapter and Alumni Club Operations Mark Roberts presents an Honor Roll Certificate to Marlow Kee of Alpha Beta Chapter (Missouri-Columbia) in recognition of a record 40 consecutive years of Honor Roll achievement.

While the members of the fraternity were involved in the Opening Business Session, spouses and children were touring historic Mackinac Island by horse and car.

Retiring East Central Regional Director Jeff Philippi was presented with a diamond badge and enthusiastic best wishes from members of his region.

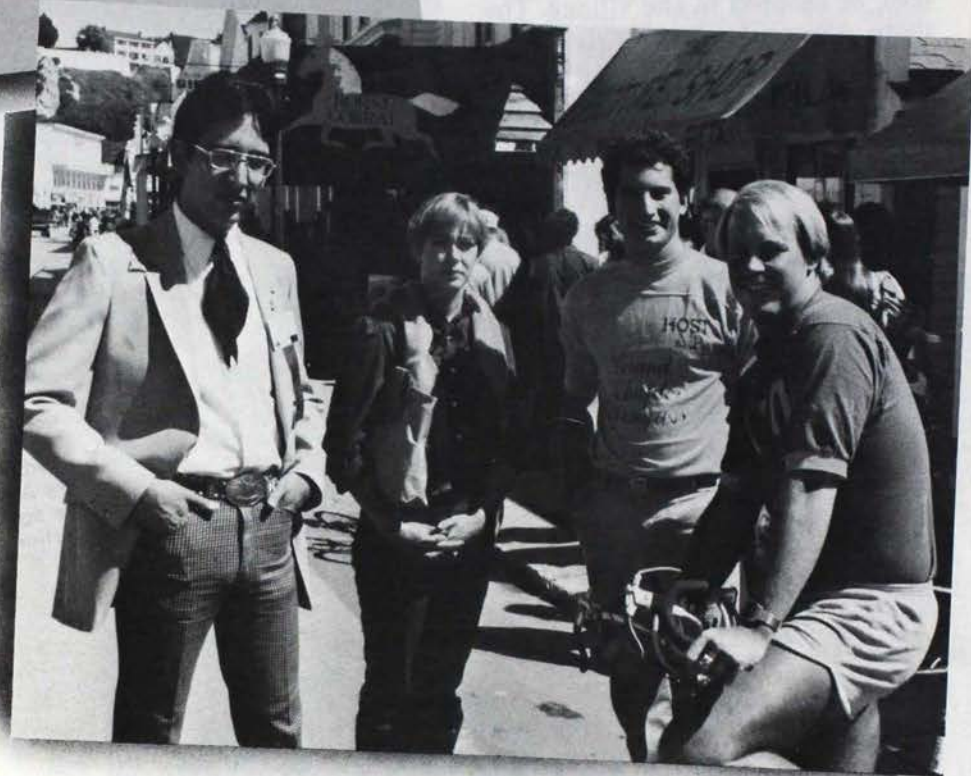

During free time on Tuesday, Deltasigs explored Mackinac Island by horse and carriage . . .

riage and visited sites such as Ft. Mackinac, Arch Rock and numerous other breath-taking spots.

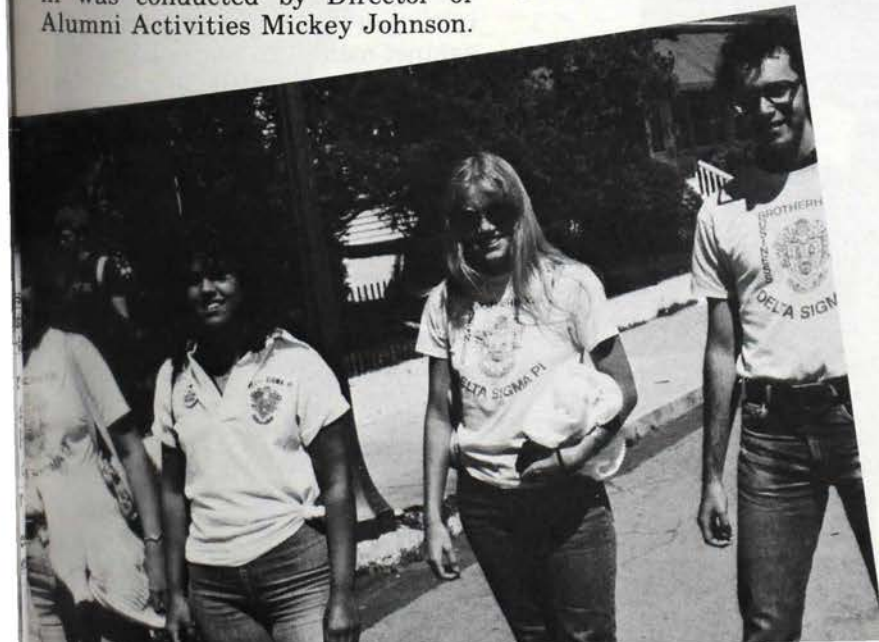

The Opening Business Session continued after lunch with a presentation of the Report of the Committee on Nominations which was given by committee chairman and Past Grand President Thomas M. Mocella. Seconding speeches for the nominees were heard and additional nominations from the floor of the convention were received by Chancellor Mike Moegenburg.

Monday afternoon and evening were devoted to Educational Seminars followed by Regional Meetings. The Educational Seminar for alumni was conducted by Director of Alumni Activities Mickey Johnson.

by bike

Handling the Seminar on Pledge Education were Director of Chapter and Alumni Club Operations Mark Roberts and Chapter Consultant Jere White. The topic of Recruiting was vividly covered by Past Grand President Bill Tatum. North Central Regional Director Marc P. Franson, assisted by undergraduate

chapter representatives, moderated the Professionalism Seminars. Grand President Mike Mallonee, Executive Director Mike Mazur and East Central Regional Director Jeff Philippi conducted the Open Forum Session which included introduction of the revised Chapter Efficiency Index, consisting of six Divisions including Chapter Management. New Manuals for Chapter Operations on the Chapter Efficiency Index, as well as a newly created "Guide for Community Service," were distributed to Delegates during registration. Eastern Regional Director Dick

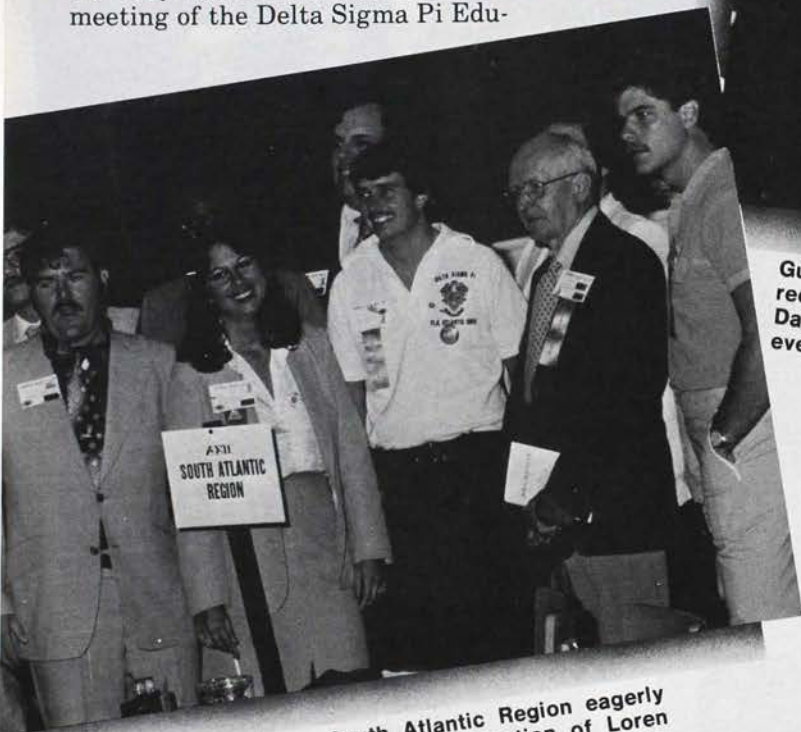

and by foot.

Parnitzke conducted the seminar for Regional and District Directors with the help of Assistant Executive Director Mike Walsh and Southeastern Regional Director Loren Poucher.

On Tuesday, August 18, additional sessions of all Educational Seminars were conducted permitting all convention attendees to participate in one session on each seminar topic. After lunch the balance of the day was open for everyone to enjoy Mackinac Island. Many attendees took bicycle or horseback rides around the island, lounged at the pool, or shopped in the village. The more adventurous participated in the Golf and Tennis Tournaments coordinated by Central Regional Director Tony Fernandez. Also on Tuesday afternoon, the biennial meeting of the Delta Sigma Pi Edu-

Gulf South Regional Director Gus Schram, far right, Director of Alumni Activities Danny LaFont and his wife Dawn join in the spirit of the Congress Banquet on the eve of their election to office.

Delegates of the new South Atlantic Region eagerly awaited the announcement of the election of Loren Poucher as their Regional Director during the Final Business Session on Thursday.

ational Foundation was held for members and all other Deltasigs. Biennial business was conducted and new officers were elected including President Marc H. Cohen, Vice Presidents Robert M. Drewniak, Victor A. Tabor and Jeffrey L. Philippi, Secretary Frank M. Busch, Jr. and Treasurer Theresa M. Jeszka.

Randy Holtz of Iota Nu Chapter (Northeast Missouri) accepted the Undergraduate Attendance Trophy from Executive Director Mike Mazur during the Farewell Luncheon.

The program for Wednesday, August 19, began with the Second Business Session at which legislation was considered by the delegates. Changes in the laws of the fraternity resulting from this session increased the constitutional ceilings on undergraduate dues and initiation fees; added a provision against mental in addition to physical hazing, strengthening the fraternity's position against hazing;

adoption of a revised interest rate policy which is linked to the Endowment Fund portfolio yield rather than the prime rate. Also, at the Second Business Session, nominations for National Officers were received for the final time.

Later on Wednesday, Mr. Roger B. Smith, Chairman and Chief Executive Officer of the General Motors Corporation was inducted as the fraternity's 19th National Honorary Member. On Wednesday evening, the convention attendees entered the Main Dining Room for the Grand Chapter Congress Banquet. The Board of Directors and other head table guests were led into the Dining Room by the maitre d' of The Grand Hotel amid rounds of applause and the strains of "Yours

Then Southeastern Regional Director Loren Poucher presented the Most Improved Chapter Award to John Pickart of Epsilon Rho Chapter (Tampa).

and Zeta Theta Chapter at Western Kentucky was moved from the Central to the Southern Region. The National Endowment Fund provisions were also changed with the approval of an increase in the ceiling cost of a Life Membership, the removal of a provision requiring that unrestricted contributions to the fraternity must be credited to the National Endowment Fund and the

Mark Roberts and District Director Chris Kerwick paused for a moment of discussion.

Undergraduate of the Year

Selected as the outstanding member of their chapters, each candidate for Undergraduate of the Year is carefully screened by regional and national selection committees. Meet our very best, our leaders of tomorrow . . .

Albert S. Gordon

ALBERT S. GORDON, a graduate of the State University of New York-Albany and Zeta Psi Chapter alumnus, has been chosen as the Undergraduate of the Year for 1981. Al, a native of Cedarhurst, New York, graduated with a 3.6 grade average while majoring in accounting. He plans to pursue his C.P.A., a J.D. and M.B.A. Currently, he is employed by Touche Ross and Company in New York City.

While at SUNY-Albany, Al was initiated into Zeta Psi Chapter and served in a number of offices including President, Vice President for Professional Activities and Historian. He attended the Grand Chapter Congress in Mackinac Island and Atlanta, Eastern Regional Conferences in Rochester and Hartford and an Area Conference in Albany. He served on a number of university committees including: the University Auxiliary Services Board of Directors, University Health Insurance Committee and the School of Business Committee on Promotions and Continuing Appointments. While attending school, he was employed as a compiler for Dun and Bradstreet Corporation, worked as a research assistant for an economics professor, was a cafeteria worker and a consultant in the university computer center. He was also placed on the Dean's List of Distinguished Students every semester and was elected to the local honorary society, Signum Laudis.

As Undergraduate of the Year, Al begins a two-year term of service on the Board of Directors and the National Executive Committee. He has already attended the meetings of the National Executive Committee and Board of Directors prior to and following the Grand Chapter Congress at Mackinac Island. In every way, Al Gordon exemplifies those

qualities for which the Undergraduate of the Year award was established.

Each chapter in the fraternity has the opportunity to nominate a member for this award. From all regional nominees, a regional finalist is selected by a screening committee within the region and, from these finalists, a national winner is chosen by the National Selection Committee. The National Committee is composed of the two most recent Undergraduates of the Year, the Executive Director and the voting members of the National Executive Committee. Established in 1971, this award recognizes the outstanding member of the Junior or Senior class of Delta Sigma Pi as evidenced by scholarship, extra-curricular activities, fraternity service, demonstration of responsibility to self and others and representation of conduct according to the highest standards of ethics and integrity.

All nominees are all these things, making the final selection and an announcement of the winner most difficult for the Selection Committee. As you read about these members on the following pages, you will note that they are fraternity leaders of tomorrow and represent our very best.

KARLA K. MC KENNA, candidate of Mu Chapter at Georgetown University and finalist from the Mideastern Region, is from New Jersey. Initiated into the fraternity in 1979, she was one of the key figures in the reactivation of Mu Chapter at Georgetown. She also served the chapter as Vice President for Pledge Education and assisted in rebuilding the membership size of the chapter. While at Georgetown, she was chosen as Co-Chairperson of Business Week 1981, one of the highest recognitions that can be bestowed upon a business student. She also administered the faculty/course critiques in two of her classes and was involved in the interviewing of a prospective faculty candidate through the SBA Academic Council. Karla worked as an assistant director of the swim staff at a day camp in the summer and interned with a regional brokerage firm assisting the Senior Vice President for Corporate Finance.

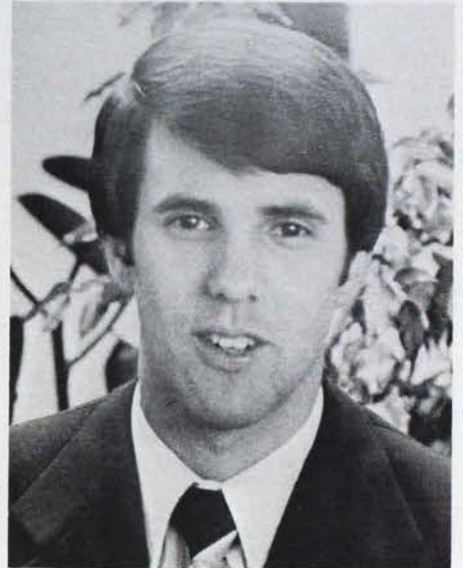

The candidate from the South Central Region and Alpha Zeta Chapter is **DAVID A. HOKE**. A native of Dublin, Ohio, David served his chapter as Vice President for Professional Activities and helped rebuild the professional program of the chapter. He planned a diverse program of professional activities including a major field trip to Cincinnati. While at the University of Tennessee he was also Publications Editor for the "Business Student's Quarterly," a publication of the Business Students Advisory Council to the Deans. He was also active in the American Marketing Association and Campus Crusade for Christ. While working his way through college, David was an Assistant Head Resident in the university dormitory system and was also manager of a recreational facility and concessions.

Initiated into Epsilon Chi Chapter at Georgia Southern University in 1979, **E. SUSAN DAVIS** is the Undergraduate of the Year nominee from the Southeastern Region. Voted "Best Pledge" by the chapter, Susan continued her involvement in the fraternity by serving on a number of committees and as Secretary for the chapter. She also helped found a chapter of the American Society for Personnel Administration and later served as President. While attending Georgia Southern, she served on one of the committees of the Student Government Association, a committee that planned the campus-wide "Country Bear Jamboree." Earlier she had assisted one of the instructors of the school in conducting a student survey regarding the adequacy of course offerings in the School of Business. While involved in activities in and outside of the fraternity, Susan maintained a grade average of over 3.7 and was nominated for membership in Phi Kappa Phi, selected for membership in Gamma Beta Phi and was nominated for Who's Who in American Colleges and Universities.

SHARON M. LYTGOE is from Zeta Theta Chapter at Western Kentucky University and is the nominee of the East Central Region. She became a member of the fraternity in 1980 and was elected Vice President for Pledge Education. She

Dee Ann Harman

has served on many chapter committees including the public relations and scholarship committees. She is also a member of Sigma Tau Delta and Tri Kappa, a service organization. For the past two years she has served as a Resident Assistant in the university dormitory system which has helped her to pay all of her college expenses. While at Western Kentucky, she has also served as a Special Olympics volunteer. A native of Jasper, Indiana, Sharon has worked at the German American Bank for the past three years. She is currently in the cooperative education program having worked as a student management trainee with NASA at the Johnson Space Center. She continues as a student at Western Kentucky and plans on graduate study prior to entering governmental work.

DANIEL J. PASSINAULT is a marketing major from Delta Rho Chapter at Ferris State University and is the finalist from the Central Region. Dan, a 1978 initiate, immediately became involved in his chapter by being appointed to the faculty relations and social committees and furthered his involvement by being elected Vice President for Pledge Education. For two years he served as Assistant Chairman and Chairman for Career Day, a campus-wide professional program that grew in scope under his leadership. For two years he served on Dorm Council at Ferris State while maintaining a high scholastic record and a 3.4 grade average.

DEE ANN HARMAN, an advisor for freshman and transfer students while attending Louisiana State University, joined Beta Zeta Chapter in the fall of 1978. In addition to her advisory duties, she was a member of the Scotch Guard, a women's auxiliary group to the Army. After being named Outstanding Pledge in the fall of 1978, she chaired the Service Committee of Beta Zeta Chapter. She later served the chapter as President and Senior Vice President. In addition to her Deltasig involvement, she maintained a high scholastic record with a 3.9 grade average. She has been named to numerous honorary societies including Omicron Delta Kappa, Phi Kappa Phi, Mortar Board and Beta Gamma Sigma. She was also named Outstanding Undergraduate Finance Major and was named to Who's Who in American Colleges and Universities.

CAROL A. JOHNSON, the nominee from the North Central Region, was initiated by Eta Pi Chapter at Wayne State University. As a member of Delta Sigma Pi, she held a number of offices including Senior Vice President and Secretary. She was also a member of Alpha Lambda Delta honorary society, Student Activities Board, Dorm Council and Young Republicans. Other school activities included intramural sports where she was named team captain in intramural volleyball. During school at Wayne State, Carol was employed by the Vakoc Con-

struction Company and held summer jobs at Zenith Electronics and Aalf's Manufacturing. Her academic record was excellent, graduating Summa Cum Laude. She was named to the National Dean's List and Who's Who in American Colleges and Universities. She is now employed by George Hormel and Company and plans on pursuing her Masters in Business Administration.

As a charter member of Iota Nu Chapter at Northeast Missouri State University, **VALERIE S. MC HARGUE** maintained a 4.0 grade average in her college work. She was the recipient of the Pershing Scholarship, awarded on the basis of academic and leadership performance, and was named Outstanding Senior. In addition, she was also named to Who's Who in American Colleges and Universities. Valerie was a contributing force in establishing her chapter and later served as Secretary, DELTASIG Correspondent and editor of the chapter's newsletter. She was also a member of the Business Administration Club and the Accounting Club. In addition to her involvement in various organizations, Valerie was asked to serve on the Business Administration Curriculum Committee and worked on the Annual Executive-in-Residence Program. She plans to become a CPA and obtain a Masters in Business Administration.

JERE W. WHITE is the nominee for Undergraduate of the Year from the Southwestern Region. A graduate of Angelo State University, Jere was initiated into Eta Theta Chapter in the spring of 1979. During that time, he was named Best Pledge and was appointed Service Project Chairman immediately after becoming a member. He held other offices in the chapter including that of President and Sales Chairman of the Phone Directory, a successful service and fund raising project. He was also voted Best Active in Eta Theta Chapter. He was involved with a number of other groups including the Golden Ram Band, the American Marketing Association, College Republicans, the Student Association Assembly and the honorary societies Pi Kappa Delta and Alpha Mu Gamma. While

in school he held part-time employment with two firms and maintained a high academic record, being named to Who's Who in American Colleges and Universities. Jere continues to serve Delta Sigma Pi in a full-time capacity as Chapter Consultant.

DOUGLAS W. DRAKE, candidate of Gamma Omega Chapter at Arizona State University and finalist from the Intermountain Region, became a member in the fall of 1978. He was pledge class treasurer and held many other offices in the chapter including Secretary, Chancellor, Senior Vice President and President. While an undergraduate member of the chapter he served as Delegate to the 32nd Grand Chapter Congress in Atlanta. Doug was also actively involved in other campus organizations including the honorary societies Alpha Lambda Delta, Beta Gamma Sigma, Blue Key, Sigma Iota Epsilon and Phi Kappa Phi. During his years at Arizona State he held various part-time jobs to finance his education and also was enrolled in the cooperative education program working for the IBM Corporation. Doug currently is employed by IBM as a Systems Engineer and plans on obtaining his Masters in Business Administration.

GILMAN G. LOUIE, the finalist from the Western Region, is from Delta Omicron Chapter at San Francisco State University. He became a member of Delta Sigma Pi in the spring of 1980 and served as Chancellor of his pledge class, while being voted Most Valuable Pledge. He has also held the offices of Chancellor and President in the chapter. In addition to his fraternity activities, he has been involved in student government and has served as a student representative on a number of university committees. He was one of the founders of the Business Computing Association and has served as President of that organization. Two years ago he started his own computer business in which he does computer programming contracting and consulting work for mini and micro computers. His other areas of interest include karate, and he is a member of the San Francisco State Karate Team.

Presenting the Executive Committee and the Board of Directors

Mike Mallonee

Mike Mazur

Mike Walsh

The Final Business Session of each Grand Chapter Congress is devoted to the election of the Board of Directors who will lead Delta Sigma Pi for the subsequent biennium. The elections conducted during the 33rd Grand Chapter Congress were somewhat different from those held during previous conventions as all volunteer positions on the Board of Directors were open for new terms of office and Directors for three newly created regions were chosen. All volunteer members of the Board of Directors who were elected at the National Convention will serve until the Grand Chapter meets again in Denver in 1983. The new Board of Directors elects the National Executive Committee at the Board meeting following the convention. The National Executive Committee is the basic policy making body of the fraternity with powers delegated to it by the Board and the National Constitution and Bylaws.

Automatically serving on the National Executive Committee are Grand President Michael R. Mallonee, Executive Director Michael J. Mazur, Jr., Assistant Executive Director Michael T. Walsh, Past Grand President William W. Tatum, Jr., Director of Alumni Activities Daniel W. LaFont, Undergraduate of the Year 1980 Marilyn R. Doskey and Undergraduate of the year 1981 Albert S. Gordon. Members of the fraternity elected by the

Board of Directors to serve on the National Executive Committee are Eastern Regional Director Richard J. Parnitzke, Gulf South Regional Director Gus W. Schram III, Midwestern Regional Director James F. Deaton and North Central Regional Director Mark P. Franson.

The Board of Directors now consists of the Grand President, the Past Grand President, the Executive Director, the Assistant Executive Director, the two most recent Undergraduates of the Year, the Director of Alumni Activities and the Directors of the 15 regions of the fraternity. The Board of Directors, in addition to those members mentioned above serving on the National Executive Committee, is composed of: Mideastern Regional Director Michael M. Johnson, South Central Regional Director William D. Sparrow, Southeastern Regional Director C. Dean Ferguson, South Atlantic Regional Director Loren A. Poucher, East Central Regional Director William J. Nelson, Jr., Central Regional Director John V. Henik, Southern Regional Director William T. Kelly, Great Lakes Regional Director Anthony Z. Fernandez, Southwestern Regional Director Barry A. Kleypas, Intermountain Regional Director William R. Leonard and Western Regional Director Joe S. Loomis.

MICHAEL R. MALLONEE

Elected for a second term of office and again leading the Executive

Committee and Board of Directors is Grand President Mike Mallonee. Mike was initiated into Beta Epsilon Chapter at the University of Oklahoma in 1966 and served as Secretary and Vice President for Professional Activities. He has held a number of offices in the Oklahoma City Alumni Club and served as District Director in the Midwestern Region for five years. He has also served on numerous national committees of the fraternity. At the 1975 Grand Chapter Congress, he was elected Director of Alumni Activities and was re-elected in 1977. In 1979, at the 32nd Grand Chapter Congress in Atlanta, he was elected to his first term of office as Grand President.

Residing in Oklahoma City, Mike holds a BBA degree in Finance and a JD degree in Law, both from the University of Oklahoma. He has been employed by the Internal Revenue Service in Oklahoma City as an estate tax attorney. He currently is an attorney in private practice in Guthrie, Oklahoma.

He is a member of the Oklahoma Bar Association, American Bar Association, Volunteers in Corrections and the Administrative Board of the Mayfair Heights United Methodist Church in Oklahoma City.

MICHAEL J. MAZUR, JR.

Appointed as Executive Director in June, 1981, Mike is a native of New Jersey who relocated to Atlanta, Georgia, where he graduated

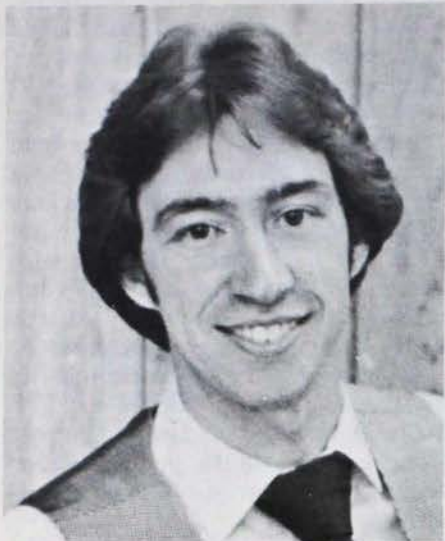

Marilyn Doskey

Al Gordon

Bill Tatum

Danny LaFont

Mickey Johnson

Dick Parnitzke

from Saint Pius X High School. While attending Georgia State University in Atlanta, he was initiated by Kappa Chapter and served as Secretary, Chancellor and Alumni Advisor. He also was a member of Blue Key and graduated with a BBA in accounting in 1974. After graduation he became a member of the Atlanta Alumni Club and served as Vice President and a member of the club's Executive Committee for six years. He is currently a member of the Cincinnati Alumni Club.

After serving as a District Director in the Southeastern Region for three years, he was appointed Southeastern Regional Director in 1978 to fill an existing vacancy and was elected to this same position at the 32nd Grand Chapter Congress. He has served on several national committees and has chaired the Committees on Membership and Administrative Restructuring.

Prior to appointment as Executive Director, Mike was employed as an accountant in Atlanta and Jacksonville, Florida and most recently as Director of Internal Audit for an insurance firm in Atlanta. He currently resides in Oxford, Ohio and is a member of the American Society of Association Executives, Meeting Planners International and the Cincinnati Association Executives.

MICHAEL T. WALSH

Originally from Des Moines, Iowa, Mike graduated from Finneytown High School in Cincinnati, Ohio, and

went on to attend Miami University in Oxford. While at the university, he was initiated by Alpha Upsilon Chapter and later became Vice President for Pledge Education. He also served on the Student Advisory Committee in the School of Business.

Mike joined the staff at The Central Office in 1978 as Chapter Consultant and served for two and a half years. In 1980, he left the staff to enter the insurance business in Cincinnati. During that time, he was active in the Cincinnati Alumni Club, serving as DELTASIG Correspondent. He also served as Coordinator for Expansion and Reactivation in the East Central Region and on several national committees.

He rejoined The Central Office staff in April, 1981 and was named Assistant Executive Director in June, 1981. In addition to fraternity activities, Mike is a member of the Oxford Jaycees. He and his wife, Carolyn, who is an alumnus of Theta Phi Chapter at South Florida, reside in Oxford.

MARILYN R. DOSKEY

Marilyn is a native of New Orleans who graduated from Loyola University with a major in accounting and finance. While at Loyola she was initiated into Delta Nu Chapter and served as Chapter Efficiency Index Chairman, Treasurer and President. She also represented the chapter as delegate to the 32nd Grand Chapter Congress in Atlanta.

At Loyola, Marilyn was involved in student government in the business school, the American Marketing Association, Beta Alpha Psi, Beta Gamma Sigma, Blue Key, Cardinal Key and University Fellows. The recipient of several academic scholarships, she was named to the Dean's List each term and was named to *Who's Who in American Colleges and Universities*.

During her college years, Marilyn worked at a medical collection agency and for a CPA firm. Following graduation, she was employed as an accountant for the firm of Ernst & Whinney and is now employed as the controller of Marsea Marine Companies headquartered in New Orleans.

ALBERT S. GORDON

Albert became a member of the Board of Directors and the National Executive Committee at the 1981 Grand Chapter Congress in accordance with the National Constitution and Bylaws upon his selection as Undergraduate of the Year 1981. Please see the feature article elsewhere in this issue for more information about Albert and the other outstanding nominees for this recognition.

WILLIAM W. TATUM, JR.

Beginning his eleventh year of service on the Board of Directors is Past Grand President Bill Tatum. Elected Grand President at the 1976 Grand Chapter Congress and re-elected to a second term in 1977, he

Don Sparrow

Dean Ferguson

Loren Poucher

also served two terms from 1971 to 1975 as Director of Alumni Activities. He has served on the Executive Committee from 1973 to 1981.

Initiated in 1957 into Gamma Tau Chapter at Southern Mississippi, Bill graduated with a BS degree in Economics. He served his chapter as Vice President for Professional Activities, Social Chairman and Vice President for Pledge Education. He was twice delegate of his chapter to the Grand Chapter Congress in 1957 and 1959 and has attended all but one national meeting since that time.

Following service with the U.S. Army as First Lieutenant, he

worked in California for the Blue Diamond Gypsum Division of Flintkote. He has been an officer of three construction firms building apartments and condominiums in the western states and owns Interstate Furniture Leasing Company of Sacramento which furnishes apartments and condominiums throughout the West.

Bill resides in El Macero, California, which is near Sacramento.

DANIEL W. LA FONT

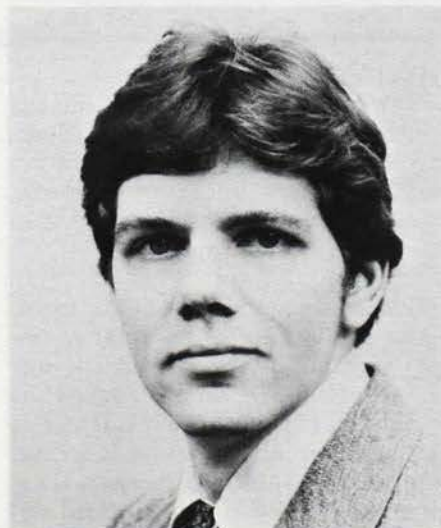

Hailing from Houma, Louisiana, is newly elected Director of Alumni Activities Danny LaFont. Initiated in 1973 into Eta Iota Chapter at Nicholls State University, he has

served in the offices of Historian, Chancellor and President. Nominated by his chapter as Undergraduate of the Year, he was selected as the Southern Regional candidate in 1977.

Upon graduation from Nicholls State University, Danny served the fraternity as a Chapter Consultant and, upon his return to Louisiana, served as the founding President of the Houma-Thibodaux Alumni Club. He has served as Chairman of the Sunshine Committee and as a District Director. Danny is employed as a marketing representative for Martin Fuel, Inc., in Larose, Louisiana. He resides with his wife

Jeff Nelson

John Henik

Tony Fernandez

Dawn and his two daughters in Houma, Louisiana.

MICHAEL M. JOHNSON

Mickey was initiated by Epsilon Kappa Chapter at Shepherd College in Shepherdstown, West Virginia, where he served as Social Chairman. After graduation he served the Epsilon Kappa Housing Association as Housing Chairman, Chancellor and Chairman of the Board. He is a founder of the Shepherdstown Alumni Club and served as a District Director in the Mideastern Region for five years. In 1979, at the 32nd Grand Chapter Congress, Mickey was elected as Director of Alumni Activities and served on the National Executive Committee from 1979 to 1981. He was elected at the 1981 Grand Chapter Congress as Mideastern Regional Director.

in 1976 to fill an existing vacancy and continues in that position being re-elected in 1981. A graduate of the State University of New York at Buffalo, he was initiated into Alpha Kappa Chapter in 1971 which he served as Director of Public Relations, Senior Vice President and Chapter Advisor. Dick has served the Eastern Region as a District Director and is a member of the Buffalo Alumni Club. He has served on several national committees including the National Executive Committee and as Chairman of the Committee on Leadership Development.

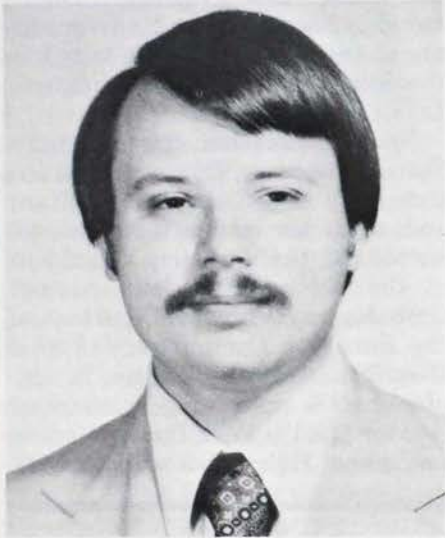

Employed as Cost Analyst by the Chevrolet Division of General Motors in Buffalo, Dick, his wife Jackie and their daughters Kathy and Lisa reside in Eggertsville, New York.

C. DEAN FERGUSON

Initiated into Kappa Chapter at Georgia State University in 1977, Dean served as Vice President for Pledge Education and was selected as the chapter's candidate for Undergraduate of the year 1979. A member of the Board of Directors of the Atlanta Alumni Club, Dean has served the Southeastern Region as a District Director and was nominated for the District Director of the Year Award in 1981.

He has attended every Area and Regional Meeting of the Southeastern Region since his initiation and participated in the Grand Chapter Congress in 1979 and 1981.

Dean received a BBA degree in Management from Georgia State in 1979 and, while pursuing his MBA, is employed by Sears, Roebuck and

Bill Kelly

Gus Schram

Mark Franson

In addition to fraternity activities, he is involved in community service organizations such as Kiwanis International and is past president of the Jefferson County Chapter of the American Red Cross.

He has been a two-term president of Potomac Little League, Inc., the county baseball program.

Mickey, his wife Fran and daughter and son live in Harpers Ferry, West Virginia where he is President and General Manager of Shannondale, Inc., a real estate development corporation.

RICHARD J. PARNITZKE

Dick was originally named to the Board as Eastern Regional Director

WILLIAM D. SPARROW

Newly elected Director of the South Central Region is Don Sparrow who is employed as a staff accountant with the firm of Greene, Skidmore, Smith and Co., CPA's in Asheville, North Carolina.

Don was an undergraduate member of Alpha Lambda Chapter at the University of North Carolina-Chapel Hill where he served as Social Chairman and President. He has attended all Area and Regional Meetings of the South Central Region held since his initiation and participated in the 32nd Grand Chapter Congress in Atlanta.

Company. Dean is single and resides in Decatur, Georgia.

LOREN A. POUCHER

Recipient of a BSBA and an MBA from the University of Florida, Loren has been elected to serve as the Director of the newly created South Atlantic Region. Initiated by Beta Eta Chapter at the University of Florida in 1969, he has served as Chapter Efficiency Index Chairman, Secretary and President.

Loren was named by the Board to serve as Southeastern Regional Director in 1981 to fill an existing vacancy and, prior to that time, served as a District Director for four years. Having served on the Nation-

al Committee on Alumni Activities and the Committee on Leadership Development, he is a Life Member and has served the Delta Sigma Pi Educational Foundation as the Vice Chairman of the Finance and Investment Committee.

A member of the Tampa Bay Area Alumni Club since its founding in 1979, Loren and his wife Megan, who is an alumnus of Theta Phi Chapter at South Florida, reside in Tampa.

WILLIAM J. NELSON, JR.

Jeff is the newly elected East Central Regional Director and makes his home in Wheelersburg, Ohio. He is the controller of Southeastern Ohio AAA Motor Club in Portsmouth.

While a student at West Liberty State College, Jeff was initiated by

Region and is a Life Member and a member of the Northwest Indiana Alumni Club and is the Director of the new Central Region.

ANTHONY Z. FERNANDEZ

Tony was appointed Director of the Central Region to fill an existing vacancy and was elected to continue as Director of the newly created Great Lakes Region at the 33rd Grand Chapter Congress. Graduating from Northwestern University in Chicago, he is Manager of Referrals and Placement for the Brunswick Corporation in Skokie, Illinois.

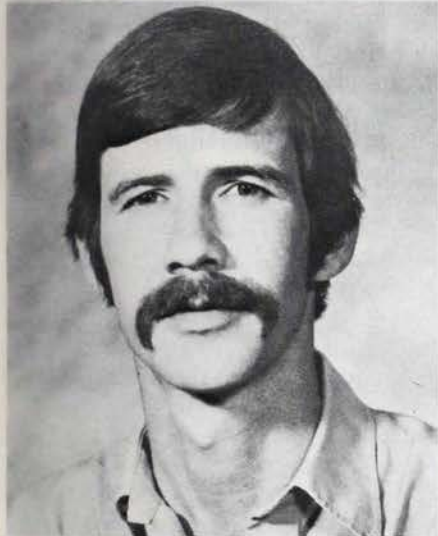

Initiated by Beta Chapter at Northwestern, Tony served his chapter as Social Chairman, DELTASIG Correspondent, Senior Vice President and President. He is a member of the Chicago Alumni

member of the Hattiesburg-Hub City Alumni Club, he has served as a District Director and is the newly elected Director of the Southern Region.

Graduating from Southern Mississippi in 1978, Bill is employed as a staff accountant with the firm of Nicholson, Easterling and Topp, CPA's.

GUS W. SCHRAM III

Director of the newly created Gulf South Region is Gus Schram. Initiated in 1973 by Eta Tau Chapter at McNeese State University where he served as Treasurer and President, Gus was nominated and selected as Undergraduate of the Year 1976. He has served on several national committees and has served as President and Chairman of the Board of Directors of the Lake Charles-Bayou

Jim Deaton

Barry Kleypas

Bill Leonard

Delta Omega Chapter and served as Treasurer, Vice President for Pledge Education, Senior Vice President and President. A Life Member and a member of the Cincinnati Alumni Club, Jeff has served the East Central Region as a District Director.

JOHN V. HENIK

John is a consulting structural engineer in Merrillville, Indiana, where he makes his home. Initiated in 1977 by Theta Psi Chapter at Indiana University Northwest in Gary, Indiana, he served as Historian and Vice President for Professional Activities. He has served as a District Director in the East Central

Club and has served both on the Board of Directors of the club and as President. He has been involved at the national level in the fraternity for many years handling program assignments at the Grand Chapter Congresses and has served on a number of national committees, including the Committee on Alumni Activities for the last seven years.

Tony, his wife Joan and their two children reside in Chicago.

WILLIAM T. KELLY

Bill was initiated in 1975 at Gamma Tau Chapter at the University of Southern Mississippi where he served as Senior Vice President for two terms. A Life Member and a

Country Alumni Club.

Upon graduation from McNeese State University in 1976, Gus has been employed as an accountant and is currently a partner in the firm of Gus W. Schram, Jr., Ltd., CPA's. He and his wife Lisa, who is also an alumnus of Eta Tau Chapter, reside in Lake Charles, Louisiana.

MARC P. FRANSON

Marc was appointed acting Director of the North Central Region to fill an existing vacancy and was elected to continue in that position at the 33rd Grand Chapter Congress. Having previously served on the Board of Directors as Under-

continued on page 27

EXPANSION

Delta Sigma Pi continued to grow during the 1980-81 year with the installation of seven new chapters and the reactivation of four. As was mentioned in previous issues of *The DELTASIG*, the fraternity installed Iota Chi Chapter at Illinois State University, Iota Psi Chapter at Corpus Christi State University, Iota Omega Chapter at the University of North Carolina at Greensboro and Kappa Lambda Chapter at the State University of New York at Binghamton last year. Continued growth is expected this year with the fraternity planning to install its 200th chapter. Furthermore, many other expansion possibilities may yield additional chapters during the 1981-82 academic year.

Kappa Mu at San Luis Obispo

The installation of chapters continued last year with the addition of Kappa Mu Chapter at California

Polytechnic State University at San Luis Obispo. The newest chapter in California, Kappa Mu Chapter was installed on April 4, 1981. Charter members were: Victoria E. Barnhardt, Clifford M. Betita, Susan Erika Carlson, Jane T. Catelani, Pamela Susan Cosart, Cathi Ann Crawford, Carl Steven Di Giorgio, Reginald Louis Scot Doggett IV, Michelle Donoghue, Warren S. Forest, Jeffrey Steven Gamberutti, Robin Ginn, Robert D. Goulart, Mark B. Haworth, Lynn Anne Ingenhuett, James B. Kaplan, Astrid Lang-Ree, Katherine Rae Leach, Mark Irvin Mandrell, Alan Mansfield, Anne-Lisa Mattson, Kelly Ann McGivern, Karen Meneghetti, Lori Ellen Rank, Marcos Riley, Alan Rudisill, William S. Vogel, James Alan Voos, Lori Ann Wanke, Karen Lyn Wentworth, Elaine Whallon, Carol Wingereid, Richard H. Witt and Russell W. Wood. Heading the installation team were Grand President Mike

Mallonee, Past Grand President Bill Tatum, Assistant Executive Director Mike Tillar, Western Regional Director Joe S. "Skip" Loomis, District Directors Leon Garman, Steve Ropfogel and Jim Messmer, Golden Council Member Tom Harnett, Dean of the School of Business Robert Coe and faculty members George Eastham and Ernest Miller. Assisting were Phi Chapter at the University of Southern California, Delta Sigma Chapter at Loyola-Marymount University, Theta Chi Chapter at San Jose State University, Iota Pi Chapter at San Diego State University, Iota Upsilon Chapter at Cal State-Northridge, Iota Phi Chapter at Cal State-Fresno and the Los Angeles-Southern California Alumni Club.

At the installation banquet, Western Regional Director Skip Loomis served as Toastmaster and Russell Wood of the chapter gave the Invocation. Dr. Robert Coe, Dean of the School of Business, extended Greetings and talked about the history of the School of Business. Dr. Warren Baker, President of the University, gave a history of California Polytechnic State and Pamela Cosart talked about the history of Kappa Mu Chapter. Grand President Mallonee presented the Charge and Charter which were accepted by President Pamela Cosart. Fraternal Greetings were then extended to the chapter by Assistant Executive Director Mike Tillar.

California Polytechnic State University is located in San Luis Obispo, California, a community of 35,000 midway between San Francisco and Los Angeles. Cal Poly actually began in 1901 as a vocational high school. In 1927 the school began to offer junior college courses and in 1933 it became a two and three year institution. The first Bachelor of Science degrees were authorized in 1940.

The School of Business building at Cal Poly-San Luis Obispo reflects western architecture.

Delta Sigma Pi installed seven new chapters and reactivated four during 1980-81

Cal Poly has a faculty of 850 to serve the 16,000 students enrolled in the undergraduate and graduate programs. The university is divided into seven schools: Agriculture and

Grand President Mike Mallonee presents the charter of Kappa Mu Chapter to President Pam Cosart as Dean of the School of Business, Robert Coe, observes.

National Resources, Agriculture and Environmental Design, Business, Communicative Arts and Humanities, Engineering and Technology, Human Development and Education, Science and Mathematics and the Division of Social Sciences. Bachelor degrees are offered in 57 subjects and Master degrees are offered in 14 areas.

The Business Administration Department of Cal Poly was established in 1959 and later became known as the School of Business and Social Science. The Master degree program was added to the curriculum in 1970. In 1976 the formation of the present School of Business was authorized. The new school consists of four departments, three

in Business and one in Economics. This change in structure was made to assist the school to obtain accreditation.

The School of Business offers programs leading to degrees of Bachelor of Science in Business Administration, Master of Business Administration and Bachelor of Science in Economics. A pre-law advisement service is available to all university students.

Sigma Lambda Omega Fraternity was founded when the current president Pam Cosart and several other students met with Dean Robert Coe to discuss the possibility of bringing Delta Sigma Pi to the Cal Poly campus. Shortly after this meeting the students had the opportunity to

An evening view of the Robert F. Kennedy Library at Cal Poly-San Luis Obispo.

The entrance to Longwood College, home of our Kappa Nu Chapter.

meet with Executive Director Ben Wolfenberger. The first organizational meetings of the new local fraternity were held during the spring quarter of the 1979-80 academic year.

Weekly meetings were begun, officers and advisors were elected, a name for the local fraternity was selected and steps were taken to gain recognition by the Associated Students, etc. A letter of intent was mailed to The Central Office and committees were formed. Meetings were held each week for the remainder of the academic year. Sigma Lambda Omega Fraternity boasted 20 members by the end of the first quarter of operation.

Since that first quarter the local fraternity continued to grow and participated in a wide variety of activities. Sigma Lambda Omega Fraternity grew to 34 members and was installed as the Kappa Mu Chapter of Delta Sigma Pi on April 4, 1981.

Longwood College Home of Kappa Nu

Longwood College in Farmville, Virginia, was the scene of the installation of Kappa Nu Chapter on April 12, 1981. The installation team consisted of Grand President Mike Mallonee, Director of Alumni Activities Mickey Johnson, South Central Regional Director Sharon Hundley, Assistant Executive Director Mike Tillar and Past South Central Regional Director Richard Schreiner. They were assisted by

members of Zeta Upsilon Chapter at Virginia Tech, Eta Omega Chapter at Virginia Commonwealth, Iota Xi Chapter at Winston-Salem State and Iota Omega Chapter at the University of North Carolina-Greensboro.

Following the installation of Kappa Nu Chapter, a banquet was held and Sharon Hundley, South Central Regional Director, served as Toastmaster. The Invocation was given by Cherie L. Stevens, a member of the chapter, and Greetings were extended by Dr. Henry I. Willett, President of Longwood College. A history of the Department of Business and Economics was given by John E. Carr III, Chairman of the Department, and it was followed by the history of Lambda Chi Fraternity given by Joanne I. Kelarakis. Presenting the Charge and Charter was Grand President Mike Mallonee. Following the acceptance of the Charge and Charter by Kappa Nu Chapter President Eileen C. Mathes, Assistant Executive Director Mike Tillar extended Fraternal Greetings.

Longwood College was founded on March 5, 1839, as the Farmville Female Seminary Association. The school offered courses in Latin, English, Greek, French and Piano. The Seminary's initial enrollment included only 30 girls. As the community of Farmville continued to grow, it became apparent that there was a need for expanded curriculum. In 1860 the charter of the school was amended and the name was changed to Farmville Female College.

Kappa Nu Chapter President Eileen Mathes receives the chapter charter from Grand President Mike Mallonee.

During the years that followed, the name of the school changed several times and the institution became known as a Teacher's College. On September 10, 1975, Longwood College announced that it would become a fully coeducational college at the end of the 1975-76 academic year. Today, there are in excess of 2,000 undergraduate students enrolled on campus.

The Department of Business and Economics is newer than most of the other departments at Longwood College. The Bachelor of Science degree in Business Education was first offered in 1938 and the Bachelor of Science degree in Business Administration was first awarded during the 1976-77 academic year. Despite the relatively young age of the department, it is the largest department on the campus with a total enrollment of almost 600 students. The department offers students a Bachelor of Science degree in Business Administration with concentrations in Accounting, Finance, Management and Marketing. Bachelor of Science degrees in Office Administration and Business Education are also offered by the department.

Lambda Chi Fraternity was founded when 20 students and two faculty members, Dr. Owen Fields and Richard Measell, met to discuss the possibility of establishing a chapter of Delta Sigma Pi. Officers were elected and immediately began to generate additional interest among the business students.

When classes resumed at the

beginning of the second semester, Lambda Chi members launched a recruiting effort and attracted 20 additional students and three new faculty members. On January 16, 1981, Assistant Executive Director Mike Tillar visited Longwood College and formally pledged the members of Lambda Chi Fraternity. During this visit he discussed the goals and policies of Delta Sigma Pi and helped the members of Lambda Chi plan their pledge education program.

The members of Lambda Chi Fraternity were successful in their efforts last spring and the following charter members were initiated into the fraternity as Kappa Nu Chapter: Cynthia Lynne Adams, Jennet Marie Burington, Elizabeth Kay Dingus, Kien Dolinh, Melanie D. Harrell, Marie Rose Hoiberg, Anita Marie Hogge, Randy John Josemans, Joanne Irene Kelarakis, Karen Lou Kelsey, Dinnie Marie Kem, Beverly Thompson Lewis, Eileen Carole Mathes, Deborah M. Mihm, Virginia Galloway Mims, Donna Rae Mitchell, Deborah Ann Moreau, James Vincent Pattan, Jean Marie Powers, Cherie Lee Stevens, Debra Kay Smiley, Virginia Elaine Thornton, Linda Marie Vaughan, Nancy Marie Warren, Kim Lanette Wood, John E. Carr III, Owen Franklin Fields, Frances N. Hamlett and Richard Frederick Measell. Since their installation, the chapter has planned many different activities and is well into its first full year of operation as Kappa Nu Chapter.

Southwestern Louisiana The Newest Chapter

The newest chapter of Delta Sigma Pi, Kappa Xi, was installed on May 2, 1981, at the University of Southwestern Louisiana. Many out of town undergraduate members from the Southern Region assisted in the installation of Kappa Xi Chapter. They came from Beta Zeta Chapter at LSU, Delta Nu Chapter at Loyola-New Orleans, Epsilon Nu Chapter at the University of New Orleans, Zeta Sigma Chapter at Southeastern Louisiana University, Eta Iota Chapter at Nicholls State

and Eta Tau Chapter at McNeese State. Also attending were a number of alumni from these chapters. Heading the Ritual Team were Grand President Mike Mallonee, Assistant Executive Director Mike Tillar, Southern Regional Director Frank Busch, Undergraduate of the Year 1980 Marilyn Doskey, Undergraduate of the Year 1976 and new Gulf South Regional Director Gus Schram, District Director and new Director of Alumni Activities Danny LaFont, District Director David Jones, Faculty Advisor Wayne Moeller and Alumni Advisor Carl Medus.

Following the installation ceremonies at the university, the installation banquet was held at Jacob's Restaurant that evening. Acting as Toastmaster was Frank Busch. The Invocation was given by Kimberly Hebert, a member of the new chapter. This was followed by Greetings from Dr. Ray Paul Authement, President of the University of Southwestern Louisiana. A history of the College of Business Administration was given by Chapter Advisor Wayne Moeller and this was followed by a history of Chi Omega Chi Fraternity given by Kappa Xi Chapter member Virginia D. Turnage. Grand President Mike Mallonee then made a presentation of the Charge and Charter which was accepted by James P. Hesse, President of Kappa Xi Chapter. Assistant Executive Director Mike Tillar concluded the program by extending Fraternal Greetings to all members of the chapter.

The university was established by Legislative Act in 1898 as the Southwestern Louisiana Industrial Institute with formal classes begun on September 18, 1901. When the Institute became a senior college in 1921, its name was changed to Southwestern Louisiana Institute of Liberal and Technical Learning. In 1960 the legislature authorized a change of name to the University of Southwestern Louisiana. Today, USL is the largest of the state institutions of higher learning under the State Board of Trustees. The enrollment totals in excess of 14,000 students in college credit courses.

The University of Southwestern Louisiana is accredited by national,

regional and professional agencies and is a member of the Southern University Conference, the Association of Collegiate Schools of Architecture and the American Association of State Colleges and Universities.

The University of Southwestern Louisiana offers Baccalaureate, Associate, Master and Doctoral degree programs.

The College of Commerce was formerly established in 1952. Dr. Herbert A. Hamilton served as Dean until 1976 when he retired. Dr. Paul Burnam served as Acting Dean until Dr. Rexford C. Hauser was appointed in 1977. The college, now the largest on the campus of the University of Southwestern Louisiana, with over 2,500 students, has grown tremendously since its inception with over 440 students. Keeping in line with progress and growth, a Master of Business Program was created in 1973-74.

The College of Business Administration has as its major objective, a preparation of young men and women for entry positions of responsibility and leadership in the business community. A core of professional courses, common to all areas of business, is required of all students. An area of specialization affords the student an intensive study of a particular facet of business. Areas of specialization include: Accounting, Economics, Finance, Management, Marketing and Office Administration.

The degrees offered by the College of Business Administration are: Bachelor of Science in Business Administration, Master of Business Administration, Associate of Science in Office Administration and Certificate in Office Administration.

Late in the fall of 1979, Mike Tillar visited the University of Southwestern Louisiana's campus to acquaint interested commerce students with Delta Sigma Pi Fraternity. Because of the time factor involved, it was decided to hold off formal organization until the spring of 1980.

Early in the spring of the next year, a meeting was held for interested members to elect officers and decide upon a temporary name for

the organization. The name of Chi Omega Chi was chosen and officers were elected. In the late spring, the president resigned and James Hesse was elected president. Kimberly Herbert was elected to replace him as Vice President for Professional Activities.

Chi Omega Chi held its first professional activity on September 17, 1980, and planned a number of activities after that. On February 18, 1981, the chapter was officially pledged by Daniel LaFont and the following members were installed as Kappa Xi Chapter: Julie Arnould, Elaine Ball, Celia Blanchet, Melanie Braquet, Ignatius P. Broussard, Troy Broussard, Patsy Cooper, Jeanne O. de la Houssaye, Jose Dopeso, Richard N. Duchamp, Judy M. Duhon, Cheryl A. Esteves, Tim Falgout, Judith Faulk, Mark Foreman, Eugene B. Gibbs, Catherine Harris, Damian F. Herbert, Kimberly A. Hebert, James P. Hesse, Michael J. Hesse, Karen B. Jacobs, Lisa A. Krantz, Robert D. Larroque, Susan Lund, Cheryl Menard, Philip J. Sahuc, Kenneth F. Sillavan, Kathleen L. Smith, Mark C. Sulzbach, Tamara L. Stoute and Virginia D. Turnage.

Mankato State Reactivated

After an absence of six years, Delta Sigma Pi returned to Mankato State University in Mankato, Minnesota.

On May 16, 1981, 23 undergraduates and one faculty member were initiated into the fraternity as Epsilon Iota Chapter was reactivated. Members of Alpha Epsilon Chapter at the University of Minnesota-Minneapolis and Theta Tau Chapter at St. Cloud State University participated on the Ritual Team and both of these chapters had large delegations present to welcome the new Brothers into the fraternity. Also in attendance were Chapter Consultant Mark A. Roberts and two District Directors from the North Central Region: Steven B. Ludwig from Des Moines and Dan R. Harrington from Minneapolis.

Many individuals contributed time and energy to the reactivation effort. The fraternity was fortunate

in having several alumni Brothers in Mankato who participated in the reactivation process, including Dr. Morgan I. Thomas, Dean of the College of Business at Mankato State. Brenda Ziegler, a transfer student from Alpha Eta Chapter at the University of South Dakota, was instrumental in, again, making Epsilon Iota Chapter a reality.

The initiation ceremony on May 16, 1981, concluded a period of hard work by many Brothers and marked a new beginning for Delta Sigma Pi at Mankato State University.

Beta Iota Returns to Baylor

After an absence of eight years, Delta Sigma Pi returned to the Baylor University campus with the reactivation of Beta Iota Chapter on April 26, 1981. The initiation ceremonies were hosted by the Houston Alumni Club. At the conclusion of the initiation ceremonies, a banquet was hosted by the Brothers of Beta Iota Chapter.

At the banquet, Past Grand Presi-

dent William W. Tatum, Jr., welcomed back the chapter and the Beta Iota Chapter charter was returned. Certificates of Appreciation were presented to Brothers Carla Young and Tom Johanneck for their assistance. The Houston Alumni Club presented a Delta Sigma Pi banner to the chapter.

The Ritual Team consisted of the following members: Past Grand President William W. Tatum, Jr., James P. Pennington, Steven R. Germaine, Leon S. Niles, Carla Young, Thomas M. Johanneck, Frederick C. Lipsey and Denise A. Morrison. Also assisting were Southwestern Regional Director Victor A. Tabor, Phyllis L. Dovaline and Brian C. Dean. In addition, members from chapters in the Southwestern Region were in attendance.

The 43 undergraduate and three faculty members initiated on April 26, 1981, provided a new beginning for Beta Iota Chapter at Baylor University. Their work and dedication will provide for a strong Beta Iota Chapter in years to come.

Members of Beta Iota Chapter and the Ritual Team gather together after the initiation.

At the Helm

continued from page 21

Skip Loomis

graduate of the Year 1977, Marc has served on numerous national committees and as Chairman of the Committees on Professionalism and Community Service. He was instrumental in the development of the *Manual for Chapter Operations-Professional Activities* and the *Guide for Community Service*. Initiated in 1974 by Alpha Iota Chapter at Drake University, he served as Vice President for Professional Activities and as Chapter Advisor. A Life Member, Marc is a member of the Des Moines-Central Iowa Alumni Club which he has served as President and a member of the Board of Directors.

Residing in Des Moines, he is employed as an attorney at law with the firm of Gamble, Riepe, Burt, Webster and Davis and is also a professor in the College of Business at Drake University.

JAMES F. DEATON

Jim is a native of Oklahoma City and graduated from the University of Oklahoma in May, 1978 with a major in accounting and recently graduated from the College of Law at that same institution. He served four years in the U.S. Air Force and, while an undergraduate, was a member of the College of Business President's Council and the College Republicans. A Life Member of the fraternity, Jim served Beta Epsilon

Chapter as Historian and President for two terms. He was the Midwestern Region's nominee for Undergraduate of the Year in 1978 and has attended the 1977, 1979 and 1981 Grand Chapter Congresses.

A member of the Oklahoma City Alumni Club, Jim has served the Midwestern Region as a District Director and on several national committees.

Re-elected as the Midwestern Regional Director at the 1981 Grand Chapter Congress, Jim currently resides in Wely, Oklahoma.

BARRY A. KLEYPAS

Barry is the new Southwestern Regional Director and currently resides in San Angelo, Texas. While a student at Angelo State University, he was initiated into Eta Theta Chapter where he served as Social Chairman, Chancellor and Senior Vice President. Formerly a resident of Houston, where he was a member of the Houston Alumni Club, Barry is a Life Member and is currently a member of the San Angelo Alumni Club.

Prior to becoming a member of the Board of Directors, Barry served as a District Director in the Southwestern Region and a member of the National Committee on Professionalism. He and his wife, Susie, and two children reside in San Angelo where he is employed by the LRK Electric Company, Inc.

WILLIAM R. LEONARD

Elected to a second term of office as Intermountain Regional Director is Bill Leonard. While a student at Arizona State University, he was initiated by Gamma Omega chapter and served as Senior Vice President. He has been a member of the Phoenix-Thunderbird Alumni Club for many years and has served as its President and as a Director. Bill has served on several national committees and chaired the Committee on Constitutional Revisions. Prior to becoming a member of the Board, he was District Director for the Arizona District of the Intermountain Region.

Bill and his family reside in Phoenix and he is employed as the Treasurer of the Globe Corporation in Scottsdale.

JOE S. LOOMIS

"Skip" is a graduate of the Uni-

versity of California at Berkeley and works in the personnel department of the California Department of Transportation. He, his wife Lois and three daughters live in El Macero, California, near Sacramento.

At Berkeley, he was a member of Rho Chapter and served as Ritual Chairman. He has been active in the Sacramento Alumni Club for a number of years and has served as Chancellor, Vice President for Publicity, Executive Vice President and President for two terms. He has served on the National Committee on Alumni Activities and on the National Executive Committee from 1979 to 1981.

He became a member of the Board of Directors when elected as Western Regional Director at the 1977 Grand Chapter Congress and he continues in that position.

ROSTER OF THE BOARD OF DIRECTORS

The Central Office, the national administrative headquarters of Delta Sigma Pi, is much more than a building located at 330 South Campus Avenue in Oxford, Ohio; it is also the "second home" of The Central Office staff which handles the day-to-day activities of the fraternity and administers the policies established by the Board of Directors and the National Executive Committee. With the variety of changes in Central Office personnel over the summer, we wish to introduce you to your staff in Oxford revealing the responsibilities of the individuals whose names you will encounter in the future.

The Executive Director, Assistant Executive Director, Director of Chapter and Alumni Club Operations and Chapter Consultant, as well as the administrative staff members working at the headquarters of Delta Sigma Pi, are full-time employees of the fraternity. Other National Officers including the Grand President, Past Grand President, Director of Alumni Activities, Undergraduates of the Year, Regional Directors and the District Directors, are employed in a variety of occupations and devote their free time to volunteer work for the fraternity. Central Office employees are salaried, Delta Sigma Pi operations are their job; volunteer National Officers are not salaried and receive only partial reimbursement for the expenses that they incur.

Designed after the historic Raleigh Tavern in colonial Williamsburg, Virginia, the site of the founding of the first fraternity in 1776, The Central Office is located adjacent to the campus of Miami University some 35 miles northwest of Cincinnati. Established in 1956, our headquarters building was dedicated to H. G. "Gig" Wright who served as the administrator of the fraternity from 1924 to 1955 at offices located at 222 West Adams Street in Chicago, a location still in existence in the Windy City today. Rapid growth in the fraternity resulted in the expansion of The Central Office to double its original size in 1970.

Oxford is a beautiful village in the countryside of Ohio and boasts of the strong academic environment of Miami University. This institution is referred to as the "Mother of Fraternities" as Beta Theta Pi, Phi Delta Theta, Phi Kappa Tau, Sigma Chi and Delta Zeta were founded there. Beta Theta Pi, Phi Delta Theta, and Phi Kappa Tau maintain their national headquarters in Oxford and Delta Zeta will be opening headquarters there in the near future.

The activities of The Central Of-

fice are numerous and varied, including the maintenance of all membership records, writing and publishing of The DELTASIG Magazine, development and printing of manuals, booklets and forms, the purchasing and distribution of all chapter supplies, jewelry and insignia, site inspection, arrangements and preparations for the Grand Chapter Congress, assistance on Area and Regional Conferences, administration of financial activities, all incoming and outgoing communications, and public relations work with other professional organizations. All programs and activities which have a national impact on Delta Sigma Pi are either originated or administered by your Central Office staff. Through extensive travel nationwide, the members of the Executive Staff also serve to foster relations between the national organization and the chapters, alumni clubs and potential chapters of the fraternity.

Now, let's meet the individuals behind the operations . . .

MICHAEL J. MAZUR, JR., Executive Director, is the chief staff executive and is responsible for the administration of the fraternity's national organization of 153 active

At Your Service

chapters, 53 alumni clubs and over 106,000 members. He manages The Central Office and is responsible for staffing and policy and program administration. As Editor of The DELTASIG and other publications of the fraternity, he is the most visible liaison of the fraternity with other fraternal and professional organizations including the Professional Fraternity Association, American Association of Collegiate Schools of Business, College Fraternity Editors Association and American Society of Association Executives. Mike is a member of the Board of Directors and the National Executive Committee of the fraternity.

MICHAEL T. WALSH, as Assistant Executive Director, is directly responsible for the management of day-to-day operations of The Central Office including administrative personnel supervision, purchasing of equipment and supplies and building and grounds maintenance. In addition, he is responsible for the development of fraternity publications including Manuals and Guides for Operations and serves as Associate Editor of The DELTASIG Magazine. Mike is also a member of the Board of Directors and National Executive Committee of the fraternity.

A feature article elsewhere in this magazine provides further background on both of these individuals.

MARK A. ROBERTS, in the newly created position of Director of Chapter and Alumni Club Operations, is directly responsible for the Chapter Consultant program which provides assistance to the undergraduate chapters on maintaining optimum standards of performance. He is also responsible for the expansion and reactivation efforts of the fraternity, working closely with groups at colleges or universities seeking a chapter charter; his work in this area is designed to supplement that of local volunteer members of the fraternity. He also administers the various award and recognition programs of the fraternity, the fraternity regalia system, the Chapter Efficiency Index and membership records. Mark joined The Central Office staff in mid-1980 as a Chapter Consultant. He received a BBA in Marketing from the University of San Francisco where he was initiated at Gamma Omicron Chapter in 1977 and served as Secretary. Prior to joining The Central Office staff, Mark served as a District Director in the Western Region and was employed as a sales repre-

sentative for Burroughs, Inc.

JERE W. WHITE joined the staff as Chapter Consultant in May, 1981. His duties include maintaining communication among The Central Office, the chapters, the Board of Directors and District Directors and traveling on an extensive series of chapter visits. Often 10 to 12 hours of his days away from Oxford are spent on consultation work and travel. He also assists the Executive Staff on various projects. From Panhandle, Texas, learn more about Jere in the Undergraduate of the Year article found elsewhere in this issue.

The executive staff of The Central Office is ably supported by all members of the Administrative Staff. Dedication to duty and professionalism in performance prevail in each staff member. Nearing 24 years of service with The Central Office is **VIOLA T. "PEG" DONIVAN**. Peg is primarily responsible for the maintenance of the CEI records, handling in excess of 18,000 individual requests for recognition in a given year. She produces all Chapter Efficiency Index reports and, in addition, handles all incoming and outgoing mail and assists the Editor of The DELTASIG on proofreading magazine copy.

BEVERLY J. NORRIS joined the staff in 1965 as a secretary and cur-

alumni in action

ALUMNI REPORT

CONGRATULATIONS AND THANK YOU! The "congratulations" are for the successful completion of our 33rd Grand Chapter Congress at Mackinac, and the "thank you" is for electing me as your new Director of Alumni Activities. Without a doubt to those who attended, the Congress was a "Grand" and exciting one (not to mention exhausting!). Many Brothers have told me stories about "days of sleep" upon their return home. Two excited and lonesome daughters did not allow Dawn or me such a luxury as sleep. Besides, the convention left me too excited to think about it.

Before I say anything else, I want to again thank Mickey Johnson on behalf of all our alumni for his two years of service as Director of Alumni Activities. Mickey moderated our alumni seminars which generated a bundle of information. In fact, we held a third unscheduled seminar which also had good attendance. It became apparent at the seminars that, although our alumni clubs have many good ideas, there is little communication between our clubs. It was also obvious that many of our alumni clubs are searching for a purpose or a reason for their existence. Increased communication and a more defined purpose are the main goals of the Alumni Activities Committee (which the Director chairs) for the upcoming two years. It is my objective to have at least one committee member from each region who will also serve as a coordinator of alumni activities in their respective areas.

I want also to remind all of

you that the ceiling price to which a Life Membership may be raised is being increased to \$150.00 in July 1982. All it takes to start now is \$10.00. At its present cost of \$75.00, (undergraduates are entitled to discounts which can bring their total cost down to \$52.50), it is no doubt the best bargain around, so let's take advantage of it.

To your Director of Alumni Activities, communication by mail is of utmost importance. I ask that all alumni clubs, as well as chapters, put me on their mailing list. I have found that this is the best method of keeping me informed on what is going on at each club and chapter. It is also one of the best ways to gather an influx of ideas to spread to each other.

If you need assistance in any area of the fraternity operations, do not hesitate to contact me. That is what you elected me for (in case you are wondering?). I hope to visit with as many of you as possible in the next two years, so until then, "Bon Temp Roulez."—DANIEL W. LA FONT, DIRECTOR OF ALUMNI ACTIVITIES

ALBANY-CAPITAL DISTRICT

Graduates of Siena College in Loudonville, New York and the State University of New York at Albany, New York, proudly announce the formation of the Capital District Alumni Club. Initially consisting of 21 members, our first business meeting was held June 23 at the residence of Dr. Harold L. Cannon, Past Grand President of Delta Sigma Pi. The first order of business was to elect Chris Kerwick president of our newly formed club. She is a 1978 graduate of the Theta Upsilon Chapter at Siena College in Albany, New York. Along with her election as president, she was also elected the club delegate to the Grand Chapter

Congress on Mackinac Island, Michigan.

Other elected officers included: vice president, Beth Weicman Aceti; secretary, Lew Tischler; and treasurer, Len Stokes.

Other functions were discussed at our initial meeting and we are happy to report that an August 9 family picnic was held and met with considerable success, with the families of recent graduates and prospective graduates in attendance.

A community action program is on our agenda for next spring, with all members anxious to participate.

It is our hope that the enthusiasm and determination of our present members continue to abound and that future members of the Capital District Alumni Club enjoy the same spirit of Brotherhood.

—Kevin T. Sleasman

BALTIMORE

As the delegate to the 33rd Grand Chapter Congress, held in August at The Grand Hotel on Mackinac Island, Michigan, I learned that several alumni clubs offer a one-year free membership as a get-acquainted opportunity to new members. I decided to propose at the first business meeting that the Baltimore Alumni Club adopt this idea and anticipated acceptance of it.

So, Brother Deltasigs, if you are residing or employed in the Baltimore Metropolitan Area or move into our area, look us up so that you can continue your association with your fraternity, The Fraternity, Delta Sigma Pi. We offer Brotherhood and business contacts.

You made a wise decision when you joined Delta Sigma Pi as an undergraduate member; now is the opportune time to make another wise decision by joining a Deltasig Alumni Club.

If you are interested in any of our activities or wish to join the Baltimore Alumni Club, please get in touch with Robert L. Stipsak, 1800 Roland Avenue, Ruxton, Maryland, Phone: 301-823-9388.

—Robert L. Stipsak

BOCA RATON

The Boca Raton Alumni Club has experienced a fantastic growth rate over the past few months. Over 30 new prospective alumni club members in the South Florida area alone have been con-

alumni in action

tacted and informed about the club's existence with an overwhelming response to it.

On June 20, the Boca Raton Club held its elections for the 1981-82 year. The newly elected officers are President, Stephen Wuest; Vice President, Elaine Norton; Secretary, Pam Gordon; and Treasurer, Rusty Carr. Plans for the upcoming year were also discussed at this meeting.

The Boca Raton Alumni Club enjoyed a relaxing day at a July 4 picnic at Birch State Park in Fort Lauderdale. A good time was had by all in attendance.

The entire club looked forward to the Grand Chapter Congress at Mackinac Island in August. We are sure Brotherhood was exhibited and shared by all the chapters and clubs in attendance.

The Boca Raton Alumni Club invites all interested alumni in the area to contact us or drop us a line for information on upcoming events. The continual success of the Boca Raton Alumni Club depends on you and your support.

—Steve Wuest

BOSTON

The Boston Alumni Club was first formulated in October of 1979. Basically, the original club never got off the ground, but with the renewed interest brought about by the influx of new alumni, we are starting to get the ball rolling and are looking forward to a fulfilling and prosperous year.

At this time we would like to take the opportunity to congratulate Brother Vinny Conte, one of our newest alumni, for his outstanding achievements within the fraternity and the university. Due recognition was given to him in the form of being chosen Brother of the Year for the undergraduate chapter of Delta Sigma Pi at Suffolk University and also achieving the outstanding student of the year award at Suffolk University. Likewise, the Boston Alumni Club would like to add its accolades to Brother Bob Dlužneiski by extending our sincere congratulations for being the first recipient of the Annual Alumni Brother of the Year award given by the Delta Psi Chapter at Suffolk University. Bob exemplifies the undying spirit of the fraternity prevalent throughout Delta Sigma Pi.

The newly elected officers of the Boston Alumni Club are as follows: President, Nathan S. Collins; Vice President, John J. Washburn; Treasurer, Thomas C. Abisalih; Secretary, William

C. Gowen; Deltasig Correspondent, Robert T. Dlužneiski; Sergeant At Arms, Alfred J. Colarusso; and Historian, Raymond L. McCormack III.

Our first social event of the year was held at Brother David Dube's residence. This event was basically an introductory get-together, but we are looking forward to having many more fine activities.

In conclusion, any alumnus who would like to get in touch with the Boston Alumni Club, please write to: Boston Alumni Club, c/o Robert Dlužneiski, 11 Hazelwood Drive, Hingham, Massachusetts 02043, Telephone: 617-749-5711.

BUFFALO

Like the legendary Phoenix rising from the ashes, the Buffalo Alumni Club has come on strongly of late to regain its rightful place in the hearts and minds of the local Deltasig alumni. Premature obituaries now permanently laid to rest, we set out this past year with ambitious programs designed to achieve ambitious goals. Joint activities with our local undergraduate chapter proved successful, especially a Scotch Doubles Bowling Night. We also engaged in various games of chance at a Monte Carlo Night complete with a white elephant auction, enjoyed a summer family picnic in spite of being cursed with nothing but blue skies and sunshine, and took a beautiful cruise down the Niagara River on a cruiseship known as the Miss Buffalo. With a complete transfusion of new (but not necessarily young) blood as a result of our latest elections, we are assured of even more new and exciting plans from our executive committee. We feel we have the right mix of junior and senior members, the right spirit of commitment and cooperation and most of all, the determination not to sever the fraternal bonds that are part of our vow of Brotherhood for life in Delta Sigma Pi. So, like the city from which we take our name, we're *Talkin' Proud!*

—Gary E. Marschke

CHAPEL HILL-RESEARCH TRIANGLE PARK

The Research Triangle Park Alumni Club has been working hard this fall trying to establish ourselves after receiving our charter this summer and are already planning a busy schedule for the year ahead. We invite all Deltasigs in the Durham, Raleigh, and Chapel Hill areas

to renew their involvement in Delta Sigma Pi by calling or writing me at 301 Pinegate Circle, Apt. 8, Chapel Hill, North Carolina 27514. Phone: 919-489-1383.

—Richard Featherston

CHICAGO

Hopefully by now each Chicago area alumnus has received the membership mailing from the Chicago Alumni Club. This mailing included a club newsletter, function flier, dues statement and return envelope. If you have, I hope you have already sent in your club dues of \$12.50. If not, may I ask that you do so, soon? Club dues are quite reasonable, so no one should feel that he or she is risking anything. It doesn't matter if you have never joined an alumni club before or haven't been active in 20 or 30 years or if you have just recently moved to Chicago. Your dues will open the door to an organization that is both fun and educational—an organization which is quite active and doesn't place too much demand on your time. All this within the framework of Delta Sigma Pi. If you didn't receive our dues mailing or have misplaced it, just write a check for \$12.50 payable to CHICAGO ALUMNI CLUB and mail it along with your name, address, chapter and number, home and work phones to: Chicago Alumni Club of Delta Sigma Pi, P.O. Box 11314, Chicago, Illinois 60611-0314.

Many Chicago Alumni Club members attended the 33rd Grand Chapter Congress at The Grand Hotel on Mackinac Island this past August. Those hailing from our club were club president and official delegate Jim Prescott, Tony Fernandez, Tom Mocella, Bob Mocella, Harry Bertram, Al Kutchins, Linsner Freitag, John Richardson, Bob Mocella, Jr., Rick Nissen and Cal Montgomery. I can report that the weather was great, The Grand Hotel excellent, the Congress superb. It was really special. Now is not too early to plan on attending the 34th Grand Chapter Congress scheduled for Denver in August of 1983.

For information about the club, please write me c/o the Club P.O. Box. We really would like to have you join the Chicago Alumni Club.

—James L. Prescott

CINCINNATI

The Cincinnati Alumni Club had a busy summer of 1981 and saw many

alumni in action

changes as well. Elections were held in May and 9 new Executive Committee members would like to thank the outgoing Executive Committee for all of the time and hard work they put into the club and would like to wish the new officers good luck in their new positions.

Fifteen Cincinnati Alumni Club members attended the Grand Chapter Congress at Mackinac Island, August 16 to the 20. They were Jeff Nelson, Kurt Boveington, George Ross, Mark Roberts, Michelle Mondro, Mickey Johnson, Jere White, Sam Shaheen, Mike Stoehr, Dennis P. Murray, Amy Poynter, Linda Becktold, Mike Walsh, Carolyn Walsh, and Jeff Philippi. Valuable ideas and information were picked up from the Educational Seminars and the other Brothers present from around the nation. These will be used to help strengthen the Cincinnati Alumni Club. And, of course, there were plenty of stories to tell about the fun and parties that went on. These were shared at a Sun/Fun Day on August 29 at Old Cooney. Those who went to the Grand Chapter Congress spent the day entertaining those who didn't with their stories. Of course, everyone managed to get in some swimming, eating and drinking as well!

This year's Grand Chapter Congress, held on Mackinac Island in Michigan in August, held many happy surprises for the Cincinnati Alumni Club members. Kurt Boveington won the award as Number One District Director in the nation. This was due in a large part to his work toward reactivating Epsilon Tau Chapter at the University of Dayton. Congratulations, Kurt! Jeff Nelson was elected the new Regional Director of the East Central Region and we are sure he will do a fantastic job in the next two years. The East Central Region was voted the Best Region in the nation and congratulations for this go to all of the outstanding East Central Region undergraduate chapters. And last, but certainly not least, Jeff Philippi, past Regional Director, was presented with a Diamond Badge by members of the East Central Region in appreciation for all of the hard work and long hours he put in as our Regional Director. Jeff, thank you for all of your time and effort. It made the East Central Region what it is—Number One in the nation. All in all, the summer of 1981 was fun-filled and profitable for the Cincinnati Alumni Club.

With the beginning of the fall, members of the club attended the initiation of Theta Lambda Chapter's new faculty

advisor, Mary Rose Boyle. This was followed the next day by a cookout at Carolyn Walsh's in Oxford. Later in the month we went on a canoe trip and spent a day at Latonia Race Track. These activities and others held in conjunction with area chapters have brought us closer together as Brothers in Delta Sigma Pi and have made the Cincinnati Alumni Club stronger.

—Amy A. Poynter

COLUMBIA, SOUTH CAROLINA

The Columbia-South Carolina Alumni Club is preparing for another year of activity. This year has the potential to be our best ever. Some of the activities planned are: a Founders' Day Party, an alumni-undergraduate party following the Clemson football game, a Casino Party in January or February, 1982, the annual alumni picnic in April, a sit-down dinner meeting, Executive Committee Meetings and poker following each meeting.

Along with these social activities, two other goals the club will strive for are a Columbia Alumni Club Scholarship Fund and a house for the undergraduate chapter. The club will also sponsor a fund raiser for Columbia's underprivileged children. In order to accomplish these goals, the club will endeavor to attain 100 members. This is attainable, but only with each Deltasisg's help.

Our first meeting on September 2 was at Anheuser Busch of Columbia. This was our organizational meeting for the new year.

Dale Mamele was our Grand Chapter Congress delegate and returned from Mackinac with many new ideas.

Alumni club meetings are held on the second Wednesday of each month at designated times and places. Alumni club luncheons are held on the first Friday of each month at the Lion's Head Restaurant in Five Points at 12:00 noon.

Although the Columbia Alumni Club draws most of its members from the Beta Gamma Chapter, we welcome all newcomers from other states and chapters. For more information, please feel free to contact Terry Hundley, President, 123 Mockingbird Drive, Lexington, South Carolina 29072, phone: (Home) 803-359-7437 (Work) 803-256-4949

—Loretta A. Filiault

DALLAS-FT. WORTH

The Dallas-Ft. Worth Alumni Club

entered its second year with a full schedule of events. Summer as usual in Texas was long and hot, but we have increased our membership and our activities. One key element in accomplishing this is the publication of our monthly newsletter. Another key element is the many activities addressing a variety of interests.

We missed out on the May issue, but we have not missed out on activities. We sent a team to Houston's annual softball tournament in March and won fourth place. April started out with a very successful Rose Ball with our undergraduate chapters from Southern Methodist University, University of Texas at Arlington and North Texas State University. We hope to keep a close working relationship with these chapters by continuing activities with them. We barely beat the baseball strike and in May attended a Texas Rangers game.

The summer began with a golf tournament won by Jeff Lerner followed by a Las Vegas Nite in July. The big casino winner was Dennis Pearson winning a weekend for two at the Executive Inn. Other prizes included a half gallon of Seagram's and 12 pounds of Jimmy Dean sausage. We wound up the summer with a bowling tournament. Even those who hadn't bowled in years (15-20?) turned out to try.

We entered fall socializing over dinner with a professional speaker. October ended with our costume Halloween party at Ron Bryant's. Prizes were given for best and worst costumes and lots of fun was had in Brother Bryant's spa. Founders' Day in November was celebrated in a combined activity with the undergraduate chapters in the Dallas-Ft. Worth area.

Of course, we can't forget our monthly happy hours. We meet at a different establishment around town each month to socialize and fraternize. We had a lot of good participation at this and all our activities. We hope to promote even more participation in the future as we continue to grow.

We extend an invitation to all alumni in the area to join us. We also welcome those Deltasisgs visiting in the area. For further information, please contact Mike Shost at 214-669-2905 or Jeff Lerner at 214-243-8591.

—Christy C. Bethany

DETROIT-GREATER DETROIT

The Greater Detroit Alumni Club celebrated a successful picnic at Stoney

alumni in action

Creek, one of the many beautiful Michigan state parks. Many of the alumni Brothers were there including Floyd Riley, Carey Robinson, Rick Falcinelli and Hank Pineau and their families. The members of the alumni club were pleased to see so many of the undergraduate Brothers come to this social event. A few of the undergraduates included Marianne McGurgan, Linda Kayden, Ed Wyrembelski and their friends or families.

Some of the picnic events enjoyed were volleyball, baseball, horseshoes and watching radio-controlled boat races. It was a very active day for everyone including the children of the Brothers who were awarded prizes for their effort. Many of the group went swimming during the hottest part of the day while others enjoyed a leisurely cold beer. The day turned out to be one of our finest annual picnics.

We waited a long time for the convention to arrive. Our expectations were high. We were not disappointed. The National Convention surpassed anything we had expected. Each of the alumni Brothers who had attended felt that he had received what he came for. Bob Trapp, Bob Elder, Byron Gough, Hank Pineau and our District Director, Leo Garcia, all helped to represent Detroit alumni. The food was plentiful and excellent. The service was prompt and friendly. Mackinac Island will not be easily outdone. Convention activities were scheduled tightly for the delegates and many struggled to make the most of the meetings and free time available. Biking, horseback riding and carriage riding through the woods were a few of the long list of activities offered to everyone. We know that many would enjoy returning to Mackinac Island.

—Stan Dobby

FT WAYNE

The Ft. Wayne Alumni Club is currently reorganizing and submitting its franchise for 1981-82. At the last business meeting, Denny Wright was elected President, former East Central Regional Director Dave Rose was elected Vice President and Gary Crum was elected Secretary-Treasurer.

Some of the highlights of this past summer included a Monte Carlo Night that was held at Canterbury Green Country Club. The featured event of the evening was mouse races. That turned out to be quite interesting! Our Monte

Carlo party was very successful and well attended by many alumni and undergraduates. Another summer highlight was the annual alumni vs. undergraduates softball game. In the past, the alumni have always been beaten and this year was no exception. Although it was close at the end, we had to play catch-up for most of the game. The final score was 11-9.

This past August Gary Crum and I journeyed to Mackinac Island for the 33rd Grand Chapter Congress. Gary represented Ft. Wayne as our delegate and I was the alternate. If you have never attended a Grand Chapter Congress, especially at The Grand Hotel, words alone cannot describe the experience. The weather, food, and surroundings were perfect. The experience of meeting and working with other Deltasigs from across the country is something that will always remain a part of me.

If anyone in the Northeast Indiana area would like to become involved with our club, you are by all means welcome. Please contact Denny Wright, 2814 Southway Drive, Ft. Wayne, Indiana 46825, Home Phone: 219-637-8475, Office Phone: 219-484-2026, or any of our members. We have a lot of interesting things planned for this fall. Plan to participate!

—Denny Wright

HARTFORD

The Hartford Alumni Club has been busy in the past few months. In May, many alumni club members joined the Theta Iota Chapter from the University of Connecticut for its annual Spring Picnic at Mansfield Hollow.

On June 30 a business meeting and prime rib dinner was held at the Lord Cromwell Inn. At this meeting recent graduates joined the club and helped plan many upcoming activities. One of the activities was a golf outing held August 2, at Bel Compo Country Club. Many Brothers attended the outing. Prizes were awarded in recognition of Brothers' golfing "prowess."

The Hartford alumni were proudly represented by Dan Koppel at Mackinac Island for the Grand Chapter Congress. Dan enjoyed meeting with the Brothers from around the country and brought back some helpful ideas for our club.

Alumni Brothers got together with the University of Connecticut undergraduates in September for the second annual picnic. The Brothers and their families enjoyed themselves at the outing.

We look forward to hearing from all the Brothers in the Hartford area. To become a member and get on our mail-

Members of the Buffalo Alumni Club enjoyed a cruise down the Niagara River on the Miss Buffalo.

alumni in action

ing list for upcoming activities, please contact Jim Mahoney, Box 486, Cherry Lane, Durham, Connecticut 06422, 203-349-8378 or Sheldon Paul, 103 Abbotsford Avenue, West Hartford, Connecticut 06110, 203-527-8009.

—Thomas W. Gorzkowski

HOUMA-THIBODAUX

The Houma-Thibodaux Alumni Club had its first activity of the new year on Saturday, August 29, with a seafood boil at Brother Wayne McElroy's house in Thibodaux. The gathering was open to all undergraduates as they prepared for the upcoming fall semester. In addition, several alumni Brothers and their families were on hand for the social event.

In April the club had its annual business meeting-banquet in Thibodaux with the main order of business being the election of officers. Barry Melancon was elected President, Ricky Cambre was named Vice President, Dwight Deshotels was elected Secretary and Jerry Marcantel was re-elected Treasurer. In addition, the new president named Mark Ledet and Jimmy Bergeron to the Board of Directors and Wayne McElroy will also serve on the Board as the past president.

At the business meeting the club decided to plan four basic activities for the upcoming year: the seafood boil, a potluck supper towards the end of 1981, the regional basketball tournament in March and the business meeting next April.

All the members of the Houma-Thibodaux Alumni Club were honored by the election of Danny LaFont as national Director of Alumni Activities at the Grand Chapter Congress. Danny was an organizer of this alumni club, a charter member and its first president. We know alumni activities are in good hands for the next two years.

The alumni club has established a new address at P.O. Box 2087, NSU, Thibodaux, Louisiana 70310. If any alumni in the Houma-Thibodaux area are not currently receiving the club mailings they should write to the above address.

—Barry Melancon

HOUSTON

Houston's Alumni Association is growing as rapidly as our fair city and, to keep up with the pace, we stay very

busy. Our year started with our participation in the reactivation of the Beta Iota Chapter at Baylor. Brothers Leon Niles, Steve Germaine, Jim Pennington, and Denise Morrison all played roles on the Ritual Team. We enjoyed being part of Baylor's initiation and being able to share in their happiness and Brotherhood. We wish them all the strength and Brotherhood needed to fulfill their dreams and goals.

Brothers Leon Niles and Victor Tabor attended the Grand Chapter Congress in Mackinac Island and we are pleased with all the information and suggestions they brought home with them. In the future, we plan to use their ideas.

Our picnic in Memorial Park with the undergraduate chapter was a huge success. With the end of summer and the beginning of school, it was good to get together before everyone gets too busy. The poker party in September was great even though some people took all the winnings!

With Founders' Day this month, we plan to have a huge celebration party and Brother Mallonee will be in Houston to celebrate with us.

Our fall projects after Founders' Day include the reactivation of Sam Houston and Texas A & M Chapters, more recruiting for our club and many more get togethers. Our happy hour meetings, held every second Tuesday of the month, are always a huge success and a very relaxing way to combine business and pleasure.

Before I close, the alumni club would like to say thanks to Brother Victor Tabor for his help and the great job he did as Regional Director. Without Vic, I wonder who would have picked up the pieces at times. Good luck to you, Vic, with your new job.

If anyone would care to join the Houston Alumni Club, write Larry Karstadt, 3700 Watonga, Apt. 1608, Houston, Texas 77092, or call 681-5065 to find out about our next meeting or upcoming events. We hope all of our fellow alumni clubs are growing and prospering as we are.

—Mary Anne Hamlin

JACKSONVILLE

The Jacksonville Alumni Club had a successful dinner-dance banquet in June. It was held at the Sheraton at St. John's Place where our new officers were installed. Leading our club is President Jim Davis, Vice President Dave

Leininger, Treasurer John Hotes, and Secretary Suzy Rogero.

During the summer we have been planning for the upcoming months. Our main goal is to increase our Brotherhood. We will have many good speakers and activities along with our monthly meetings.

We would like to thank Brenda Elmore for all the hard work and effort she has put into the Jacksonville Alumni Club and wish her the best of luck with her new job in Birmingham, Alabama.

The Jacksonville Alumni Club would like all Brothers in the area to join us. We meet the second Thursday of every month. Contact Suzy Rogero at 904-641-4293 or drop us a line at 3022 Alonso Road, Jacksonville, Florida 32216 for information on upcoming events.

—Suzy Rogero

KANSAS CITY

The Kansas City Alumni Club is currently attempting reorganization. If you are interested, please contact Dennis Sartain at 816-734-8849 or send your name, address, and phone number to Cindi Prier, P.O. Box 483, Gardner, Kansas 66030.

LOS ANGELES-SOUTHERN CALIFORNIA

The Southern California Alumni Club is updating its mailing list. If you are an alumnus residing and/or working in the Los Angeles area and are interested in joining the alumni club, please send a post card with your name, address and telephone number to one of the following Brothers: Leon Garman, 14750 Purche, Gardena, California 90249; Ed Craig, 20921 Margaret, Carson, California 90745; and Steve Senegal, 14025 Jefferson Avenue, Hawthorne, California 90250.

A partial schedule of events for the upcoming year includes the alumni club's annual Las Vegas Night, a Christmas party and assorted meetings and social gatherings. We look forward to meeting all the new alumni Brothers.

—Paul Sitzer

MILWAUKEE

The Milwaukee Alumni Club concluded a most active and interesting 1980-81 year. Five major meetings were

alumni in action

held and are planned again for 1981-82; Sports Night in September, Professional Night in November, St. Patrick's Day Dinner Party, Founders' Day in May and the Summer Theater Party, as well as the third Monday noon luncheons.

At Founders' Day, May 15, 1981, Sandi Poppe of Delta Chapter presented John Schoonenberg, secretary of the Milwaukee Alumni Club, with the "Alumnus of the Year" award for his guidance to the local chapter as well as his years of service to the alumni club.

Receiving Golden Helmet awards at Founders' Day were four members from Psi Chapter: Ralph Kamm, 113, Milton Junction; Bill Aspinwall, 117, Madison; Lewis Dorrington, 174, Fontana; and Berlyn Oestreich, 181, Madison; and two Delta men: Jim Fenlon, 197, Milwaukee and John Doyne, 203, Pewaukee.

Two members, Bill Monroe, Delta 189, Stevens Point and Harold Rehberg, Psi 51, Janesville, were invited to receive this honorary award and were most interested in participating but were unable to attend because of physical restrictions. We hope their conditions improve and that they have good health.

A most enjoyable event that our out-of-town members should plan is a summer visit to Milwaukee that would include the Theater Party held in July. It includes an open bar, a sit down dinner in the delightful faculty dining room in the Marquette Union followed by a play with professional actors in the nearby new Helfaer Theater on campus just steps away. We continue to receive special discount prices and most complimentary comments in every way from those in attendance.

An invitation to join or renew their membership has been extended to over 1,000 Deltasigs living in southern or eastern Wisconsin in the area of the four Wisconsin undergraduate chapters. This is from a Central Office printout arranged by Postal ZIP Codes.

New members will be listed in an addendum to our recently published roster with over 300 listings and will receive a copy of the roster as well as the newsletter that precedes each major event throughout the year. For all Milwaukee Alumni Club information write: P.O. Box 635, Hales Corners, Wisconsin 53130.

—Milton A. Kassner

NEW ORLEANS-CRESCENT CITY

The Crescent City Alumni Club is

alive and well in the greater New Orleans area—during the summer months we did not go on a summer vacation from Brotherhood. Our annual seafood boil was held in June where everyone ate his fill and got down to some dancing afterwards. During the last week in June we took our first trip to the Destin/Ft. Walton area. We owe a special thanks to Mrs. Brown and her lovely daughter for making our rooms available on the beachfront next to each other, especially with our late arrival.

Currently, we are incorporating a social hour or two every other Friday, which we call our TGIF Party. Due to the many establishments in our great city we are trying to make our presence more widely known.

Our second trip to the Ft. Walton area proved to be better than the first trip; nobody got "burnt out."

In August we held our annual picnic; although most of the club was either in Florida or attending the Grand Chapter Congress, the remaining members continued the tradition of good fun. We also

found out that several of our members are very good at throwing a horseshoe around.

For the future, we are looking forward to the city-wide Founders' Day Dance at one of the local hotels and our Hawaiian Party, with later on the ever famous Wine & Cheese Party.

Any Brothers in the Crescent City Area wishing to attend any of our many functions, please feel free to call either Terrell Ford (day) 504-561-4495 or (night) 504-885-9488, or Kenny Verges (day) 504-245-1600 or (night) 504-486-8014.

We the Brothers of The New Crescent City Alumni Club are ever increasing our activities and will continue to provide an active alumni club to all Deltasigs in the greater New Orleans area.

—Terrell F. Ford

NEW YORK-METROPOLITAN

The New York-Metropolitan Alumni

Sandi Poppe presents John Schoonenberg, secretary of the Milwaukee Alumni Club, with the Alumnus of the Year award presented by Delta Chapter at Marquette.

alumni in action

Club continues to grow in its first year of existence. We were represented by a delegation of seven at the Grand Chapter Congress in August, including 1981 Undergraduate of the Year Albert S. Gordon. The alumni seminars at the Congress proved to be very constructive and we have already implemented some of the ideas picked up there into our club operations. The "New York spirit" was very much in evidence at the Grand Chapter Congress Banquet and throughout the week in the infamous East Lobby of The Grand Hotel. On the way home from Michigan, we joined the undergraduates from Theta Upsilon and

Zeta Psi Chapters and Beta Alpha Upsilon Colony in a road trip to Toronto and Niagara Falls that still has some customs agents and motel owners shaking their heads.

Since our return, we have sponsored a series of activities to help our members get to know each other better. In addition to our regular business meetings, we enjoyed a night out at Yankee Stadium on September 25 and a road trip to Atlantic City on October 3. Happily, no personal bankruptcies have been reported as a result of the latter activity.

The New York alumni have taken par-

ticular interest in the activities over at Beta Alpha Upsilon Colony at Adelphi University in Garden City, New York. Several Brothers have already visited the colony and offered help and advice to our future Brothers there and we look forward to the installation of this chapter sometime in the late winter or early spring.

We are always on the lookout for Brothers in the New York area who are interested in getting involved in our club or who are looking for further information on what we're all about. So, if that means you or someone you know, please contact Steve Kuptsis at 516-593-1585 or Maureen Vanacore at 516-731-6571. Also, if you're passing through town or stopping in for a visit, give us a call and say hello!

—Steve Kuptsis

NORMAN-OKLAHOMA CITY

Well, we are proud to announce that the Norman-Oklahoma City "Frontier Country" Alumni Club was officially chartered during July. Our initial membership is 14 and we are busy accumulating the names of additional interested alumni from in and around the Norman and Oklahoma City areas.

Elected as officers for the club are Gina Burns, President; David Oliver, Vice President; Kyle Thomas, Secretary; and Jim Burns, Treasurer.

Meetings are scheduled to be held on the third Saturday of each month and we hope to keep the gatherings as enjoyable as possible. So far, we've held a wine and cheese party and plans are underway for several more functions including a monthly luncheon for alumni working in the downtown Oklahoma City area and possibly co-sponsoring a few functions with the Beta Epsilon Chapter at the University of Oklahoma.

The Norman-Oklahoma City Alumni Club was founded pretty much from scratch, so if you were a member of the old Oklahoma City Alumni Club and were overlooked or if you just graduated or just moved into our area and are interested in joining, please give us a call. We'll be glad to hear from you. Call Gina or Jim Burns, 360-0864; David Oliver, 943-8284; or Michael Marcotte, 329-8069.

—Michael Marcotte

NORTHWEST INDIANA

Greetings from the Northwest Indi-

New Orleans-Crescent City Alumni Club members journeyed to Destin, Florida, for sun and fun.

alumni in action

ana Alumni Club. It has been a very busy and exciting summer for us.

Our annual golf outing in July was very successful. As usual it was hot out there, but we all managed to keep ourselves cool. This year many of the Brothers managed to make it to the 18th hole.

In early August we had our annual picnic at the Lake of the Four Seasons near Valparaiso. Many of the undergraduate Brothers from Indiana University Northwest attended. As usual a lot of pictures were taken and I'm sure many of our female Brothers will be interested in seeing them.

We capped off our summer activities by attending the Grand Chapter Congress. We all enjoyed the food at the hotel, but our first stop after leaving the island was Burger King.

Anyone interested in joining the Northwest Indiana Alumni Club, please contact Gary Crum at 219-484-1541. Looking forward to seeing you the coming year.

—John V. Henik

PHOENIX-THUNDERBIRD

The Phoenix-Thunderbird Alumni Club has been alive and well in the Valley of the Sun.

We continue to hold luncheon meetings on the third Wednesday of every month, currently at the uptown Arizona Club. The brief programs usually consist of a speaker. Carl Brown has done his usual excellent job of arranging for these programs. Please contact him if you have any ideas or want to participate.

Vice President-Finance Jon Davis planned a wine tasting party in June. All those in attendance enjoyed the cheese, bread and, of course, the vino! Six varieties were tasted and a speaker was present to provide us with lots of information.

Interest has been expressed for a repeat of last year's popular Casino Night. Other upcoming activities include International Dinner Nights, a Day at the Races and the 74th Anniversary dinner in November. Stay tuned to the newsletter for details.

Once again, Arizona was well represented at the Grand Chapter Congress, with a total of 11. I was proud to represent the Alumni Club as your delegate. Linda Vawter represented the Old Pueblo-Tucson Alumni Club and Leon Heidgen the Sun City-Roadrunner

Alumni Club. Maynette More joined us from Chicago and Theresa Jeszka, Bob Hamer, and Bill Leonard were there. All three undergraduate chapters had delegates in attendance. The Arizona delegation hosted a successful Margarita Party at which everyone appeared to enjoy themselves. This was the fifth year in a row for this tradition.

The next Grand Chapter Congress will be held in Denver in 1983. Since that is so close I expect all of you to be there! So much is learned through interaction with other Brothers and especially in the seminars.

In closing, I want to call on all Brothers in the Valley to renew your lifetime commitment to Delta Sigma Pi. Pay your dues and be an active member of *your* alumni club. We'll take you no matter *how* active you can be! Please call me at (Work) 957-7515 or (Home) 953-3776 for information, or write us at the P.O. Box.

If anyone comes to the Phoenix area to visit, we would love to see you.

—Laurie Gail Senko

PITTSBURGH

The Pittsburgh Alumni Club kicked off the 1981-82 year with a business meeting held at Gustine's on June 23. The main item on the agenda was the election of officers and this was easily resolved since all officers were re-elected. Retained for another term were: Don McCormick, President; Bill Stark, Vice President; Ken Boronyak, Treasurer; and Tim Babik, Secretary and DELTASIG correspondent.

Ed Will was re-elected to a one-year term on the Board of Directors, rejoining Herb Finney and Bernie Michalek whose terms were not up for election this year.

At that meeting, we learned of the resignations of Executive Director Ben Wolfenberger and Assistant Executive Director Mike Tillar. We certainly appreciate the many years of fine service that Ben and Mike gave to the fraternity and we wish them well in their future endeavors. We also extend our congratulations to the new Executive Director, Michael Mazur, Jr., and wish him good luck as he begins his tenure at The Central Office.

Special events already scheduled for this year include a dinner celebrating Founders' Day and a Sunday afternoon gathering later this month to have lunch and to watch one of the Steeler

"away" games in the comfort of a local establishment. We are hoping to have good turnouts for both events.

Our monthly luncheons have resumed after the traditional summer break. As he has done so well for several years, Bill Dawson continues to handle the arrangements with very capable help from John Cook and Jim Elderkin. The luncheons are held on the third Monday of each month at the Engineers' Club in the William Penn Hotel. All Brothers are most welcome to attend. For up-to-date information on speakers and arrangements, call Bill Dawson at work, 391-0500 or at home, 363-4711.

We remind all Brothers who have not yet done so to remit their dues. We also urge you to take a few minutes and complete the survey which was included with the dues notice. This survey should be a valuable tool which the officers can use when planning future events. If you did not receive a dues notice and/or survey or are new to the area and wish to find out more about the alumni club, contact Don McCormick, 105 Parliament Drive, Coraopolis, Pennsylvania 15108, 412-264-1889, or 562-4272 at the office.

—Tim Babik

ROCHESTER

The Rochester Alumni Club continues to progress in terms of activity and membership. During the past year we had several social events, culminating in the annual family picnic, which was attended by more than 30 alumni and their families. As a result of our annual membership campaign, we have over 20 members, including one long distance member. Our goal is to double this number before the end of 1981.

Our program for 1981-82 includes a theatre party, a Christmas party and another social event later in the winter. A series of professional events and other projects has been proposed in the interest of more effective interaction among Deltasigs, both undergraduate and alumni, and between the fraternity and the business community.

The club was represented at the 33rd Grand Chapter Congress, where an excellent opportunity was provided to view alumni activities from various perspectives. Although the Rochester Alumni Club is relatively small, its potential is great. There are more than 300 Deltasig alumni in the Rochester area representing undergraduate chapters from

alumni in action

Cal Expo race track was the scene of the third annual Night at the Races event for members of the Sacramento Alumni Club.

all over the United States.

We extend a cordial welcome to all Deltasigs in this area to become active members of the Rochester Alumni Club.

—William E. Beatty

SACRAMENTO

The last activity of the Sacramento Alumni Club for 1980-81 was the Third Annual Night at the Races. This event was held at the Cal Expo race track during the trotting races. Over 20 persons attended this event which included admission to the track and the exclusive Turf Club as well as a delicious buffet dinner. All who attended had a very good time.

A planning meeting was held during September to develop the calendar for 1981-82. Currently under consideration are a Christmas party, professional affairs, a wine tour, a progressive dinner, a Night at the Races, community service projects, etc.

New officers for the 1981-82 year are: Chip Dunavent, President; Mary Nowell, Vice President; Walter Barnes, Secretary/Treasurer; and Norm Burke, interfraternity relations.

Anyone in the Sacramento Area is invited to contact us for any assistance or fellowship. Also, we have a regular luncheon meeting on every non-holiday first Tuesday of every month. It is held between 11:30-1:30 at the Old Spaghetti Factory at 1910 J Street in downtown Sacramento. No reservations are needed—just drop in.

—Walter Barnes

ST. LOUIS-GATEWAY

The St. Louis-Gateway Alumni Club has started this year with gusto. Newly elected officers are: President, Brother Dan Wrigley; Vice President-Activities, Brother Rick Shindel; Vice President-Recruiting, Brother Frank Weber; Secretary, Brother Jim Winston; and Treasurer, Brother Dan Hanley.

Our activities included a float trip with the Eta Sigma Chapter of Southern Illinois University, Edwardsville. We followed this excitement with a water-slide activity night. A tour of the National Museum of Transport was planned for September. In October we had a walking (staggering?) tour of a nearby winery. Founders' Day was a big event for us this year as we shared the day with our Brothers of Eta Sigma Chapter. If you like being on television and talking—join us in December as we man the telephone banks for our local educational station (Channel 9, KETC-TV). In January we will celebrate the new year with a Super Bowl party and card party.

All of this is only the beginning; the spring and summer activities have not been announced. If you live in the St. Louis area and would like to join in some of our activities, drop us a line or give us a call. Our club is bigger and promises to be even better this year than it was last year.

—James C. Winston

SAN ANGELO

The Alumni Club of San Angelo is alive and well! We recently completed our quite successful 2nd Annual Golf Tournament and Bar-B-Q. Several Brothers, spouses and children enjoyed a hearty meal of brisket, ribs and sausage prepared by Twin Buttes Grocery. The cookout was served at Stuart Shelton's lake house to about 55 people. Beautiful Lake Nasworthy proved to be a perfect complement to a most delightful evening.

The next morning 32 golfers teed off for the start of the Golf Tournament. Several Brothers from as far away as Houston and Dallas came to join their Brothers at this annual event. First place went to Darrell O'Neal and Mike Wheeler, second place to Billy Ratliff and Danny Matthews and third was captured by Lester Turner and Andy Dillon. Many of the alumni expressed compli-

ments at the handling and organization of the Tournament and Bar-B-Q and plan to return again next year.

Largely through the work of this year's officers, our alumni club mailing list has been vastly updated to include well over 200 Brothers of Delta Sigma Pi. If you live in the San Angelo-West Texas area or are an alumni Brother of the Eta Theta Chapter at Angelo State and did not receive Golf Tournament information, please correspond with us in order to be added to our mailing list. Send your name, address and chapter affiliation to: San Angelo Alumni Club, Box 5674, San Angelo, Texas 1-(76902-5674).

We all wanted "Homecoming '81" to be a big event for all ASU Deltasig alumni. Homecoming was October 24 this year and the Ram football team played Howard Payne University. We hope your plans to come to San Angelo that weekend and visit with old friends were successful.

The alumni club especially would like to thank its group of officers for the year on a job well done. These are Robert Morse, President; David Largent, Vice President; Vance Jones and Jimmy Reich, Treasurers; Randy Harbin, Chapter Correspondent and Carl Watson, Secretary. Robert and Vance are leaving San Angelo to pursue other job opportunities and we wish them the best of luck.

—Carl F. Watson

SHEPHERDSTOWN

The Shepherdstown Alumni Club is enjoying another outstanding year of accomplishment and Brotherhood. Our 20th Anniversary celebration of Epsilon Kappa Chapter held earlier this year in beautiful and historic Harpers Ferry, West Virginia, was a gala event which received tremendous support from our alumni club and reunited many "lost" Brothers. We hope to see more of these old "new" faces in the future.

In addition to our regular monthly meetings, in July we held our traditional summer picnic at Brother Printz's farm in Shepherdstown in conjunction with Epsilon Kappa Chapter (when will the tennis courts and swimming pool be ready?). Following the picnic was the Grand Chapter Congress at Mackinac Island where our alumni club was well represented.

We would like to take this opportunity to wish Brother Printz continued success upon his retirement from Shepherd

alumni in action

College. Professor Printz is one of the founding fathers of Epsilon Kappa Chapter and he has actively participated in and supported the fraternity for over 20 years. We expect to see even more of Brother Printz in the future!

We would also like to wish Brother McCracken a speedy recovery, so the next article here will reflect his usual professional flair.

The Shepherdstown Alumni Club has a full schedule of meetings and events planned. All Brothers in the Shepherdstown area are invited to join us in activities. Write to us at Box 238, Hagerstown, Maryland 21740 or call Brother Bob Grim at 301-655-8926.

—Bruce Myers

TAMPA-TAMPA BAY AREA

Tampa Bay Alumni Club entered its third year by installing new officers to direct the club for 1981-82. The new officers are as follows: Megan Poucher, President; Paul Frensdahl, Vice President; Gerard Herrero, Treasurer; and Jody Green, Secretary. Also, Brothers Vince Bundy and Bill Cooper were installed as new directors. With this leadership, we are confident that success will be evident as it has been for the past two years.

August proved to be very fruitful for the Tampa Bay Alumni Club, when Golden Helmet Cecil V. Gary represented the club as delegate at the 33rd Grand Chapter Congress. Our direction and year's program were further strengthened and improved.

We look forward to expanding membership throughout the remaining winter months with programs that will interest everyone. Various programs include a grand Founders' Day celebration; our annual tax planning seminar; an evening of dining and theater to celebrate the holidays; and actively participating in and supporting the activities of both undergraduate chapters. Of course, the third Wednesday of each month we continue to meet casually after work at the new Marriott Hotel.

Congratulations are extended to Epsilon Rho Chapter, University of Tampa, for receiving the National award for "Most Improved Chapter 1981." This was a well deserved award and we wish them continued success. Also, congratulations to Loren A. Poucher, South Atlantic Regional Director and Daniel W. LaFont, Director of Alumni Activities. The Tampa Bay

Alumni Club and the region can only benefit from their leadership and dedication.

Special congratulations go to Brother Beth Thomas Crawford, who on September 12, 1981, merged with Stephen M. Crawford. May the Tampa Bay Alumni Club express its appreciation to Beth for her service to our club throughout the past two years. Best of luck to Beth and Steve!!!

If any Brother in the area wishes to participate in any of the Tampa Bay Alumni Club activities, please contact Tampa Bay Alumni Club, P.O. Box 24884, Tampa, Florida 33623, or call Megan Poucher 813-985-5060.

—Megan Poucher

rently is operator of the newly installed word processing system. The Burroughs Redactor II System has proven to be a tremendous saver of staff time and Bev, in conjunction with the Executive Staff, is regularly discovering new applications for this equipment. She also serves as receptionist and assists in other departments as needed.

JULIE A. LAWSON and **CONSTANCE J. BIGGS** have each been on the staff in the secretarial area for three years. Julie is responsible for handling the dictation of all Executive Staff members as well as filing of all correspondence. She assists in other areas as needed and devoted particular attention to Grand Chapter Congress registrations over the summer. Coni also types dictation for Executive Staff members. In addition, she has the responsibility for all reservations and shipping of regalia, prepares all membership and Life Membership

certificates and identification cards, and distributes all certificates to chapters and individuals. She also coordinates initiation records among the accounting area, records maintenance area and the permanent membership files.

ELIZABETH R. SHEARD joined the staff in 1963 and is responsible for the membership, magazine distribution and vendor records area. Betty handles in excess of 20,000 address changes per year in addition to the records added for newly initiated members. She also handles all bulk mailings which require sorting by ZIP Code. Over 60,000 individual pieces of mail left The Central Office during the 1980-81 year alone.

MARJORIE J. WISECUP and **SHARON BOURNE** comprise the staff in the accounting department. In 1973, chief bookkeeper Marge joined the staff in the secretarial area, but soon displayed a talent for financial matters. She handles all financial record-keeping functions including the General Fund and the National Endowment Fund. These records include all chapter dues and

initiation fees, Life Membership receipts, alumni dues and contributions. She also administers payroll and disbursement functions including the preparation of various governmental and internal reports. Marge is assisted by Sharon who has been on the staff since 1978. Sharon maintains all Life Membership records and processes all orders for chapter supplies, insignia and jewelry.

Keeping The Central Office building and grounds spotless is **WINFORD COMBS** who has maintained the facility since 1968. Winford also maintains a full-time supervisory position at Miami University.

Pride, dedication and productivity have earned The Central Office of Delta Sigma Pi and its staff high regard in the fraternal world and within our own fraternity. We invite you to visit whenever you are in the area; we are proud of the operations in Oxford and wish for you to share in this pride through a personal visit. The Central Office is your service center and your staff is ready, willing and able to serve you.

CUT AND MAIL TO: Delta Sigma Pi, 330 South Campus Avenue, P.O. Box 230, Oxford, Ohio 45056-0230

DELTA SIGMA PI APPLICATION FOR LIFE MEMBERSHIP

Name _____ Chapter and Number _____

Address _____

City, State and ZIP Code _____

Enclosed is my check for \$ _____ to pay () part, () all of my Life Membership.

- _____ Alumnus (\$75.00)
- _____ Undergraduate (20% Discount-\$60.00)
- _____ Undergraduate and CEI Discount (Total 30% Discount-\$52.50)

I understand that if this is a partial payment, consecutive monthly payments of \$10.00 or more will be made until the balance is paid in full. Each time a payment is received at The Central Office, a statement for the remaining balance will automatically be sent to me. I will keep The Central Office apprised at all times of my current address.

Brother of the Biennium

GM Chairman Roger B. Smith chooses horse and buggy setting of Mackinac Island to address the issues of clean air and the future of the American automobile industry.

One of the highlights of the 33rd Grand Chapter Congress at The Grand Hotel on Mackinac Island was the impressive and memorable Ritualistic initiation of Roger B. Smith, Chairman and Chief Executive Officer of the General Motors Corporation as our 19th National Honorary Member.

Born in 1925 in Columbus, Ohio, Mr. Smith received the B.A. degree in Business Administration from the University of Michigan in 1947. In 1949, he received a Masters degree in Business Administration also from Michigan.

Immediately after graduation, Mr. Smith joined General Motors as a member of the Comptroller's staff. In 1958, he became Director, General Accounting Section, and, in 1960, was transferred to the Treasurer's Staff in New York as Director of the Financial Analysis Section. After several promotions, he was named Treasurer in 1970 and was elected as Vice President in charge of the General Motors Financial Staff, and a member of the corporation's Administration Committee.

In 1974, after serving for two years as Group Executive in charge of the Nonautomotive and Defense Group, Mr. Smith was elected to the

position of Executive Vice President responsible over the operation staffs, public affairs and finance groups. He was also elected to the Board of Directors at this time. On January 1, 1981, Roger B. Smith was elected Chairman and Chief Executive Officer of General Motors and Chairman of the corporation's Finance Committee.

Following Mr. Smith's initiation, he was featured speaker at the 33rd Grand Chapter Congress Banquet. Certainly a highlight of the evening was Mr. Smith's address to his new Brothers in Delta Sigma Pi. The text of that address follows:

It's certainly appropriate that we're meeting at The Grand Hotel tonight, because this is a very grand honor indeed.

Somehow I missed out on the Deltasig experience when I was a U. of M. business student back in the 40's. But I feel I'm really making up for lost time tonight by becoming your newest National Honorary Member.

It's a tremendous tribute and I'm deeply grateful. There's also a special significance for me because the late Ed Cole received this same honor in 1969. Ed was a good friend and

a fine president of General Motors—I'm proud to be following in his footsteps.

Your 1969 meeting, of course, was also held right here on Mackinac Island. And it's easy to see why you've come back.

This magic island has an appeal all its own and it's been beckoning Michiganians north for years—back in nostalgia, back to its horse-and-buggy streets of days long gone by.

But in case those pre-automobile days begin to look a little too good to you, I think I ought to point out that a life without cars isn't exactly sweetness and light. Neither is it particularly inexpensive.

In fact, some of the people here on the island who know about these things say that just the initial investment for a current-model horse, carriage and related equipment—plus a year's operating costs—can easily run to \$10,000 or more. And that doesn't include the expense of handling the emissions problem.

So for that reason alone—not to mention the price of oats—I'm recommending that you forget about horses and look instead at a "horseless carriage," one of the fine American cars we're making down in Detroit and around the country.

National Honorary Member Roger B. Smith, center, was presented with his certificate of membership in Delta Sigma Pi by Grand President Michael R. Mallonee, left, and Executive Director Michael J. Mazur, Jr.

In all seriousness, we have a whole line of exciting new 1982 GM models coming on the market beginning this fall.

That will be in addition to our 1982 "J"-cars that came out this spring. And we also have some outstanding values in '81s at our dealerships right now.

As you can tell, I'm pretty high on these cars. I'm equally high on our domestic auto industry.

For the record, our U.S. auto companies are now making a good comeback from the events of the past several years. We are steadily taking the steps to increase our strength against the competition, especially the foreign competition. And the results are showing up on the bottom line.

This past quarter saw all three of our major U.S. carmakers report a profit for the period. In GM's case, we earned \$515 million. It was our third consecutive profitable quarter.

GM profits are still not up where they need to be to fund our massive capital investment program. But we're continuing to push ahead with investments in new products, plants and technology. And with other domestic automakers doing the same, we're helping to remake the entire

industry.

It is becoming tougher, it is becoming stronger, it is becoming smarter than ever before. We'll be more competitive here at home and we'll be more competitive in the worldwide auto marketplace. Our whole orientation now is international. And, as we've increasingly looked for opportunities beyond our shores, we've seen the industry become internationalized faster than any of us expected just a few short years ago.

The agreement GM announced with Suzuki Motor Company last week is a prime example. Suzuki is a Japanese company—the world's largest manufacturer of mini vehicles. GM has now acquired part interest in Suzuki and our two companies plan to develop future supply and distribution arrangements for our mutual benefit. These arrangements could involve both vehicles and components.

Other U.S. auto companies have also linked up with foreign producers in recent years.

So, for the business student or other college graduate who's looking for a real challenge in the international marketplace, the U.S. auto industry is clearly one good place to

be. We're increasing automation in our plants. We're computerizing our vehicles. In fact, the technological challenges in our industry are greater than they've ever been before. And the opportunities to get in there, to solve problems, to reap rewards, are just outstanding. So you're invited.

But whether you work in an auto company or not, the truth is that this is an exciting, challenging time to be a part of any American business. For years we business people have been talking about the kind of action we'd like to see in Washington: action that would lift some of the restraints on business; action that would give us new incentives to perform and action that would stimulate new economic growth and development throughout the country.

Well, finally, under President Reagan, we're beginning to get that kind of action: some of the unnecessary regulation that's had a stranglehold on industry is being phased out. Excessive government spending that's thrown our economy out of kilter is being held down. Needed tax reforms aimed at stimulating the economy have been adopted and will soon take effect.

“ . . . our U.S. auto companies are now making a good comeback from the events of the past several years. We are steadily taking the steps to increase our strength against the competition.”

As the President himself said a few weeks ago, “America now has an economic plan for her future.” He later added that the plan amounted to an “agenda for prosperity.”

Very clearly the President’s plan and the country’s future prosperity depend on the performance of American business. Treasury Secretary Donald Regan went to some lengths to point that out in a recent speech he made before the U.S. Chamber of Commerce. This is what the Secretary said: “We can get the bills through Congress. We can get the President to sign them. But then, business has to take over, and it’s American business that’s going to make our program succeed or fail . . . American business has to get out there and be productive.”

That’s exactly what we want to do.

And something that’s clearly going to help us in the auto industry—and in other industries throughout the country—is a rational revision of the Clean Air Act. As you know, authorized funds

for the act are scheduled to expire this year, so Congress must act soon. And I just can’t think of a better place to talk about clean air and the need to preserve it than right here on Mackinac Island. Here, “the cleanest air in the world” is a major attraction.

To keep our air clean, there is absolutely no question that the country needs to have legislation on the federal lawbooks. We know from experience that market forces will not provide the urban air quality that Americans want. It’s just not the same kind of thing as energy conservation. In conservation, consumers voluntarily hold down their fuel costs. Acting in their own self-interests, they help us achieve this vital national goal. In the case of clean air, however, you’ve got to have legislation.

And the legislation we’ve had has been effective. There’s no question about that. By nearly every measure, the air is cleaner today than it was in 1970 when the Clean Air Act was written. And frankly, a lot of credit for this should go to the auto industry. We’ve made more progress than anyone else in reducing pollution.

Furthermore, the basic framework of the 1970 legislation is sound. But with Congress about to reauthorize the act, it would be a mistake if we didn’t try to improve it—to bring it up to date, to streamline it. This done, we would continue to have clean air. But, at the same time, we’d cut red tape; we’d reduce expenses. Make no mistake about it, the expenses are considerable.

For starters, how does \$118 billion strike you? That’s the estimate of how much we spent in the 1970’s in this country on cleaning up the air. That enormous figure works out to \$2,100 for every family of four in America. Everyone paid their share of that—whether they were aware of it or not.

Clean air is not free—not in a modern, industrialized, mobile society like ours. In fact, it’s estimated that the Clean Air Act could cost us three times as much in the 1980’s.

By applying a little more common sense, we think we can have clean air for less cost. We can do the cleanup more effectively and with-

out so much waste and duplication of federal, state and local efforts.

Now please understand, we agree with the Reagan Administration that cost should not be considered in setting air quality standards. The standards should be set to protect against unreasonable risks to human health—period. But, at the same time, we believe it is essential to consider costs in determining how to meet the standards—that is, how much control is needed of various pollution sources.

An improved Clean Air Act should take account of these comparative compliance costs.

It should also take account of all we’ve learned about air pollution in the last decade.

Experience has shown us, for instance, that national air quality standards have been set with large margins of safety. Some of the original deadlines for achieving the standards were too ambitious. Given

“Experience has also shown us that the scientific data and analyses used to set the original air quality and emissions standards were sketchy and even wrong in some cases.”

the large margins of safety involved, rushing to meet the national standards has been unnecessarily costly. It has also sometimes disrupted people's lives and the economy. It has held down our productivity just when the good of the American people depended on higher productivity.

Experience has also shown us that the scientific data and analyses used to set the original air-quality and emissions standards were sketchy and even wrong in some cases.

Setting realistic and attainable goals—based on all the new discoveries we've made over the past 10 years—seems like common sense to us. The National Commission on Air Quality apparently agrees. This independent group was set up by Congress to review air quality issues. It recently suggested that all deadlines be removed from the legislation. At GM, we don't go quite that far. But we do know what is important is that we continue to make progress. The rate of progress will vary from place to place, depending on all the things that influence air quality. But progress will be made. It must be made.

An improved Clean Air Act should help by changing the way it regulates compliance. The present act relies mainly on penalties for those who fail to comply with the standards. We believe incentives to get people to comply might work better in some cases. In other words, we'd like to see more of a combination of the carrot and the stick approach.

Our position, in brief, is simply this: at General Motors, we're convinced we can maintain clean air while still achieving some of our other high-priority national goals. We can do the job more effectively and with less bureaucratic red tape. We can have clean air and "get out there and be productive," as Secretary Regan has directed. That doesn't mean scuttling the Clean Air Act nor abandoning the progress that's been made. It does mean taking the time and effort needed to improve the legislation.

Fortunately, some helpful proposals are already emerging from the White House and from Capitol Hill. They would provide a sound framework for developing the kind

"If Congress should delay action on the Clean Air Act until next year . . . we estimate that it could cost buyers of GM's 1983 model cars nearly as much as a billion dollars a year."

of rational and reasoned legislation that we need. One of these proposals is House Bill 4400, introduced by Representative Bob Traxler of Michigan and Representative Bud Hillis of Indiana. This is a bi-partisan bill which deals effectively with "mobile-source" issues, or that part of the Clean Air Act that relates to cars. The second proposal is the Reagan Administration's announcement of the basic principles it will follow in seeking to renew and improve the Act.

Both the Traxler-Hillis bill and the Administration principles call for slight revision in two of the three vehicle emission standards contained in the Act. These revisions would allow us to remove some of the hardware from our cars without jeopardizing achievement of the national air quality standards.

But the clock is running. When production of our 1982 models is fully under way this fall, GM alone will be building more than 19,000 gasoline-powered passenger cars every working day for sale in this country. Each of them has an average of about \$725 worth of emission-control hardware reflected in its sticker price.

The sooner Congress acts, the

sooner we can begin to make the engineering and production changes necessary to take some of that equipment off. We can't take it all off, of course. Nor do we want to. Some of it we'll retain because it helps improve fuel economy, drivability, and cold-start performance. But we might be able to remove some \$300 worth from our base cars.

Whatever we can remove will be reflected in sticker-price reductions—and it will be done as quickly as possible. Lead times are long in our business, so we urge Congress to act positively—and quickly—to make these revisions.

We believe they are reasonable and warranted by the greater scientific understanding of these two pollutants that we've gained over the past 10 years.

If Congress should delay action on the Clean Air Act until next year—as has been suggested in some quarters—we estimate that it could cost buyers of GM's 1983 model cars nearly as much as a billion dollars a year.

In our opinion, both the House bill and the Administration principles are moderate and reasonable initiatives. Together, they advance the concepts that can help Congress develop and pass a comprehensive new bill this year. Such a bill would amend the present Clean Air Act in both stationary and mobile-source areas. It would make the Act work better, more effectively, without reducing its benefits.

We feel so strongly about the concepts endorsed by Traxler-Hillis and by the Administration principles that we're writing key groups of our stockholders this week and asking them for their support. We're asking them to get behind these initiatives and to write their congressmen about them.

I hope that my new Brothers in Delta Sigma Pi feel as strongly about this as we do.

Here on Mackinac Island—and back in your hometowns around the country—we need clean air and a productive business sector. And I hope you will join with us in trying to make both of these good and desirable things happen by expressing your support.

Thank you very much.

bits and pieces

personal mention

Carlos J. Arboleya, Jr., *Miami-Florida*, is now a Realtor-Associate in the organization of Alicia Cervera, a Registered Real Estate Broker, in Coconut Grove, FL.

Robert N. Renicker, *Louisiana Tech*, has a new position as Manager with Arthur Young & Company in Tulsa, OK.

George R. Brooks, *Georgia State*, has been promoted to Vice President and Controller with Robinson-Humphrey, Inc., a Southeastern Regional Brokerage Firm, with corporate office in Atlanta, GA.

Victor A. Tabor, *Louisiana Tech*, has a new position as Accounting Supervisor with the Mitchell Energy Corporation, in The Woodlands, TX.

Patrick J. Sheehan, Jr., *DePaul*, has a new position as Internal Auditor with Marsh & McLennan, an insurance brokerage and risk management firm in Chicago, IL.

Wilfrid L. Hufton, *Michigan*, has been elected President of the Board of Trustees of Hospice of Saginaw, Inc., in Saginaw, MI.

Robert F. Domagala, Jr., *Illinois-Urbana*, has a new position as Investment Manager with the American Security Bank in Washington, DC.

Edward Berry, *Loyola-Chicago*, is now a Sales Representative with the Savin Corporation, Copiers, in Alsip, IL.

Jon Paul Smith, *Texas-Austin*, is a Vice President with Unity Power Systems of Houston, in Cypress, TX.

Stephen J. Wlodarski, *Lewis*, is a municipal note trader with the First National Bank of Chicago, IL.

Frank G. Zubricki, *Loyola-Chicago*, has a new position as buyers' clerk with U.S. Steel in Chicago, IL.

Stan D. Bien, *Ferris State*,

is now Senior Program Accountant for Financial Management-Project & Contract Services at the Michigan Department of Public Health in Lansing, MI.

Gilbert R. Renfrow, *Louisiana State-Baton Rouge*, has been promoted to Field Engineer Pipeline Operations with the Coastal Corporation in Corpus Christi, TX.

George F. Buchanan, *Auburn*, is now Director of Production Planning for Flo-Con Systems, Inc., in Champaign, IL.

William A. Howell, III, *Troy State*, is the District Office Attorney for the Birmingham District Office, U.S. Small Business Administration, Birmingham, AL.

Richard A. Kelly, *Columbus*, is a Production Planner for the Oster Division of Sunbeam Appliance Manufacturer in Dayton, TN.

Brant Matz, *Southern Methodist*, has now incorporated DBA Matz and Associates, Inc., and has moved to Houston, TX. He is continuing his work in real estate and oil and gas investments and brokerage.

Michael R. Sandoval, *New Mexico*, was recently sworn in as a member of the Oregon State Bar and is an associate with the Portland law firm of Spears, Lubersky, Campbell and Bledsoe.

Charles E. Glynn, *Minnesota-Minneapolis*, is a Controller for the Lynn Stewart Company, an Importer/Wholesale Distributor located in Chicago, IL.

Theodore J. Seiter, Jr., *C. W. Post*, has been elected Treasurer of the Metropolitan Chapter of The Hospital Financial Management Association. Brother Seiter is Vice President-Finance of the Church Charity Foundation of Long Island, health care arm of the Episcopal Diocese of Long Island, NY.

Allen J. Paneral, *DePaul*, has been selected by the Bureau of National Affairs, Inc., a world-wide business publishing company, to be a member of its 1981-82 Per-

sonnel Policies Forum, to assist in reviewing and evaluating prevailing industry personnel policies and trends in a wide range of personnel areas.

Don W. Davis, *Southern Mississippi*, has received the "Employee of the Year" award from Advanced Health Systems. He is General Manager of Management Services, Midwest Division of Advanced Health Systems, in St. Louis, MO.

Paul W. Sweet, *SUNY-Buffalo*, has been named Vice President for Finance at Children's Hospital in Orchard Park, NY.

Herbert V. Prochnow, *Wisconsin-Madison*, has recently retired as Director of the Herbert V. Prochnow School of Banking, recently renamed in his honor by the Trustees of the Graduate School of Banking of the University of Wisconsin.

H. H. Mitchell, *Alabama*, has accepted the deanship of the College of Commerce and Business Administration at the University of Alabama, effective August 1, 1981. Prior to accepting this post, Brother Mitchell had served as Dean of the College of Business at Virginia Polytechnic Institute and State University since 1961.

Anthony Z. Fernandez, *Northwestern-Beta*, has been appointed Corporate Manager, Equal Employment Opportunity, with Brunswick Corporation in Skokie, IL.

Billy J. Donaldson, *Columbus College*, has a new position as a computer programmer/analyst with Atlantic Steel Company in Atlanta, GA.

Foundation Announces 1981 Awards

Serving the financial needs for the education of Deltasigs and their descendants since 1952, the Delta Sigma Pi Educational Foundation proudly presents the 1981 recipients.

Recipient of the 1981 Graduate Study Grant sponsored by the Delta Sigma Pi Educational Foundation is Brother John Robert Dowling, a member of Beta Psi Chapter at Louisiana Tech University at Ruston. His undergraduate major was accounting, and he ranked first academically among accounting majors in the Class of 1981 with a 3.975 GPA.

John plans to pursue the degree of Master of Professional Accounting at Louisiana Tech this fall.

Winners of the Delta Sigma Pi Educational Foundation four-year undergraduate scholarships are Lee Ann Ritter of Marietta, Ohio and Olivia S. Rush of Marble Falls, Texas.

Miss Ritter, a graduate of Marietta High School, plans to major in accounting at Miami (Ohio) University. She is the first recipient of a Delta Sigma Pi Educational Foundation scholarship qualifying by having a brother as a member of Delta Sigma Pi. Her brother, Roy C. Ritter III, served as treasurer of Alpha Upsilon Chapter at Miami. She

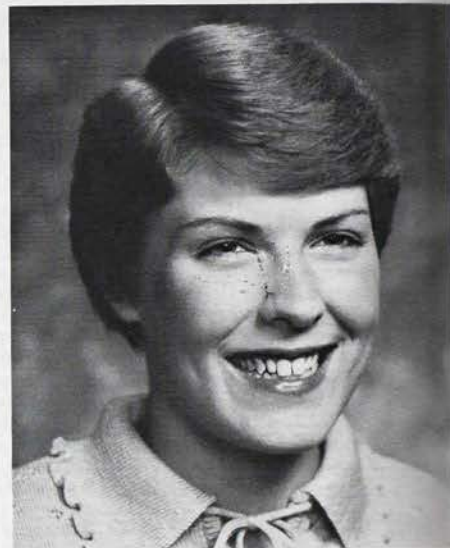

is the daughter of Roy C. and Alice Ritter. Mr. Ritter is an employee of Union Carbide Corporation and Mrs. Ritter is a registered nurse. Lee Ann maintained a 3.82 GPA at Marietta High School and was a member of the marching and concert bands, National Honor Society and the French National Honor Society.

Miss Rush, the daughter of Mr. and Mrs. Jere K. Rush, was graduated from Marble Falls High School where she was president of the Junior Honor Society and president of the FFA debate team. She is a former member of the Rainbow Girls masonic organization. Her interests include swimming and riding her horse, Strawberry. She has worked part-time for a newspaper and a church day-care center. She is a member of the First Baptist Church of Marble Falls. She plans to major in marketing at the University of Southern Mississippi where her father was a member of Gamma Tau Chapter.

Applications for the Class of 1982 Scholarships are found elsewhere in this issue.

John Robert Dowling

Lee Ann Ritter

Olivia S. Rush

**DELTA SIGMA PI EDUCATIONAL
FOUNDATION SCHOLARSHIP PROGRAM**

For sons, daughters, brothers, sisters, nephews, nieces, grandsons, or granddaughters of members of the International Fraternity of Delta Sigma Pi. To be completed and returned (postmarked) on or before January 31, 1982, to:

Delta Sigma Pi Educational Foundation
Mr. Robert M. Drewniak
565 River Oak Way
Lawrenceville, GA 30245

Please enter me in the DELTA SIGMA PI EDUCATIONAL FOUNDATION SCHOLARSHIP PROGRAM FOR 1982.

I am the son grandson nephew brother
 daughter granddaughter niece sister

of a member of Delta Sigma Pi, and I expect to complete high school in 1982 and enter college in 1982. I have taken the Scholastic Aptitude Test (SAT) prepared by the Educational Testing Service. (An extra copy of your score can be obtained by using code 1000 when taking a test or can be furnished by your high school counselor.) I understand that my score on this test will be used to evaluate my candidacy in the Delta Sigma Pi Educational Foundation Scholarship Program.

- Results of the SAT are enclosed.
 Results of the SAT will be furnished by my counselor.

PLEASE PRINT CLEARLY

The exact date I will complete high school is _____ mo. _____ yr.

Name _____ (Last) _____ (First) _____ (Middle)

Month, Day, Year of Birth _____

Home Address _____ (Number & Street) _____ (City & State) _____ (ZIP Code)

Present High School _____ (Exact Name) _____ (City & State) _____ (ZIP Code)

High School Where Tested _____ (Exact Name) _____ (City & State) _____ (ZIP Code)

(Name of Parent, Grandparent, Brother, Sister, Uncle, or Aunt) (Designate Which)

(Chapter Affiliation)—Name and Number

- I have applied I intend to apply
for admission to the following colleges* or universities:*

1. _____ 2. _____ 3. _____

I plan to pursue a course of study leading to a degree of Bachelor of Business Administration (or equivalent B.S. or B.A. in business) with an emphasis (Accounting, Marketing, Finance, Management, etc.) in _____

(*Admission must be in one of 199 schools where Delta Sigma Pi has chartered a chapter. A list of such schools is available by contacting the International Fraternity of Delta Sigma Pi, 330 South Campus Avenue, P.O. Box 230, Oxford, Ohio 45056-0230.)

I understand that the decision of the Delta Sigma Pi Educational Foundation is final in the selection of scholarship winners and that there is no appeal from the decision of the Foundation. It is my further understanding that if awarded a scholarship, the award is \$500 per year for four years upon providing evidence of continued satisfactory academic performance to the Foundation.

IMPORTANT DATES

Copy deadlines for The DELTASIG of DELTA SIGMA PI for 1982 are, for January, 1982—October 16, 1981; for March, 1982—December 24, 1981 and for May, 1982—February 19, 1982.

Diamond Anniversary, November 6-7, 1982. Watch for details in future issues of The DELTASIG of DELTA SIGMA PI.

Cecil V. Gary, member of the Order of the Golden Helmet, presented the diamond badge to winner Chuck Eaton of Beta Gamma Chapter at South Carolina as Mike Mallonee observes.

continued from page 11

marched in unison into the Dining Room by over 40 waiters! As dusk settled over the straits of Mackinac, the lights were dimmed as a parade of waiters carried flaming Baked Alaska through the Dining Room as the banquet participants cheered.

After dinner, Mike Mallonee introduced the members of the Board and spouses at the head table, members of the Golden Council and spouses including Past Executive Director Charles L. Farrar, special guests, and The Central Office Administrative Staff to the audience. District Director Leo A. Garcia was presented and he introduced National Honorary Member Roger B. Smith. Brother Smith's address ap-

pears as a separate feature elsewhere in this issue. Following his remarks, Grand President Mallonee and Executive Director Mazur presented Roger B. Smith with his fraternity Certificate of Membership.

As the Grand Chapter Congress Banquet came to a close, it was noted that Past Grand President Kenneth B. White and his wife, Claire, were attending their 24th National Convention. All members joined in the singing of the "Rose of Deltasig" led by Tony Fernandez and the 33rd Grand Chapter Congress Banquet became a most

Retiring after eight years on the Board of Directors was Southern Regional Director Frank M. Busch, Jr. Also shown left to right are Theresa Jeszka, Lois Loomis, Albert Gordon and Skip Loomis.

Intermountain Regional Director Bill Leonard and Chapter Consultant Jere White were in deep discussion during the banquet.

memorable part of Delta Sigma Pi history.

Thursday, August 20, the last day of the convention, opened with the Final Business Session consisting of the election of National Officers and Resolutions. The results of the elections and further information on the new Board of Directors are covered elsewhere in a feature article in this issue. Past Grand President Tom Mocella served as installing officer

for the 1981-83 Board of Directors and the 33rd Grand Chapter Congress was adjourned by Grand President Mike Mallonee after the installation.

The final event of Convention '81 was the Farewell Luncheon. Retiring members of the Board were presented Testimonials of Appreciation. Those retiring included Undergraduate of the Year 1979 Theresa M. Jeszka, Mideastern Regional Director C. Lee Myers, South Central Regional Director Sharon D. Hundle, Southwestern Regional Director Victor A. Tabor and Southern Regional Director Frank M. Busch, Jr. In addition, new Mideastern Regional Director Mickey Johnson was presented with a Testimonial in appreciation of his service as Director of Alumni Activities from 1979-81, Executive Director Mike Mazur for his service as Southeastern Regional Director from 1978-81, and past North Central Regional Director Bob Drewniak for his service from 1976-80.

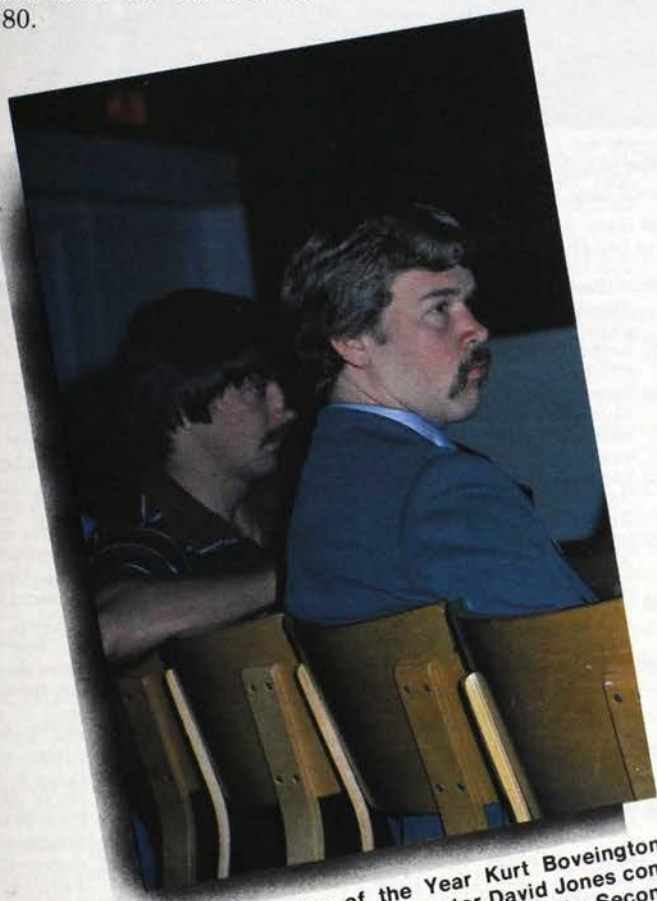

Past Grand President Ken White and wife Claire were attending their 24th convention—the fraternity record.

The undergraduate attendance trophy was presented by Executive Director Mazur to Iota Nu chapter at Northeast Missouri State and the alumni attendance trophy was presented by Mickey Johnson to the Phoenix-Thunderbird Alumni Club. Winners of the Golf and Tennis Tournaments were presented with prizes by Sports Activity Coordinator Tony Fernandez. Chuck Eaton of Beta Gamma Chapter at South Carolina was the winner of the Diamond Badge drawing. The badge was presented to Brother Eaton by Golden Helmet Member Cecil V. Gary of the Tampa Bay Area Alumni Club. The presentation of several other prizes and recognitions concluded the Farewell Luncheon.

In closing the Luncheon, Grand President Mallonee wished all participants a safe journey, a productive future, and invited all to be at the 34th Grand Chapter Congress at the Marriott-Southeast, Denver, Colorado, in August, 1983.

The scene in the Parlor of The Grand Hotel after the Luncheon was one of tearful, yet joyful, good-byes as friends, both old and new, departed vowing to be in Denver in 1983. Convention '81 had come to a close and the exuberance of youth, the strength of purpose and the joy of friendship and fraternalism were gone from The Grand Hotel, but not from the Deltasigs who were there.

District Director of the Year Kurt Boveington, right, and new District Director David Jones concentrated on legislative discussion at the Second Business Session.

focus:

Ben H. Wolfenberger receives a Certificate of Appreciation for eight years of service as Executive Director from Grand President Mike Mallonee. Participating in the presentation are Past Grand President Bill Tatum, left, and Executive Director Mike Mazur.

The normally quieter summer months at The Central Office were somewhat more active in 1981 as changes in the Executive Staff occurred.

After 16 years of service to the fraternity as a member of The Central Office, Ben H. Wolfenberger resigned as Executive Director effective on June 1, 1981. Ben first joined the staff in 1965 as a Field Secretary (Chapter Consultant) and was promoted to the position of Executive Secretary (Assistant Executive Director) in 1967. In 1974, he was named Executive Director and, during his tenure in this position, 18 new chapters were added to the Grand Chapter of Delta Sigma Pi and total membership increased by more than 21,000 initiates. Ben has joined the firm of Burr, Patterson and Auld, jewelry manufacturer located in Elwood, In-

diana, as Sales Manager, Fraternal Division and is residing in the Indianapolis area.

Also retiring from The Central Office staff in June was Michael J. Tillar who served on the staff for eight years. Joining the staff as Chapter Consultant in 1973, Mike was promoted in 1974 to Assistant Executive Director, the position he held until his resignation. He worked extensively with the numerous chapters installed or reactivated during the 1974-81 period and significantly contributed to improved operations at all chapters resulting in a stronger Delta Sigma Pi for the future. Mike has returned to his native Cincinnati.

Delta Sigma Pi salutes Ben and Mike as they begin their new careers. The fraternity is indebted to them for their combined 24 years of dedicated serv-

Mike Tillar

ice. Throughout their fraternal careers, their professionalism shone brightly and we will miss their leadership.

Ben and Mike, you have the best wishes of your fellow Deltasigs for the future. Thank you for the honor of your service.
