march 1983

R. Nelson Mitchell is named  
Deltasig of the Year. See page 8 . . .

# commentary

Michael R. Mallonee

As you can see from the coverage in this issue, last fall's Diamond Anniversary Celebration was a resounding success. The three hundred Deltasigs and guests who gathered in Cincinnati last November helped to close out 75 years of history for Delta Sigma Pi—and to usher in another 75 years of Brotherhood, professionalism, and service. Throughout the weekend, enthusiasm and excitement were abundant, as Deltasigs dined, danced and celebrated into the early morning hours. It was great to see so many people having so much fun at a fraternity event!

Also held last fall, during the months of September, October and November, were regional conferences in each of our 15 regions. Over 2,000 undergraduates and alumni participated in these conferences, from Long Island to La Jolla and from Chicago to Waco. These regional conferences, educational and motivational in purpose and scope, were also the occasion of quite a bit of fraternalism and fun on the part of the Brothers in attendance. Those of you who did attend one of the regionals know that that type of camaraderie cannot be experienced anywhere else in the fraternity . . . except at a Grand Chapter Congress!

Elsewhere in this issue is the first promotion of our fraternity's 34th Grand Chapter Congress—to be held at the Marriott Southeast Hotel in Denver, August 14-18, 1983. This Congress has been in the planning stages for about four years and it promises to be the biggest and best ever. This is the first Grand Chapter Congress since 1975 to be held west of the Mississippi and the first since 1953

to be as far west as Denver. We look forward to seeing an extra-large contingent of our "Western" Brothers from the Inter-mountain and Western Regions in Denver next August.

If you have ever been to a Grand Chapter Congress before, skip this paragraph—you're already convinced; if not, read on. A Grand Chapter Congress is the best our fraternity has to offer. It is the perfect blend of professionalism, social atmosphere and fraternalism that cannot be found anywhere else. It is enthusiasm and excitement at every turn. It is business meetings, seminars and elections. It is registration and the Grand President's Reception. It is Yellow Dog and parties, dancing and banquets. It is the opening gavel and the closing Ritual. It is and will be "Brotherhood a Mile Hile."

Plan now to be in Denver next August and to share the best our fraternity has to offer with Brothers from across the nation. See you there!

Fraternally,

A handwritten signature in cursive script that reads "Michael R. Mallonee".

## **DIAMOND ANNIVERSARY**

---

**1907 - 1982**

The National Diamond Anniversary Celebration, a once in a lifetime event held in November, 1982, became a very special experience for the nearly 300 guests in attendance. Participants began to arrive on the evening of Friday, November 5, and either became acquainted or renewed fraternal friendships during the Early Bird Reception.

Beginning at mid-morning on Saturday, busloads of attendees left The Westin Hotel in Cincinnati for a brief trip through the Ohio countryside to Oxford, the home of The Central Office. By late afternoon, the doors at 330 South Campus Avenue were closed, the computer shut down, the Archives Room secured, the tasty brunch served by the Oxford Senior Citizens Center cleared. Over 200 pilgrims to Oxford had toured The Central Office, the national service center of the Fraternity.

The evening hours brought the participants in their finest attire to The Presidential Ballroom at The Westin for the Diamond Anniversary Banquet. After the Invocation offered by Past Grand President Kenneth B. White, the lights were

lowered and the dinner music commenced as a sumptuous meal was served.

Toastmaster Thomas M. Mocella began the program with his remarks and the introductions, assisted by Executive Director Michael J. Mazur, Jr., who introduced The Central Office staff and special guests. Past Grand President William W. Tatum, Jr., presented an historical slide presentation and Brother Mazur reviewed the history of The Central Office.

The inspirational Diamond Anniversary Keynote Address was presented by Grand President Michael R. Mallonee. The banquet was concluded with the singing of "Rose of Deltasig" led by Great Lakes Regional Director Anthony Z. Fernandez, but the program was far from completed.

After-dinner dancing to music provided by *Pastiche II* was enjoyed by all, but the culmination of the evening was the countdown to Midnight when Delta Sigma Pi reached seventy-five years of age.

As the seconds to that magical hour were counted away by Grand President Mallonee, the crowd on

the dance floor grew, the level of excitement multiplied and, at the stroke of Midnight, November 7, 1982, balloons descended upon the participants, cheers were released and then there was a change of tempo as all Deltasigs present gathered arm in arm again singing the official song of the fraternity "Rose of Deltasig."

They came to Cincinnati from coast to coast representing 23 states and more than 50 chapters. They included Past Grand Presidents White, Armstrong, Mocella and Tatum; Past Executive Directors Farrar and Wolfenberger and a host of Golden Council members. They represented the many generations of Deltasigs who have built and continue to build Delta Sigma Pi into the fraternal leader that it is today and will be in the years to come.

They, the participants in the National Diamond Anniversary Celebration, gathered in Cincinnati to recognize the birthday of their fraternity, an experience which will be a special fraternal memory for a lifetime.

Three busloads of anniversary participants gathered in Oxford for The Central Office Tour.

Retired Central Office staff member Betty Sheard, who is an honorary member of Alpha Upsilon Chapter, mingled with Lorraine and Tom Mocella and Mike Mallonee at the brunch at The Central Office.

Golden Council member Mel Brown and his wife, Ruth, paused during the tour to admire the Founder's Room.

Ken White presented the invocation flanked by Tom Mocella and Mike Mallonee.

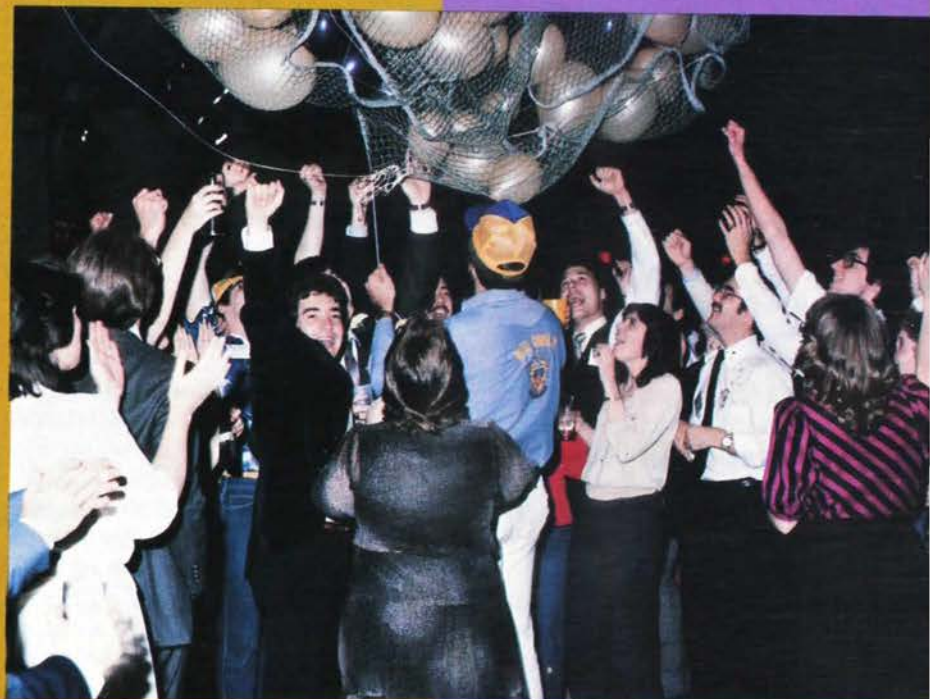

Alpha Chapter Brothers Scott Steinhoff (1982), left, and Cecil Gary (1922) toasted the 75th Anniversary of the fraternity founded at their alma mater.

Mike Mazur provided demonstrations on the computer system for tour participants.

Past Grand Presidents in attendance included, left to right, Warren Armstrong, Tom Mocella, Ken White and Bill Tatum.

Releasing the balloons at Midnight were these enthusiastic Deltasigs.

# alumni in action

## ALUMNI COMMENTARY

Richard J. Parnitzke

Now more than ever in the long history of our fraternity, there exists a need for strong meaningful alumni support of our fraternity's goals and ideals. The collegiate members of our chapters are exposed to ever increasing demands and problems during their journey that will ultimately allow them to acquire a higher education. Problems that are related to the times, economy and attitudes common to university campuses today.

By continuing their active participation in our professional business fraternity, alumni can extend a helping hand in many ways to make certain the Delta Sigma Pi Fraternity they once knew and came to understand so well will continue to provide appropriate leadership training in the years ahead.

Visualize, if you will, an advertisement in the classified section of your favorite newspaper—"Wanted: Professional person in the field of business with experience in areas of financial administration; management; personnel; public relations; program, career and leadership development. Must work week-

ends and evenings. Unlimited overtime. Should be prepared to work out of home and/or office. Occasional travel required. No salary available."

Most individuals with any business experience or background would probably consider the above to be a misprint. Undoubtedly, most professionals would wonder who in his right mind would even consider answering such an advertisement.

Let there be no doubt, untold numbers of Deltasigs, professionals in every way, have been answering just such a call to continuing service to our fraternity. These persons are the dedicated "volunteer professionals," the alumni of our fraternity who provide their expertise and time for the advancement of our fraternity and the business profession; alumni, an integral and vital part of our organization.

Our volunteer national officers, collegiate advisors, committee chairpersons and all important committee members all devote their expertise and talents to one goal, the advancement of the business community. These are the professionals who are providing guidance and expertise in every facet of our fraternity's operations. All of these dedicated volunteers complement our fine full time professional staff at The Central Office.

Most of our alumni volunteers have busy days that are filled with normal business related activities. However, professionalism does not cease when the lights are extinguished and the office door is closed for another day. Evenings for many alumni are merely an extension of their commitment to the field of business. Most of our "volunteer professionals" make their fra-

ternity offices in their homes. Generally, their fraternity business telephones are their home telephones and their salaries are the satisfaction derived from assisting the next generation of young professionals who are eager to learn and grow so they, too, will be ready to take active places in the business community. The skills of our alumni volunteers, their experience, loyalty and excellence in service all mark them as true professionals.

We as a professional business fraternity can provide our members with experience outside the classroom, experience that will complement the academic side of higher education. Delta Sigma Pi Fraternity is outstanding in its ability to provide leadership development, but our greatness is not predestined. It is important for each member to note the fact that the ultimate responsibility for what our fraternity does or, more importantly, does not do, rests squarely upon our shoulders.

As alumni, let each of us respond to the call of our business community and the needs of the future leaders of that all important community: "I, as an alumnus of Delta Sigma Pi, am ready and willing to do my part, to continue my active participation in our professional business fraternity . . . for I am a professional and a Deltasig, for life."

Fraternally yours,

Richard J. Parnitzke  
Director of Alumni Activities

# alumni in action

## ATLANTA

The Atlanta Alumni Chapter has maintained a high level of activity this year. Participation in activities with the local undergraduate chapter, Kappa, as well as our own monthly meetings have provided a good blend of interaction. Mark your calendars for our scheduled meetings on April 19, 1983, "Post Tax-Time Relief," and the election of officers meeting on May 17, 1983. Our famous annual Bar-B-Q has been set for August 27, 1983. Further information on the above "get-togethers" can be obtained from our president, R. Lowman Oglesby at home, 404-767-4964. Also, if you are not a member of the Atlanta Alumni Chapter, consider this our invitation to join us in fellowship. You now know the dates and the contact. See y'all at the next meeting.

—Robert M. Drewniak

## CHICAGO

All indications were that 1982 was one of our best years ever and we want to thank the many Brothers who made it all possible. Attendance at our functions has been improving, membership is up and finances are in the black. We have co-hosted the first Great Lakes Regional Conference and participated in a Channel 11 telethon.

The space allotted to us in this issue of The DELTASIG is not large enough to tell you about all of our activities. But if you will come around and join in then it won't be necessary for us to tell you about us for you will already know. Everyone has excuses for not turning out, but once you try us we'll have you for life. For information about our upcoming activities just write us: Chicago Alumni Chapter of Delta Sigma Pi, P.O. Box 11314, Chicago, Illinois 60611, or contact President Leslie Duggleby at 952-0149 (home phone).

—James L. Prescott

## CINCINNATI

The Cincinnati Alumni Chapter started out 1983 right with a trip to Latonia Race Track for dinner and the races. The dinner was delicious, money was won and lost, and everyone had a great time.

February found the Brothers and their guests on the racquetball courts

and those who weren't playing racquetball were enjoying pizza, beer and good company. This was the second year in a row the Cincinnati Alumni Chapter sponsored a racquetball party and it was great fun.

We're looking forward to elections and our undergraduate recruiting function. Any Brother wishing to join the Cincinnati Alumni Chapter, please contact Linda Becktold at 2101 Grandin Road, Cincinnati, Ohio 45208. Telephone number: 871-0880.

—Amy A. Poynter

## CLEVELAND-NORTH COAST

The Cleveland-North Coast Alumni Chapter has been reformed to serve the needs of the Brothers of Delta Sigma Pi in the Cleveland and surrounding areas. There are over 60 interested Brothers looking for a bright future for the chapter, ranging from first line managers to company presidents and including several attorneys, accountants and many others. We first participated in a Christmas party held December 5, featuring some games and fun, but most of all a new found Brotherhood. We continued with an organizational meeting in January and a "Scotch Doubles Bowling Social" late in February. If you are an interested Deltasig in the Cleveland area, please call Mike Schaulis at 243-3422 or Patty Ogle at 731-4160.

—S. F. Shaheen

## COLUMBIA, SOUTH CAROLINA

Our fall program was highlighted by a meeting at Budweiser in September and a special dinner meeting at the Chopping Block in December. The latter meeting was a first, in that spouses and dates were invited. It proved to be so successful that we have decided to make it an annual affair. We also had good attendance at our semi-annual steak supper held in conjunction with the undergraduate chapter in November.

Our spring schedule has already included a very successful Valentine's Day Party attended by over 40 Brothers and their spouses and dates. Still on the agenda is the Rose Dance and the alumni picnic, both of which are scheduled for April.

Any Brother wishing to join the Columbia, South Carolina, Alumni Chapter, please contact Dale Mamele at 207 Rockhampton Road, Irmo, South Caro-

lina 29063. Telephone Number: (Home) 781-1705 and (Business) 799-9604.

—Dennis J. O'Keefe

## FORT WAYNE

The Fort Wayne Alumni Chapter was reorganized at the regional conference held during October in Fort Wayne, Indiana. The new officers have worked well to re-establish the alumni chapter.

Several successful events have been held including a Founders' Day party and a Christmas reception for the undergraduate chapter in Fort Wayne, Iota Lambda. Many exciting activities will be held this spring, including our annual undergraduate vs. alumni softball game. Any Brothers wishing to join the Fort Wayne Alumni Chapter should contact our president, Vickie Springer at R.R. 1, Ossian, Indiana 46777; (219) 622-4371.

—Denny Wright

## LINCOLN-GREATER NEBRASKA

Sure, you're not the same person you were when you graduated from college. We all change. We develop new interests and find that we have different needs from when we were younger. Maybe we don't have the time to give to our fraternity that we did a few years ago, but we're all still Deltasigs and the opportunities for fraternal activity still exist. The Lincoln-Greater Nebraska Alumni Chapter exists to meet the special social and professional needs of area alumni. Now that spring is here, several outdoor activities have been planned to help us maintain old friendships and make new ones.

We're growing and with our larger membership, we're able to try a lot more kinds of activities. But something's missing—you! Any Brother wishing to join the Lincoln-Greater Nebraska Alumni Chapter is encouraged to contact President Kent Mattson at 4500 Hallcliffe Road, Lincoln, Nebraska 68516, Phone: 423-0842.

—Joyce L. Robb

## HOUSTON

This month, we sponsored the 13th Annual Southwestern Regional Softball Tournament. More and more teams, both collegiate and alumni, participate

Continued on page 11

**DELTASIG OF THE YEAR**

---

**R. NELSON MITCHELL**

---

**THE HIGHEST HONOR THE  
FRATERNITY CAN BESTOW**

During the course of the Western Regional Conference an extra special event was conducted; the presentation of the Deltasig of the Year Award for 1982 to Past Western Regional Director R. Nelson Mitchell. The presentation of this award took place during the Regional Conference Banquet which was dedicated to "Mitch" and was held on Saturday, November 13, 1982, at the beautiful La Jolla Village Inn in La Jolla, California.

With his delightful wife Brownie at his side, Mitch accepted this highest honor which the Fraternity can bestow on one of its own members before the nearly 300 members and guests who attended the banquet. In attendance were representatives of all chapters in the Western Region and Grand President Mike Mallonee, Executive Director Mike Mazur, Past Grand Presidents Tom Mocella and Bill Tatum, Western Regional Director Skip Loomis, Golden Council Member Tom Harnett and Chapter Consultant Jere White.

At the banquet, Skip Loomis served as Toastmaster while John McCarthy, president of Iota Pi Chapter at San Diego State, gave the Invocation. Following the presentation of the award by Grand President Mallonee, Brother Mitchell gave his remarks which are reprinted in the following inspirational article.

R. Nelson Mitchell, our Deltasig of the Year, was chosen from among the nominees submitted from the chapters across the nation in recognition of his outstanding contribution to his chosen profession; his continued service to Delta Sigma Pi; and his service to his community. Initiated by Chi Chapter at Johns Hopkins on March 2, 1929, Mitch served in a variety of offices while in school and, after accepting a position with USF & G Co., in Chicago, was actively involved with the Chicago Alumni Chapter and lived at the former Beta Chapter house from 1934 to 1941. In 1946, after serving in World War II, Mitch was transferred to San Francisco where

he spearheaded the founding of the San Francisco Alumni Chapter. He participated in the installation or reactivation of 13 Western Region Chapters during the period of 1958 to 1965 when he served as a District Director and 1965 to 1973 as Western Regional Director. A member of the National Executive Committee from 1969 to 1973, Mitch also chaired or served on nine committees and currently is a member of the Senior Advisory Council. The Order of the Golden Helmet was awarded to Brother Mitchell at the 32nd Grand Chapter Congress in Atlanta.

Mitch retired from the Travelers Indemnity Company in 1972 as Supervising Underwriter and was President of the Surety Underwriters Association of Northern California, a member of Aahmes Temple A.A.O.N.M.S., Sonoma County Shrine Club and Riffs.

Truly an outstanding Deltasig, Mitch and his wife Brownie reside in Santa Rosa, California.

Tonight you have honored me with the Deltasig of the Year Award which many Brothers, more worthy than I, deserve. I proudly but humbly accept and share this great honor with thanks to and on behalf of those too numerous to mention who, over the years, made this possible.

There is one person, however, whom I wish to thank publicly for the thoughtful suggestions, constructive criticism and total support given to me in all of my fraternity activities, plus just plain putting up with me for over 40 years. THANK YOU, BROWNIE.

With your kind indulgence I'd like to share with you a few random thoughts about our fraternity. As we gather at this Western Regional Meeting just one week after our 75th Diamond Anniversary it again is appropriate for us to reflect on the motto which I understand is on the Archives Building in Washington, D.C. It reads, "The heritage of the past is the seed that brings forth the harvest of the future."

Have you ever given thoughtful

consideration to the basic reason for the founding of Delta Sigma Pi? Brother Harold V. Jacobs, at the 1957 Grand Chapter Congress, said it was "To aid in the development of the moral character and deportment of our founding fathers supplement-

"We need to reflect upon the accomplishments of the past, but we must concentrate on the programs of our progress of the future."

ed by a desire to associate with those of like professional and social interests."

Our Four Founders, on November 7, 1907, sowed the seed which has sprouted into 204 chapters and over

110,000 members. Obviously, these men of vision foresaw the special values, high ideals and opportunities we share today.

Over the past 75 years our predecessors have recognized and shared in the values and privileges established by our Founders, making their own contributions to our continued growth and progress. Can we, the present bearer of this responsibility, do less! I say no! We need to reflect upon the accomplishments of the past, but we must *concentrate* on the programs for our progress of the future, which, of course, will soon become the past.

All of us have two ends with a common link, on one we sit—with one we think. Success depends on which we use, It's heads we win and tails we lose.

Ours, however, is not a responsibility with that choice. We cannot just sit; we have to keep moving.

I heard a story sometime ago about a group of delegates to a con-

vention which met in Boston. Having an afternoon off from business, they set out to see something of the city. The group stopped on one of the busiest downtown corners and without realizing that they were impeding the flow of sidewalk traffic, they stood on this corner looking around and up at the various buildings. It took a good Irish cop to handle the situation. He walked up to them and said, "If you guys want to stand on this corner, you gotta keep movin'."

Many years ago Oliver Wendell Holmes stated, "The real thing in this world is not so much where we stand as in what direction we are moving." I believe the actual day to day living of our Ritual and purpose will keep us moving in the right direction—ever forward, never backward.

The key to the tremendous idea that is Delta Sigma Pi is, of course, the chapter program. Make it first class. Memorize the Ritual: Do not permit hazing and you will establish the right kind of lasting impression that is so desirable. The Central Office, your National, Regional and District Officers are vitally interested in your progress. They are happy to assist you in any possible way, but you must keep open the line of communication. I cannot too strongly emphasize this.

To be a business executive has always been the ambition of many young persons, for the business executive is a central figure in the economic and social life of our country. But being an executive is not merely a massive desk and a nameplate on a door. It takes many demands, including the demands of temperament, drive and health. An executive is always meeting challenges, must make sound decisions, direct the work of other people and needs imagination and courage. Many a brilliant idea has been lost because the person whose dream it was lacked the spunk to put it across.

The problem in business is to get the right men and women, keep them, and develop them into good leaders. No business and no fraternity will run itself. It needs a leader who keeps a jump ahead of the procession.

You outstanding students of business and you successful business executives are well aware that preplanning, setting goals, implementing procedures to attain those goals and evaluating the results were, and still are, of prime importance. Goals, of course, are fine, but every person on the team must put out real effort if those goals are to be met. We all know a chain is only as strong as its weakest link—Delta Sigma Pi is no different.

Most of us realize the value of Delta Sigma Pi to its members is entirely dependent upon the individual. Membership must never degenerate upon graduation into a mere matter of owning a badge which probably is so safely stowed away its owner cannot find it. The member who contributes to the welfare and progress of the fraternity will find the experience rewarding. Those who accept membership without any personal contribution of time, effort or money will find the fraternity will serve no useful purpose for them. They waste their time and money in joining for there can be nothing gained without paying the price.

Since what we enjoy today is the result of the efforts of the many who preceded us, we should not ask, "What can be gained by serving the fraternity?" Rather, ask "What can we do to repay those who have created this fraternity for us and how can we help provide a rewarding experience for those who follow us?" Let me say first of all that I am convinced that we are all far better than we have been given credit for being. While much of the criticism of fraternities has been justified, it is also true that much of it has come out of ignorance and prejudice. The person is the priceless ingredient today so we must constantly be improving our speciality, which is the development of persons adequate for the day in which they are living.

Although life is somewhat behind many of us, it is mainly before most of you here tonight. Day after tomorrow will belong to our grandchildren and tomorrow will belong to our children. Today belongs to us to serve our children and grandchildren and to express our loyalty to the past by our service to the fu-

ture.

While Delta Sigma Pi membership involves great responsibility, it also is a lifetime privilege. You undergraduates and we alumni hopefully will make good use of this privilege. We can and must ensure that today's undergraduates, as a total group, are better and more loyal alumni tomorrow than yesterday's undergrads generally are today.

Dr. Ray Lyman Wilbur, former president of Stanford, once indicated that there is nothing better than a *good* fraternity and there is nothing worse than a *bad* fraternity in the development of young people. Although no two persons are exactly the same in their tastes, ideas and points of view, in a *good* fraternity, such as ours, members can and do gain much from their interchanges of ideas with their Brothers.

We are Deltasigs for life. Ours is a lifetime journey, not just a fleeting experience completed upon initiation or graduation. This is our professional fraternity and it needs each and everyone of us to participate in its activities.

The world, our nation and our fraternity will always be just what people make it for no human organization or society is any better than the people who compose it.

During the past 53 years it has been a great privilege for me to have been associated with so many dedicated Deltasigs who have contributed so much to the welfare and progress of our fraternity. I give my strongest vote of confidence to them and to you who lead, work for and take justifiable pride in our badge and Greek name.

I am grateful to them and to you for allowing me the opportunity and pleasure of serving our fraternity and I hope that in some small way I have helped to bring forth the harvest of the future for Delta Sigma Pi.

Thank you again for this great honor.

---

*Editors note: The preceding acceptance address was given by R. Nelson Mitchell at the recognition banquet held in his honor in LaJolla, California on November 13, 1982.*

in the tournament each year.

To assist with our expansion projects, volunteers in the College Station and Huntsville areas are desperately needed. Please write Brother Vic Tabor, 3500 Tangle Brush Drive, Apt. 18, The Woodlands, Texas 77380, or call (713) 363-1444, if you are willing to help.

Our regularly scheduled Happy Hour Meetings are held at the Steak-N-Ale Restaurant in the Windsor Plaza (Richmond at Post Oak) every second Tuesday of each month at 6:00 P.M. Please stop by and join us if you are in the area.

Any Brother wishing to join the Houston Area Alumni Chapter, please contact either our President Mary Anne Hamlin at 13918 Queensbury Lane, Houston, Texas 77079, home (713) 497-1341 or our Vice President of Membership Leon Niles at 9215 Bellwood Lane, Apt. 369, Houston, Texas 77036, Home (713) 995-9775.

—Victor A. Tabor

Members of the Sacramento Alumni Chapter meeting at one of their monthly luncheons.

## MEMPHIS-RIVER CITY

Memphis-River City Alumni Chapter held its first meeting in August, at which time plans were made for the Las Vegas night held during the Southern Regional Conference.

During the October meeting, plans were made for the anniversary banquet which was held November 10 with approximately 35 Brothers in attendance.

The chapter made plans for a community service project for last December soliciting money and food for the daily soup line at St. Mary's Catholic Church in Memphis.

A meeting was held January 10 at which time officers were elected. Anyone wishing more information on the Memphis-River City Alumni Chapter should contact Jerry Barb, home 910-365-4806, business 910-795-5956.

—Jerry Barb

## MILWAUKEE

Programs we look forward to are the March St. Patrick's dinner party, May 6, Founders' Day, July Summer Theater Party, August golf outing, and the monthly third Monday noon luncheons.

Efforts to establish an active chapter at University of Wisconsin-Oshkosh is underway. Clifford Larson, Dean of the College of Business Administration, has

granted approval for space in which meetings can be held with interested students. Any alumni in the area are urged to make themselves known and available to attend some of the meetings with students to help sell the advantages of fraternity membership. Contact Michael Moegenberg, committee chairman, 423 Huron Avenue, Sheboygan, Wisconsin 53081. Residence telephone: 414-457-4023, office telephone: 414-458-9131.

Join the activity of the Milwaukee Alumni Chapter by becoming a member. Contact John Cerny, president, 1620 Greenview Drive, Brookfield, Wisconsin 53005, telephone: 414-786-4995—or John Schoonenberg, secretary, 11925 Indian Trail, Hales Corners, Wisconsin 53130, telephone: 414-425-5313.

—Milton A. Kassner

## SACRAMENTO

The Sacramento Alumni Chapter celebrated the holiday at their annual Christmas Party. Brother Bill Tatum once again graciously offered his lovely home. Many local business merchants donated gifts for the raffle in exchange for advertising. We displayed their business cards, menus, etc., on poster boards and made announcements every

half hour.

In January we had our first Bowl-A-Thon as a social fund raiser. Besides our monthly luncheons, we started meeting monthly after work at various restaurants for those who cannot attend the luncheons.

Any other Brothers wishing to join the Sacramento Alumni Chapter, please contact Chip Dunavent, president, at (916) 440-7536 (work) or (916) 485-1054 (home).

—Mary L. Nowell

## ST. LOUIS-GATEWAY

Winter has been a very busy season for the members of the St. Louis-Gateway Alumni Chapter. An impressive number of Brothers participated in the KETC Channel Nine Pledge Drive for the public television station. Our annual Super Bowl Party was planned and executed without any penalties and our victory was ringed in friendship and fun.

Any Brother wishing to join the St. Louis-Gateway Alumni Chapter, please contact Brother Richard Shindel at 179 East High Street, Edwardsville, Illinois 62025. Business and residence telephone numbers: 618-462-3813 and 618-656-8838.

—Mark B. Becker

# the chapters speak

## EASTERN REGION

### SUNY-BINGHAMTON KAPPA LAMBDA

The close of a productive semester added 16 new Brothers to the life line of our chapter. We are certain that these new Brothers will carry on, in true Kappa Lambda spirit, those traditions established by our remaining charter members who are soon to graduate.

To enhance our chapter's social and professional programs, a weekend outing including a winery tour is planned for the near future. In addition, plans for a second annual American Red Cross Swim-A-Cross are in the works. We aim to exceed the \$1000 raised by last year's swimmers. Let's go for it, Kappa Lambda!!

—Dell-Ann Miranda and Elaine Weber

## MIDEASTERN REGION

### GEORGETOWN MU

At Mu Chapter, our first fraternity fund raising bash, the "Delta Sigma Party," was held at the beginning of the school year and was a moderate success. The money earned helped pay for the chapter's regional weekend trip to the Baltimore Harbor Hilton on October 8-10. Here, new officers and Brothers plus a few pledges got to meet Brothers from colleges across the Mideastern Region and to extend the hand of Brotherhood which binds us all. As a result, Mu, Gamma Sigma and Iota Rho Chapters have had several interchapter activities, like the exclusive Deltasig Happy Hour to commemorate Founders' Day at a local Georgetown nightclub.

Our 14 pledges became Brothers at the end of November. The pledge education program was concluded with a bang as the Pledge Talent Show, held at the Washington Club on the Georgetown Campus, truly entertained both Mu Chapter and Gamma Sigma Chapter Brothers.

—Art Serratelli

As one of their community service projects, the Brothers of Zeta Pi Chapter at St. Joseph's visited the Regina Nursing Home in West Philadelphia.

### PENN STATE ALPHA GAMMA

The Alpha Gamma Chapter of Delta Sigma Pi at Penn State has had an eventful year to date. We have been active both socially and professionally.

Our chapter was lucky to hear several interesting speakers. The most interesting speaker was Vishnu H. Kirpalani, a visiting professor of marketing. He spoke on international marketing and pointed out many interesting events currently occurring in marketing around the world.

The Alpha Gamma Chapter raised several hundred dollars with two major fund raisers. We held a College Football Contest which tested our college football knowledge. Scott Tharrington won first place and received \$50 worth of party supplies. The other major fund raiser was a hoagie sale which raised over \$200 for the chapter.

Our spring calendar includes trips to various companies and other chapters, our annual senior picnic and intramural softball.

—Fred Powell

### MARYLAND GAMMA SIGMA

Since our meeting with Chapter Consultant Jack Belke, the Gamma Sigma Chapter has had but one goal in mind—to become the winner of the Most Outstanding Chapter Award. We began the semester with a Brotherhood of 49 very active members and have recruited a very strong pledge class. We all feel we have the potential to reach that goal. We are very proud to hold the honor of Mideastern Region Chapter of the Year, but under the leadership of our president, John Emerson, we have expanded our activities and ideas in order to achieve that honor on a national level.

—Steve Shuman

### ST. JOSEPH'S ZETA PI

The Zeta Pi Chapter here at St. Joseph's University has been quite active with its aspiring pledge class. Their quest for Brotherhood has been high-

# the chapters speak

lighted by a smashing, campus-wide party, as well as a smoothly run community event involving a visit to a senior citizens home. Pledges Sean Gallagher, Steve Di'Bonaventure, Kevin Quinn and Stephen Swmick have been working particularly hard to earn their Brotherhood status. Executive committee members Joe Leonard, Pete Scranni, Vince Waldron and President James McElhiney are all busy with upcoming events, including the annual basketball marathon to benefit the Hemophilia Society.

—Jim Kirk

## SOUTH CENTRAL REGION

### JAMES MADISON IOTA KAPPA

Well deserved thanks are in store for the chapter Brothers for improving our already good community relations. This had been due to several projects planned by Community Service Chairman Sue Brooks. Last month we had a successful Brother-Pledge blood drive. A balloon sale with the proceeds going to the American Heart Association and the decoration of a nursing home were two of the many other services performed.

The Iota Kappa Chapter was pleased to play an important role in a business symposium organized by the American Marketing Association. The symposium brought six speakers to James Madison to talk about various aspects of the business world. This was just one event that continues to create much respect and interest in our chapter.

Congratulations are extended to the new Intramural Women's Soccer champs. They destroyed the opposition. Way to go, ladies!

—Alex R. Boyar

### NORTH CAROLINA-GREENSBORO IOTA OMEGA

Iota Omega Chapter closed the fall semester as it began, enthusiastically! The pledge class hosted a Halloween party for the Brothers and were later surprised when their Big Brothers treated them to pizza and beer. The Brothers and 16 pledges attended a classy initiation banquet and somehow managed to survive the traditionally wild after-banquet party.

Speakers and tours were centered around the professional theme: "Business Reacting to a Tighter Economy." Brothers supported a Women's Run, a faculty luncheon and provided a Thanksgiving dinner for a needy family. A "Dinner for Two" raffle was extremely profitable. All chapters should be receiving a newsletter soon on the exciting spring semester of the Iota Omega Chapter.

—Denise S. Peeler

## SOUTHEASTERN REGION

### GEORGIA PI

Pi Chapter of the University of Georgia had a very successful rush for fall quarter, pledging 30 out of 60 rushees. The pledges were initiated on January 15 and were honored with a dinner afterwards. The next rush will be held at the beginning of spring quarter.

One of the main highlights of fall quarter was the Southeastern Regional Conference held in Atlanta, October 22-24. Pi Chapter received numerous awards which included the "Most Improved Chapter" award, the Howard B. Johnson Membership Award for having the largest increase percentage-wise in membership in the last three years and for attaining 85,000 CEI points out of a possible 100,000 points, and the award for having the "Best Advisor," whom we are proud to say is Dr. Peter Shedd.

Our Rose of Delta Sigma Pi dance was held February 15 in Athens, Georgia. "Surf" provided entertainment for the evening.

Pi Chapter is looking forward to a busy and exciting spring quarter with hopes of another successful rush and the annual Spring Fling in Hilton Head, South Carolina.

—Pamela J. Johnston

### MERCER ALPHA TAU

The Alpha Tau Chapter at Mercer University, Macon, Georgia, is beginning its first year of organization after being reactivated on May 23, 1982. We received our charter at the regional conference held in Atlanta on October 22-

24.

In our first quarter after reactivation, the chapter was very busy with recruiting. The enthusiasm was high among the Brothers and the evidence was 23 new pledges.

The highlight of the quarter was having Dr. Bruce Yandle, Executive Director of the Federal Trade Commission, speak to the entire Mercer Business School. This event received local press coverage. Alpha Tau Chapter is on its way!

### GEORGIA COLLEGE IOTA MU

Iota Mu Chapter participated in the Homecoming Activities at Georgia College. The chapter sponsored Brother Mary Roberts to run for Homecoming Queen and decorated a float for the parade.

Our pledge education period really kept our pledges on the go. They assisted in the rededication of the new School of Business for their service project and provided the Brothers with an excellent professional tour of the Robins Air Force Base. They also honored their Big Brothers with a Big Brother-Little Brother party. We initiated nine pledges into Brotherhood on December 3, 1982. That night Drs. Ken and Joann Jones opened their home to the Deltasigs for a post initiation-Christmas party. Again, we had both faculty and alumni attending. On December 4, Brothers Carla Hartnett and Mary Roberts attended the Kappa Tau Chapter initiation at Clemson University.

Plans were made to sponsor a fashion show during Winter Quarter of 1983 featuring the proper dress for today's business person, as a fund raising project.

—Mary Roberts

## SOUTH ATLANTIC REGION

### TAMPA EPSILON RHO

Epsilon Rho Chapter had a very busy fall semester. Under the leadership of our president, John Pickart, we held several fund raisers, social events and enjoyed many diverse speakers. Perhaps the biggest event of the semester was

# the chapters speak

At a recent University of North Florida Business Forum, Kappa Pi Chapter Brothers Anthony Edmonston, right and Christ West, second from left, meet Prime Osborne, retired CEO and Chairman of the Board for the CSX Corporation.

the regional conference which was held here in Tampa at the Marriott Hotel. Since we were lucky enough to have our fall break that same weekend, several of our Brothers and pledges were able to attend the event.

On December 3, we initiated 11 pledges into Brotherhood and on the fourth celebrated with our semi-annual initiation banquet. The 36 Brothers of Epsilon Rho are looking forward to an equally active spring semester.

## CENTRAL FLORIDA THETA SIGMA

Theta Sigma Chapter at the University of Central Florida again sponsored the Sears and Zayles credit card fund raiser during the fall semester. This event has become a fund raising tradition at this chapter.

Our chapter provided some of the speakers for Career Day. This annual event gives business students the opportunity to hear speakers on various career choices in the business spectrum.

During Business Day, our chapter co-sponsored the events which brought the faculty and students together for a very enjoyable afternoon. The events included volleyball, softball, refreshments and increased interaction.

During this semester, our chapter enjoyed the Second Annual Theta Sigma Golf and Tennis Tournament. Both Brothers and pledges met the thrills of victory and the agony of defeat.

To the Brothers of Theta Sigma Chapter, good luck in the fraternity and in your future careers.

—Rick Halcomb

## EAST CENTRAL REGION

### OHIO STATE NU

Nu Chapter at the Ohio State University recently went on a professional road trip to Cincinnati. The Brothers took enlightening tours of a General Motors assembly line and Procter and Gamble.

At the end of February, the Brothers had a "Meet the Chapter" recruiting function, where prospective pledges had the opportunity to speak informally with the Brothers and to learn a little more about what they can do for the fraternity and what the fraternity can do for them.

We are confident that the new pledges will make outstanding Brothers and will help us to reach Honor Roll status in the

CEI for the fourth consecutive year!

—Mark L. Weibel

### OHIO ALPHA OMICRON

Fall Quarter ended with a great pledge class of 13. Congratulations to Bill Roberts who was voted outstanding pledge!! Initiation was fantastic with one of our oldest members, Professor E. T. Hellebrandt, attending. Come on, other alumni, where are you??

Alpha Omicron Chapter is once again in the midst of an active quarter of fraternal activities. We have been keeping an active calendar of professional, community service and social events.

Our professional program this quarter focused on several tours such as the McBee Systems in Athens, Kenworth Trucking in Chillicothe and the tour of our magnificent Central Office in Oxford, Ohio.

Many service activities were included in our busy quarter. Course reviews and registration material were passed out to help the College of Business Administration.

We would like to express, for our entire chapter, our warmest thanks to our Executive Board this past year and the best of luck for our newly elected officers who are eager to promote the continuing success of Alpha Omicron Chapter.

—Brenda Burris

### MIAMI-OHIO ALPHA UPSILON

Alpha Upsilon Chapter is off to another enthusiastic semester. The new officers have been working hard with their committees to promote the chapter on campus and to further Brotherhood in the fraternity.

Tawnya Potts implemented a very successful winter rush. One of the activities to encourage students to attend rush was an informational meeting held in freshmen dorms. This not only helped prospective members learn about our rush, but also helped in publicizing Delta Sigma Pi.

One of the chapter's goals this semester is to encourage interaction between faculty members and Brothers. With the expertise of Sarah Graves and Laura Ebner the faculty has been informed

# the chapters speak

on all of our activities. One of the bigger activities is having coffee and donuts with the faculty once a month before classes.

The semester promises to be an enjoyable and rewarding one with many activities planned. We would like to wish all of our Brothers in other chapters a successful year!

—Polly J. Pience

## KENT STATE BETA PI

Greetings from the Beta Pi Chapter at Kent State University. Funded by our highly successful coffee sale, we have been very active in the community and the College of Business Administration.

Recent activities include a wine and cheese reception for newly installed Dean Henry and a ski trip to Holiday Valley, New York. The officers, led by President Russ Graves, have assisted in several projects steering us toward our sixth consecutive 100,000 point year in the CEI.

Faculty Brother Vladimir Simunek was recently honored for his world-famous Kent Economic Model. His actions and those of the rest of the Brotherhood keep us . . . Flying high with Beta Pi!

—Eric P. Johnson

## WEST LIBERTY DELTA OMEGA

Delta Omega chapter wound up its fall semester activities with a flourish. Our new Brothers are going to be great assets to the fraternity. Initiation was excellent, with a visit from district and regional officers. Congratulations to Carol Kelley who was voted Outstanding Pledge!

Our social calendar was as full as usual, with our annual Christmas Dance being a huge success. Thanks go to Vice President for Professional Activities Brenda Weekly for organizing an informative and interesting program. Once again, we are maintaining 100,000 CEI points.

Delta Omega Chapter extends our wishes of Brotherhood and unity to all other chapters.

—Karen S. Padyjasek

## AKRON THETA KAPPA

Theta Kappa Chapter at the University of Akron has been promoting "turkeys" and pancakes in the true spirit of Delta Sigma Pi. The chapter mustered the support of 11 members of the College of Business Administration faculty who willingly accepted nominations for "The Turkey Teacher." Students voted by putting money in the jar designated for their candidate. The teacher with the most cash won the honor and a real turkey. The chapter also brought several of the student business organizations together for a pancake eating competition. All this, of course, was for a good cause — the Ronald McDonald House, beneficiary of the proceeds.

—James R. Griggy

## XAVIER-CINCINNATI THETA LAMBDA

Our policy, goal and concept—the building of successful leaders and Brothers together with professional development is the complete definition of Theta Lambda Chapter at Xavier University.

Professional activities included many prestigious and outstanding business professionals who spoke to us about their particular career knowledge and experience. These speakers in the professional field continue to provide our chapter and the university with valuable information.

After a widespread publicity program and several recruiting events, 11 men and women formally pledged. Because building successful Brothers is a cherished goal of the chapter, we are in a continuous search for and development of recruiting ideas.

On Friday, October 19, 1982, we had our big social event, a "Purple and Gold party" for Founders' Day. After a busy fall semester we are looking forward to the activities ahead. The Brothers here at the Theta Lambda Chapter hope your semester is as exciting and busy as ours.

—Humberto Carnero

## BOWLING GREEN THETA PI

This past semester a large class of 18 pledges was initiated. As members, they have been actively involved. A few traveled to our regional conference. This participation is the backbone of our chapter.

A calendar full of various speakers and tours was available for member involvement last semester. This semester's calendar of events is also full. New officers have been hard at work planning the schedule.

One of the areas we are concentrating our efforts toward is that of community service. We are involved in the operation of the Red Cross Blood Mobile which visits our campus each semester. We also work with the Youth for Easter Seals Campaign. These are good ways to serve the community.

Good Luck to our Brothers across the nation, and a wish for a terrific spring from the Brothers of Theta Pi Chapter.

—Tammy S. Raybuck

## ROBERT MORRIS IOTA TAU

Iota Tau Chapter started off our winter semester calendar of events with a recruiting function which introduced our new pledges to the fraternity. We also held a recruiting party which proved to be a fun and eventful evening. The pledging period started out very well and another successful recruitment was expected.

Our chapter has sponsored many successful community events, including a Christmas party for our local orphanage, a bowling night, a pizza night, a campus clean-up, and monthly collections for Muscular Dystrophy.

We are very proud of the many awards which were received at our regional conference. Special congratulations go to our Brother David Brzozowski (Berk) for being chosen outstanding member of our East Central Region. David has also been nominated for Undergraduate of the Year from our chapter. Best of luck, Berk!

Iota Tau Chapter would like to wish all Deltasigs success with the remainder of the spring semester; let's all strive to create a stronger bond of Brotherhood in Delta Sigma Pi.

—Victoria R. Moschgat

Continued on page 18

# the regionals

The weather, fraternalism and the hospitality of The Carolina Inn helped to make the South Central Regional Conference in Chapel Hill a success.

Honorary member Joe Batten, initiated at the North Central Regional Conference, spoke at the banquet.

North Central Regional Director Marc Franson received a plaque recognizing his region's number one ranking in the CEI last year.

## National awards present Celebrations highlight regional conferences 2,000 Deltas

Beginning in September and concluding in November of 1982, Delta Sigma Pi conducted its biennial regional meetings in fifteen of its sixteen regions. While the regional meetings took place last fall, planning for these meetings began soon after the directors of the regions were elected at the 33rd Grand Chapter Congress on Mackinac Island, Michigan in 1981. Details of each meeting, such as site selection, seminar topic and moderator selection had to be planned out well in advance to ensure a successful learning and fraternal experience. Over 2,000 Deltasigs from around the country attended these meetings, sharing ideas and fraternalism, making the 1982 regional meetings some of the most successful ever.

A highlight of last fall was the celebration of the Diamond Anniversary of Delta Sigma Pi. The national celebration of the fraternity's birth 75 years ago took place in Cincinnati, but was complemented by a regional celebration at each meeting. At regional meetings located in sites from New York to California and Iowa to Texas, Deltasigs recalled the rich 75 year history of the fraternity. Also, a special Diamond Anniversary issue of The DELTA-SIG Magazine was published in November to commemorate the 75th anniversary of the fraternity's founding.

For the first time ever, the fraternity's initiation Ritual was performed at several regional meetings. This impressive ceremony was one of the many highlights of the re-

# remembered

and Diamond Anniversary  
ed the fall, 1982  
ere attended by over  
st to coast.

gional meetings as some exceptional honorary members joined the fraternity ranks.

The regional meetings also provided the opportunity for several awards to be presented. At the Western Regional Conference, R. Nelson Mitchell was presented with the highest award the fraternity can bestow, Deltasig of the Year. At the Great Lakes Regional Conference, Undergraduate of the Year Steven P. Rasche was sworn in as the Board of Director's newest member. In addition, Timothy D. Gover was presented with a plaque naming him winner of the Chapter Advisor of the Year Award. Also, the regional winners of the chapter awards, which were highlighted in the January issue of *The DELTASIG*, were presented with their certificates.

Finally, the regional meetings provided the opportunity for Delta Sigma Pi and Junior Achievement to plan to achieve the goals which both the fraternity and JA share. Regional vice presidents of Junior Achievement attended many of the regional meetings and were enthusiastically received.

The 1982 regional meetings will be remembered for many things, but the most important memory will be of the new fraternal friendships that were made. This was the most important memory, because the fraternal interaction between undergraduates and alumni and among chapters is what has made Delta Sigma Pi the professional business fraternity for the past 75 years.

Undergraduate of the Year 1981 Al Gordon was one of many national officers who attended the Western Regional Conference.

Jack A. Holliday, National Vice President of Junior Achievement spoke during the Mideastern Regional Conference banquet.

Members of Psi and Gamma Pi Chapters enjoyed themselves at the Great Lakes Regional Conference luncheon.

# the chapters speak

## CENTRAL REGION

### DETROIT GAMMA RHO

Gamma Rho Chapter at the University of Detroit celebrated its 32nd birthday on October 8. Three of the original chapter members came to enjoy the combination birthday-rush party. The chapter was recognized in the university's Varsity News on its birthday. The article commended the chapter for its continuing efforts to promote the business community.

In a strong show of unity, eight Brothers went to the Diamond Anniversary Celebration in Cincinnati, Ohio. The Brothers celebrated the anniversary in their own unique style by singing "Yours Fraternaly." This song was written by a Brother of Gamma Rho Chapter and is sung at the conclusion of all business meetings. The Brothers plan an even stronger show of unity when they travel to Denver for the next Grand Chapter Congress.

The Brothers of the chapter demonstrated the true spirit of Christmas when they sponsored a Christmas party for 16 under-privileged children. The smiles on the children's faces were gifts enough for the Brothers who attended the party.

—Marilyn Peitzsch

### FERRIS STATE DELTA RHO

The first three months of 1983 proved to be a fun and busy time for the Brothers of Delta Rho Chapter at Ferris State.

On the professional side, we heard four speakers who spoke on various topics about interviewing and dressing professionally. Our vice president for professional activities arranged a tour of the Spartan Grocery chain's main warehouse in Grand Rapids. Highlights of the tour included the computerized selection and packaging facilities.

The Delta Rho Florida Trip was again a successful fund raiser for the chapter. Eight bus loads of sun seekers spend 10 fun-filled days in Orlando and Daytona Beach. Sunburns and parties abounded

throughout the entire trip.

The Brothers also enjoyed ice skating with the Little Brothers and Sisters of Mecosta County. This is a favorite community service project for the Brothers of Delta Rho Chapter.

—Albert J. Cadorette

### INDIANA STATE DELTA TAU

Greetings, Brothers! The fall was a busy time for the Delta Tau Chapter. Brother Peggy Arnett, vice president for professional activities, had three in-

Brother George J. Eberhart shows Dean Edward L. Goebel his Golden Helmet Award in front of his portrait that was dedicated in the School of Business at Indiana State.

teresting and informative speakers speak to the members. She also planned an enlightening and fun weekend tour in Louisville, Kentucky. The weekend in Louisville included a tour of Xerox and a tour of Lasmos Arabian Horse Farm. The Brothers in attendance came back very excited, for the weekend produced items in the million dollar range! They touched a copy machine, a stud horse, and sat in a 1973 Stutz and a 1956 Rolls Royce!

The Delta Tau Chapter was proud to dedicate an oil portrait of Brother George J. Eberhart to the School of Business at Indiana State University. Brother Eberhart has contributed much to Delta Sigma Pi and to the founding

and Brotherhood of the Delta Tau Chapter. Alpha Pi Chapter also was on hand to present him with "The Order of the Golden Helmet" Award.

—Sheila Conley

### BALL STATE EPSILON XI

Winter quarter was very merry for Epsilon Xi chapter at Ball State. Our Christmas party at Dr. Faulhaber's and Christmas carol sing at the retirement village were both great fun. We all joined in the Christmas spirit that brought us closer.

Our new rush program produced another superior group of pledges for winter and spring. They are all quality people and will be terrific additions to our Brotherhood. We know that they will continue the Epsilon Xi tradition of excellence, as will the new group of officers which were elected in February. Congratulations to all of these Brothers.

Our professional functions have been very informative. The fall quarter's pledge class went on a tour of Marsh, the supermarket chain headquarters. It was, as always, an excellent tour.

The ski trip to Swiss Valley was super. Every one who went had a great time and we are hoping to do it again next year.

—Lisa Hiser

### INDIANA NORTHWEST THETA PSI

Theta Psi Chapter, Indiana University Northwest, Gary, Indiana, had a very successful pledge program during the fall semester; since we are losing only Connie Collins through graduation, we have a larger membership than we have had for some time. The new officers have many plans for an active spring semester. Under the guidance of Brother Sue Hulsey, Theta Psi Chapter is well on its way to becoming a 100,000 point chapter again. The Brothers enjoyed themselves at a Christmas party at Brother Pachapa's home. The fund raiser, which was a joint endeavor between the Brothers and the pledge class, was extremely successful, and the profits were donated to the Association for Retarded Children.

Brothers Dave Zona and Mrs. Sandra Pelfrey will continue as Chapter Advi-

# the chapters speak

sors and will be joined by Dr. William Nelson, who was elected at the last business meeting of the fall semester.

—Mary Johnson

## INDIANA-PURDUE IOTA LAMBDA

This semester is going much better than the one we went through a year ago. For one thing, the weather has been a little more bearable! No record snowfall this past winter, thank goodness!

We'd again like to congratulate the members of our chapter initiated in December, along with our newest faculty member, Dr. George Bullion.

We're very proud of Fritz Krueger, our chapter's nominee for Undergraduate of the Year. His leadership and hard work throughout many semesters has been an asset to Iota Lambda Chapter.

Have a successful semester. Enjoy spring break, but remember that finals are just around the corner!

—Kathy Wright

## GREAT LAKES REGION

### MARQUETTE DELTA

Delta Chapter's professional program has expanded its outlook this year. The presentations have ranged from entrepreneurs of small business, presented by John Komives of Runs Lakeshore Group, to "Up the Organization," a movie by Alan Greenspan on topics of running a large corporation.

Michael Calteaux, vice president for professional activities, planned a progressive development of presentations in the professional program. He started out with the financing of a business in debt and investments, presented by Curt Fuszard, Assistant Vice President of First Wisconsin-Milwaukee. Next, the advertising of a business was presented by Michael Cary, Vice President of Hoffman-York Advertising Agency. Then a treasurer's responsibilities was presented by Ray Terracina, Vice President of Treasurer Farmhouse Foods.

Our professional program was rounded out by a tour of a local Milwaukee firm. The Delta Chapter would once

again like to thank all the professionals who took time to speak at Marquette.

—Michael D. Bembenek

### DE PAUL ALPHA OMEGA

After initiating a fine pledge class, we set out to accomplish some serious business. Alpha Omega Chapter is still in the process of rebuilding and diversifying itself.

Vice President for Professional Activities Terry Swatkowski has revamped our program. The annual professional tour of Florida will take place over the spring break. Other tours included Sara Lee Bakeries and the National Grocers Convention, hosted by Brother Bob Scalise, at the McCormick Place in Chicago.

Alpha Omega Chapter has developed a unique community service program. Over the winter quarter we aided the public television station in Chicago, WTTW, by answering phones and taking subscriptions.

Our new officers were elected this month. In addition, we are looking forward to inducting a superb spring pledge class.

Coach Scalise has done a commendable job in turing our athletic program around. Alpha Omega Chapter is here to stay!

—Gregory E. Michaels

### EASTERN ILLINOIS EPSILON OMEGA

Epsilon Omega Chapter at Eastern Illinois University is well on its way to another 100,000 point performance in the Chapter Efficiency Index, thanks to the hard working Brothers along with Mark McAllister, our Chapter Efficiency Index Chairman.

Congratulations also go out to our newly elected officers. Many offices changed hands, but all officers are doing an outstanding job and are getting new ideas incorporated into the chapter.

The chapter organized a Florida trip to Daytona Beach for Eastern Illinois University's spring break at the end of March. Last year it proved to be an outstanding money-making project and is heading in that direction again this year.

To conclude, Epsilon Omega Chapter would like to wish all the chapters an enjoyable and profitable year.

—Stephanie Dubail

### WISCONSIN-LA CROSSE ETA RHO

The Brothers of Eta Rho Chapter are enjoying an exciting second semester. For the first time in our history we have actively recruited female members. This has allowed us to increase both the size and quality of the pledge class.

We sent 12 members to the celebration in Cincinnati and hope to take another long road trip this semester. Let us know if you're interested; we'll drop in anywhere.

Professionally, we sponsored an interview seminar and resume workshop on February 15 and 16. Madison, Wisconsin, was the site for our out-of-town tour. Our big money making and social event, Pretest Fest, will be held on the last day of classes in May.

We wish all of you a good semester.

—Dale R. Meyer

### SOUTHERN ILLINOIS ETA SIGMA

By the time this is printed, Eta Sigma Chapter will be approaching the end of winter quarter and preparing for the initiation of another pledge class.

We have already had a good series of professional events this year and are continuing to upgrade our program. We have found Brother Talmage Newton especially helpful in this area.

We also want to thank Brother Tony Fernandez, our regional director, and the staff of The Central Office for their continuing support. With their help, this year is becoming more and more successful.

If any chapter wishes to contact us, we will be happy to help you arrange tours, etc., in the metro St. Louis area.

—Phyllis A. Range

### ILLINOIS STATE IOTA CHI

Iota Chi Chapter at Illinois State University is once again sponsoring a trip to Florida over spring break. We are

# the chapters speak

currently planning on taking six bus loads of students this year, making this our biggest fund raising project ever.

Last semester, our social program consisted of trips of Timberline, a roller skating party and our first fall dance. Presently, plans are being made for Rose Formal, and in sports we are again having an intramural coed volleyball team.

Iota Chi Chapter is still growing and learning and by working together we will accomplish the goals we have set for ourselves and our chapter.

—Christine K. York

## SOUTHERN REGION

### CHRISTIAN BROTHERS EPSILON PSI

The fall semester was one of achievements and honors for the Brothers in the Epsilon Psi Chapter. We began the year with a recruitment of new pledges and an election of new officers. We filled the middle of the semester with pledge projects and community service activities. Two of the highlights of the semester were the initiation of the pledge class and the Golden Jubilee Celebration of our moderator, Brother Alfred Moroni. The initiation ceremony was marked with the attendance of both our district and regional directors and with the flawless memorization of the Ritual Team.

Brother Alfred Moroni was awarded a Life Membership in the Educational Foundation of Delta Sigma Pi.

The Epsilon Psi Chapter finished the semester with the annual Rose Dance and a warm wish of good luck for our Brother Philip Babin, who graduated in December.

—Cathy L. Fitzgerald

### MISSISSIPPI COLLEGE ZETA IOTA

Mississippi College Delta Sigma Pi members have completed a busy first semester. Twenty-three pledges finished their mid-term and final exams and became Deltasig members. The new members and their Big Brothers celebrated with a banquet following the initiation ceremony.

On November 9, members enjoyed a

professional tour of American Cyanamid Company and on November 30 a professional tour of South Central Bell.

Delta Sigma Pi members were in charge of the concession stand during the recent three-day State CPA exam held in the Mississippi College Coliseum.

Members eagerly look forward to a great Deltasig finish for the 1982-83 school year.

## GULF SOUTH REGION

### LOUISIANA STATE BETA ZETA

Beta Zeta Chapter at Louisiana State University held the first symposium, a mixture of professional speakers and sports activities, on November 6. All members of Delta Sigma Pi Chapters and Alumni Chapters from around the state were invited. At the end of the year banquet, the professional speaker was Mr. Price Leblanc, businessman of Baton Rouge. The entire chapter of 110 attended and enjoyed his presentation.

At our recent initiation, 32 members were initiated into Beta Zeta Chapter. These new Brothers will help us recapture the 100,000 points status in the Chapter Efficiency Index which we held for such a long time.

—Hocine Said

### LOUISIANA TECH BETA PSI

All members of Beta Psi Chapter have greatly enjoyed the year so far. We have had several interesting speakers and tours, not to mention our fantastic parties.

We all looked forward to the basketball tournament in New Orleans sponsored by the Crescent City Alumni Chapter. Beta Psi Chapter was there in force.

Our new initiates gave a great party for the chapter just after initiation. They earned money for the party by selling M&M candy.

The new year has also brought a new set of officers and pledges. We will be working hard for the Most Outstanding Chapter Award.

—Renee Rees

### LOYOLA-NEW ORLEANS DELTA NU

The Delta Nu Chapter is proud to offer congratulations to all new members of Delta Sigma Pi and give recognition to our eight new members who were initiated last November 14, 1982. They are: Alonso Ardara, Michael Ehbacher, Penny Hankins, Shirley Kruebbe, Debbie Muley, Vickie Peters, Georgette Thompson and Marc Vigo.

Our Mardi Gras festivities are past and now we move on to our spring initiation and our Spring Formal in April. Also, a reminder to all those interested — the Delta Nu Chapter will be celebrating our 25th Anniversary in May, 1983

—Patricia L. Shea

### NEW ORLEANS EPSILON NU

Epsilon Nu Chapter at the University of New Orleans began this spring semester with 15 new undergraduate members and two new faculty members. The addition of these Brothers to Epsilon Nu Chapter greatly increased the presence of Delta Sigma Pi on campus. We are counting on these new Deltasigs to help us toward another 100,000 point year in the CEI.

Our renewed commitment to growth and our 17 new Brothers provided for another interesting rush program. This semester's program included a rush smoker and our annual wine and cheese party.

The biggest event in New Orleans this semester, the Mardi Gras season, gave all Deltasigs a special reason to throw a party.

—Lyle J. Saperia

### NICHOLS STATE ETA IOTA

Hi ya'll from the Eta Iota Chapter at Nicholls State University. We're having a very active and busy semester with various guest speakers, luncheons, fund raisers, community service projects and a few social gatherings.

Valentine's Day took the Brothers of

# the chapters speak

the Eta Iota Chapter to the Acadia Day Care Center for disabled children in Thibodaux. Everyone had a great time dancing, playing games, and receiving valentine cards and candy.

In memory of Brother Cliff Gresham, a member of our faculty who passed away last year, the Eta Iota Chapter sponsored a twenty-mile walk to raise money for the Hemophilia Foundation.

The Eta Iota Chapter was honored to have former Governor Edwin Edwards participate in our professional program as a guest speaker.

The Brothers of the Eta Iota Chapter would like to wish the best to all of you for the remainder of the spring semester.

---

## NORTHEAST LOUISIANA ETA OMICRON

Eta Omicron Chapter at Northeast Louisiana University hosted its fourth annual Business Information Systems Exhibit on March 2. Businesses which carry various types of information systems were invited to display their equipment to interested members of the community. Participation by both exhibitors and viewers increased considerably over the preceding year. This growth was enhanced by our move to bigger and better facilities, NLU's Ewing Coliseum. The exhibit provided an excellent opportunity for interested persons to keep abreast of current trends in the business world.

—David Rich

---

## NORTH CENTRAL REGION

### IOWA EPSILON

Epsilon Chapter at the University of Iowa began the academic year by initiating 26 new members. The usual eight weeks of pledge education went on very well under the watchful eyes of our Vice Presidency for Pledge Education Ann Kjeld and culminated in a memorable initiation.

The professional trip to Minneapolis was another highlight of our year's activities. This trip, organized by our vice president for professional activities, in-

Delta Pi Chapter Brother and President of Loyola University, Fr. Carter, gathered with other chapter members at a Crescent City Alumni Chapter party.

cluded visits to the Federal Reserve Bank where our Brothers were given an insight into the operational layout of this organization. Our Brothers also visited the Northwest National Bank of Minneapolis, the Minneapolis Grain Exchange and the Betty Crocker Kitchens. It was indeed a very educational trip for all who participated.

Epsilon Chapter also organized several fund raising projects which were all a success. These included a T-shirt sale, the proceeds of which went to our chapter fund. We also sold shot glasses and the proceeds from this helped alleviate our costs for the professional trip to Minneapolis.

—Joseph D'Aranjo

---

## NEBRASKA-LINCOLN ALPHA DELTA

Alpha Delta Chapter launched a fine spring semester. We started off with a very effective transition following new officer elections. The new officers include; Lynda Wenzl, president; Brenda Fleck; senior vice president; Doris Mackey, vice president for professional activities; Bruce Exstrom, vice president for pledge education; Colleen Dostal, secretary; Warren Eley, chancellor; Pa-

trice Scott, historian; and Norman Kromberg, CEI chairman.

We also want to extend our best wishes to all the chapters and their graduating seniors. It is from their hard work and enthusiasm that a spirit of success and accomplishment has been created for the Brotherhood.

—Doris L. Mackey

---

## SOUTH DAKOTA ALPHA ETA

Alpha Eta Chapter is proud to announce a membership of over 100! If each person helps the chapter earn only 1,000 points each, we should easily attain 100,000 points in the Chapter Efficiency Index.

Four members from our chapter and one Brother from Eta Pi Chapter at Wayne State went to the Diamond Anniversary in Cincinnati last November. Jim Lockhart, Jeff Mathieson, Bob Nelson, and Kyle Tingle represented Alpha Eta Chapter, and Ken Burns represented Eta Pi Chapter. These Brothers all gained a better knowledge of the fraternity and shared with us their valuable new insights. Needless to say, they all enjoyed themselves.

Our Ways and Means Committee in-

# the chapters speak

stigated a new fund raiser which was very successful. Bumper stickers that read "Is there Life after the B-School?," were very popular and profitable.

Some of the activities participated in by Alpha Eta Chapter included faculty teas, picnics and a softball game, and attendance at the basketball tournament in St. Cloud. Once again, the Alpha Eta Chapter had a very successful semester.

—Mitch Zoch

## ST. CLOUD STATE THETA TAU

Once again, the Theta Tau Chapter of St. Cloud State University has experienced a busy winter quarter. We had a successful winter pledge class and many other exciting professional events.

We were given the honor of hosting the 1983 North Central Regional Basketball Tournament. It was great to compete with all the other chapters in our region that attended the tournament. It was also a real pleasure to see some of our alumni again at this basketball tourney.

We also had several excellent speakers and tours, which included a trip down to Republic's Headquarters in Bloomington.

The Rose Dance is once again upon us; the date has been set for April 16 at the Sunwood Inn. We expect to have the Dave Lenard Band play a variety of music for us.

We are looking forward to a record turnout for the Florida trip we are sponsoring this year. This is a great way to finish an excellent winter quarter.

—Kyle E. Hansen

## MIDWESTERN REGION

### MISSOURI-COLUMBIA ALPHA BETA

Alpha Beta Chapter is looking forward to several major events this semester. We plan to invite several individuals from the University of Missouri-St. Louis campus where they are hoping to reactivate the Delta Sigma Pi chapter there. We will have a meeting between our Executive Board and their officers followed by a party to

Ten of Iota Nu Chapter's strongest pull in Delta Sigma Pi's First Annual Cerebral Palsy Benefit Tug-of-War Tournament at Northeast Missouri State University. All proceeds were presented to Cerebral Palsy on their annual telethon in January.

show our professional and social qualities.

Second, we will be celebrating our 60th Anniversary with a reunion of our alumni. Our own Marlow Kee, a new district director, will be heading the festivities.

We will also participate in a quad-initiation with the other Missouri chapters in Springfield, Missouri.

—Angela L. Phillips

### NORTHEAST MISSOURI STATE IOTA NU

The fall semester was a busy one, and the spring semester is starting out just as busy for Iota Nu Chapter. Answering telephones for the Cerebral Palsy Telethon, the Heart Association residential drive, "I Love Deltasig" button sales, and basketball concessions, are highlights of the many community service and fund raising activities already accomplished.

Congratulations are in order for the Iota Nu Undergraduate of the Year, President Dale Schenewerk.

A Deltasig scholarship for students of business was researched by the finance committee. It will be awarded for the first time in the fall of 1983.

The Professional Committee is preparing for several professional speakers and a spring tour has been planned. We're looking forward to the trip to Springfield for the quadruple initiation and spending time with other Brothers from Missouri.

—Patty Johns

### CENTRAL MISSOURI STATE IOTA OMICRON

Iota Omicron Chapter at Central Missouri State University has been active with recruitment activities and the pinning of another fine pledge class in February.

The new year also began with the third annual Iota Omicron Retreat on January 8, 1983. This event is a time for brain-storming, constructive criticism and a general renewal of chapter togetherness.

Along with professional activities, Iota Omicron Chapter welcomed back several Brothers for the annual Alumni Night in February.

Plans are being made for two field trips in March, Delta Sigma Pi Week in April and Missouri's Quad-initiation hosted by Kappa Omicron Chapter at Southwest Missouri State University.

—Jannet R. Dickey

# the chapters speak

## SOUTHWEST MISSOURI STATE KAPPA OMICRON

The 1983 spring semester got off to a resounding start at Kappa Omicron Chapter. Our first success was the spring rush program. Proof of its success is evidenced by our terrific pledge class. Now we are looking forward to hosting the quad-initiation to be held in April. Alpha Beta Chapter from the University of Missouri-Columbia, Iota Nu Chapter from Northeast Missouri State University, and Iota Omicron Chapter from Central Missouri State University will be participating in this unique event.

The second annual "Dress for Success" fashion program was held in February at Heer's department store in Springfield. All of the seniors graduating in May found it especially informative. Other activities included guest speakers, an alumni night and some great parties. We enjoyed every one of them.

Kappa Omicron Chapter is continuing to grow and prosper. Our Brotherhood is growing even stronger. The rest of this spring semester looks as if it will be equally rewarding.

—Judith A. McNeely

## SOUTHWESTERN REGION

### BAYLOR BETA IOTA

The Beta Iota Chapter at Baylor University was the host for the Southwestern Regional Conference held on November 13-14. All activities were held at the Hilton in Waco, Texas. Friday night was the traditional casino party with an auction at the end. Saturday was filled with seminars ranging from leadership development to discussion on rush activities and pledge education. Saturday culminated in a banquet with a brief presentation and announcement of the winner of the pearl and ruby badge raffle. Thanks to all who attended the conference and to Jeff Henry who made it such a success.

This semester has also been successful and we anticipate this success to be continued with all the activities we have planned the remainder of the academic year.

—Peggy A. O'Neill

Mark Sandy of Beta Iota Chapter at Baylor offers a piggy-back ride to one of the children at the Methodist Home in Waco.

### TEXAS TECH BETA UPSILON

Last semester marked our chapter's 35th year in existence and our initiation brought us 16 duly qualified new Brothers and pushed Beta Upsilon's total number of initiates to over 900 (911, to be exact)!

We were also quite excited about the Southwestern Regional Conference in Waco. Eight Beta Upsilon's enjoyed the conference and the three-day and two-night stay at the Waco Hilton. It was very interesting to meet and exchange ideas with so many new-found Brothers. Seminars, Yellow Dog Initiation, a casino party, a toga (pajama) party hosted by Delta Eta Chapter, a reception by the Houston Alumni Chapter, an awards banquet and a fantastic presentation from our gracious host chapter, Beta Iota completed an unforgettable weekend. Thank you, Beta Iota. Thank you, too, Barry Kleypas, very much.

One more thought for all graduating Brothers: as anyone who attended our regional conference and met "Beta Kappa 10" can testify, Brotherhood does not end at graduation—it is a perpetual thing. So, blessings and best wishes to

all graduating Deltasigs until we see you again (in Denver!).

—Carrie E. Larson

### TEXAS CHRISTIAN DELTA UPSILON

The Delta Upsilon Chapter at Texas Christian University was very pleased with this semester's rush. Due to its success, we were able to select those of finer quality suitable for the fraternity. We selected 15 individuals to pledge, good luck to all of them!

For the first time in our chapter's history we held a few donut and coffee sales in the M. J. Neeley School of Business lobby for one of our fund raisers. We sold green carnations on St. Patrick's Day. On Valentine's Day we sold red and white carnations, and we sponsored a car wash—all activities were a success as well as being good public relations for the fraternity.

Upcoming service projects of the Delta Upsilon Chapter include a clothing drive for the needy. We will also visit a local children's hospital in which we will present the children with Easter baskets and decorated eggs.

—Steven Marcus Narvaez

## INTERMOUNTAIN REGION

### NEW MEXICO GAMMA IOTA

The spring semester for the Gamma Iota Chapter thus far has proved to be exciting and positive. Rush activities were successful and concluded with our traditionally southwestern Margarita Party.

Presentations, speakers and tours range from every corner of the business world. Each member has been participating and working diligently in our community endeavors.

We are looking forward to initiating the members of the pledge class into the Gamma Iota Chapter. With their help we will work towards achieving 100,000 points in the Chapter Efficiency Index. Additionally, we anticipate the Rose Dance to be one which all will remember.

—Amy W. Holloway

# the chapters speak

Members of Gamma Omega Chapter at Arizona State tour the Palo Verde Nuclear Power Plant in Phoenix, Arizona.

## TEXAS-EL PASO GAMMA PHI

The Gamma Phi Chapter of the University of Texas at El Paso ended the 1982 fall semester productively. Recognition should be given to Fernie Zubiata, the president, and to the executive committee for their hard work throughout the semester. The new executive committee is now working hard to keep our chapter the Number One Chapter in the nation.

Due to the growth of the business college at the university, a new building was constructed. This new building was opened in the spring semester. The former pledge class assisted the business college by giving tours through the building to faculty members of the university.

The chapter was very pleased to welcome Dr. Smith as one of our faculty Brothers. We now have 18 faculty and staff members as Brothers.

Although the chapter began the semester with 15 new Brothers, we will be having our "graduation roast" for several of the graduating Brothers. These Brothers will be welcomed into the growing Sun City Alumni Chapter.

—Virginia I. Werthmann

## ARIZONA STATE GAMMA OMEGA

The Gamma Omega Chapter at Arizona State University held a very successful Halloween picnic for the Tempe handicapped adults. The picnic took place at beautiful Kiwanis Park in Tempe, Arizona. Approximately 15 members of our handicapped community participated in the picnic. The event took place on October 30, and all the Brothers of Gamma Omega Chapter helped make in an enjoyable afternoon for everyone by playing many games and preparing plenty of food, which included hot dogs, chips, potato salad, cupcakes and punch.

The Brothers of Gamma Omega Chapter would like to wish everybody a successful spring semester.

## NORTHERN ARIZONA ZETA OMEGA

The year 1983 got off to a great start with a well rounded calendar of professional, social and community service projects. The remainder of the semester seems equally promising. We look forward to celebrating Zeta Omega Chapter's 15th birthday on April 29. A reception will be held in the College of Business Administration's faculty lounge in honor of the occasion. Also held in April will be our annual Spring Banquet.

During the first part of May, we will once again have a "Blow Out" in honor of our graduates. Zeta Omega Chapter

is happily nearing the end of yet another good year!

—Katherine Hernandez

## WESTERN REGION

### SOUTHERN CALIFORNIA PHI

Phi Chapter at the University of Southern California celebrated its 61st Anniversary with style on the weekend of February 26-27. A formal dance was held on Saturday evening and on Sunday the undergraduates challenged the alumni to a softball game.

Vice President for Professional Activities Leonard Cisneros arranged several tours for the Brothers including one at General Motors Corporation, the largest car manufacturer in the nation. We also had 1968 Olympic Gold Medalist Andrew Strenk speak to us about how the 1984 Summer Olympics will affect Southern California and USC.

Activities planned for the end of the year include a university-wide cardiopulmonary resuscitation class, a job interview workshop with John Hammett, a management recruitment officer with Bank of America, and a symposium about women in the corporate world.

—Catherine A. Slater

### SAN FRANCISCO STATE DELTA OMICRON

In a move to improve communications between the chapter and the alumni, The Delta Omicron Monthly has engaged an alumnus as a contributing editor. Mrs. Ealish Matrisian keeps in contact with many of the graduated Brothers. In a column titled "Alumnus," the successes and joys of those who have left academe can be shared with undergraduates and alumni alike. The newsletter, the only one in the Western Region, is published four times a semester.

In keeping with the multicultural ambience of this city, the End of Semester Banquet was held in a new Japanese restaurant at the new Levi Strauss Center.

—Carolyn M. Neusslein

# the chapters speak

## NEVADA-RENO DELTA PI

The Delta Pi Chapter at the University of Nevada-Reno is having a great spring semester. We started with 16 new initiates, one of which is Assistant Dean R. C. Barnes.

At the close of the fall semester, Bob Barsanti was named Outstanding Member and Pat O'Bryan was named Outstanding Pledge.

Last fall, 10 Brothers attended the Western Regional Conference. The weekend was a huge success and everyone learned a lot about the fraternity.

We are all looking forward to the Grand Chapter Congress at Denver, Colorado, in August. We should have a great turnout, since many Brothers have expressed interest in attending.

—Linda M. Barsanti

## LOYOLA MARYMOUNT DELTA SIGMA

Spring is here again. It is hard to believe that the fall semester finally came to an end! During the past semester we

had two very successful fund raising events. The first one was a door-to-door bake sale; credit card applications were passed out for students to complete at the same time. The second was the result of the FAN (Fry All Night) eggroll sale.

Our alumni chapter presented the annual "Las Vegas Nite," their fund raising activity. Students of the whole school were invited to join in the fun and excitement of gambling—Las Vegas style. Members of the chapter were thrilled about this event since it not only joins the members of the undergraduate chapter with the alumni, but it also provided a chance for all of us to win money and enjoy ourselves.

## CAL POLY-POMONA ETA CHI

The Eta Chi Chapter at Cal Poly-Pomona welcomed the 1983 year with our largest undergraduate membership since 1975. In the last two quarters, a total of 17 new Brothers have joined us and we are looking forward to much more growth throughout the rest of this school year. Also, we are looking toward the definite possibility of earning

The newest Brothers of Epsilon Theta Chapter at Chico State get together to express their enthusiasm after their recent initiation.

100,000 CEI points for the first time since the 1971-72 school year.

As far as current activities are concerned, we spent much of winter quarter preparing for "Poly Vue," the open-house at Cal Poly, and we invite all chapters in the southern California area to come visit us toward the end of April.

## SAN DIEGO STATE IOTA PI

A very successful fall semester left Iota Pi Chapter proudly sending seven graduates into the business world and initiating 14 new members.

During the Western Regional Conference held in San Diego, presentations were made to some very special members. R. Nelson Mitchell received the Deltasig of the Year Award and Bill Tatum was presented with the Silver Helmet Award for his 25 years of active service within the fraternity.

Goals for the spring semester include continuing the growth in the chapter and the professional program.

We all hope your semester turns out as nice as ours has. Good luck and have a great spring semester.

—Julie M. Hamblin

Brothers Robin Whitaker and Terry Taylor share a joke at one of Iota Phi Chapter's recent recruiting parties at Cal State Fresno.

# CONGRESS CONVENES IN COLORADO

From its founding in the late 1850's to today, Denver, the capital city of Colorado, has been known as a "Boom Town." Gold brought the first settlers to this city which lies at the foot of the Rocky Mountains, and, since that very simple beginning, Denver has been a city of excitement.

Gold booms, silver booms and, more recently, oil shale and coal have expanded the "Mile High" city to a teeming metropolis of nearly two million.

Often considered to be an mountain Utopia full of cowboys and skiers, Denver is located at the foot-

hills of the Rockies, but do not despair, the majestic peaks are just twelve miles to the west, offering a spectacular backdrop to a spectacular city. Activities to suit a wide variety of interests abound. For the culturally inclined there is the Colorado Heritage Center, the Denver Art Museum and the Denver Center for the Performing Arts. For the sports minded, tennis, golf, hiking, hang gliding, backpacking and river running are just a few of the options available.

Photographers and naturalists will enjoy the scenery of Denver and numerous nearby points. Boulder

serves as a starting point for a variety of scenic drives. Imagine visiting Rocky Mountain National Park and dining 12,000 feet above sea level; crossing the Continental Divide or visiting Red Rocks Amphitheater, a 75 million year old outdoor concert hall.

South of Denver is famous Colorado Springs, home of the Air Force Academy, Colorado's number one attraction. Nearby is Pike's Peak and the famous Broadmoor Hotel.

No matter what interests you may have, Denver and surrounding areas offer an exciting site for the 34th Grand Chapter Congress.

Our convention will be headquartered at The Denver Marriott Hotel Southeast located 20 minutes from Stapleton International Airport and 15 minutes from the downtown area. Within a one mile radius of the Marriott, over 70 restaurants and several unique shopping areas can be found. Overlooking the Rocky Mountains, our convention hotel offers over 600 guest rooms and a number of amenities including several restaurants, both an indoor and an outdoor pool and free parking.

The May, 1983 issue will include more information on Denver and the convention itself, but make your plans now to be at the 34th Grand Chapter Congress, August 14-18, 1983, at the Denver Marriott Hotel Southeast.

Another "boom" will come to Denver in August . . . a week of learning, sharing, meeting new friends and celebrating "Brotherhood a Mile High!"

#### CONVENTION INFORMATION

Those registering for the convention will receive detailed information on transportation options, wardrobe needs, dress requirements, climate, available activities, convention program and other useful information.

#### TRANSPORTATION

Surface transportation is available to Denver via I-25, I-76 and I-70. A variety of commercial airlines serves Stapleton International Airport from which frequent limousine service is available to the Marriott. By rail Denver is serviced by Amtrak and the Denver & Rio Grande Western.

#### PROGRAM

A tentative convention program appears in this issue for your use. Further convention program details will be highlighted in the May, 1983 issue.

#### REGISTRATION FOR CONVENTION

An Advance Registration Form appears in this issue of the magazine and includes information on the advance registration cost.

Registrations received after July 14, 1983 or made at the convention will incur an additional \$15.00 above the appropriate Advance Registration Fee.

Cancellation received at The Central Office by July 29, 1983, will incur a \$5.00 handling fee. There will be no refund on cancellations after July 29, 1983.

Transfer of registration will incur a fee of \$5.00 and cannot be executed without the written authorization of the original registrant.

The fee charged for children under 16 years of age is for the cost of group meal functions during the convention.

#### HOTEL ROOM RATES

Daily Room Rates are shown on a per person basis and are European Plan (no meals included) and also include state taxes.

Singles—\$65.10 per day, per person, Total Convention Cost \$260.40.

Doubles—\$35.26 per day, per person, Total Convention Cost Per Person \$141.04.

Triples—\$27.13 per day, per person, Total Convention Cost Per Person \$108.52

Quads—\$23.06 per day, per person, Total Convention Cost Per Person \$92.24

#### YOUR PERSONAL COSTS

Your hotel bill, including taxes.

Transportation to Denver from your home (chapter delegate assistance allowances will be announced directly to the chapters).

All meals and gratuities, except those group meal functions included on the Official Convention Program.

Incidentals such as shopping, tours, souvenirs, entertainment, beverages, cabs, airport limousines and other items not a part of the Official Convention Program.

FINAL BUSINESS SESSION  
 Farewell Luncheon

STAFF OFFICE WILL BE OPEN ON SUNDAY THRU WEDNESDAY

# THIRTY YEARS OF EDUCATIONAL SERVICES

How did it begin? As far back as 1945, the Board of Directors of the International Fraternity of Delta Sigma Pi began to give consideration to the possibility and practicality of creating an Educational Foundation. This Foundation would enlarge upon some of the activities carried on by the Fraternity and inaugurate new services in the field of worthy educational and scientific projects of business research and other professional activities.

Following the 17th Grand Chapter Congress in 1949, Grand President Walter C. Sehm appointed a special committee to investigate such a project. The committee was chaired by Walton Juegnst who recommended to the Board of Directors in August, 1952, the adoption of a purpose, preparation of bylaws

and an organization set-up.

On March 11, 1953, the Delta Sigma Pi Educational Foundation was incorporated as a General Not For Profit Corporation under the laws of the State of Illinois.

Presently, the Delta Sigma Pi Educational Foundation funds the following programs: undergraduate scholarship program for Deltasig children-grandchildren-neices or nephews; graduate study grants for all members of Delta Sigma Pi; Delta Sigma Pi Scholarship Key, Delta Sigma Pi Biennial Survey of Universities Offering An Organized Curriculum in Commerce and Business Administration; and graduate study grants to the national winner of the Delta Sigma Pi Undergraduate of the Year Award.

All members in good standing of

the International Fraternity of Delta Sigma Pi, as well as the surviving spouse of such members, are eligible to become voting members of the Delta Sigma Pi Educational Foundation and do so upon contributing \$100.00 or more to the Foundation. Contributors of less than \$100.00 are associate members of the Foundation and become voting members once the total of their contribution reaches the \$100.00 level.

To make your contribution, send it to: Delta Sigma Pi Educational Foundation; c/o Ms. Theresa M. Jeszka, Treasurer, 4540 W. Marlette Avenue, Glendale, Arizona 85301. Please include your name, address and chapter.—MARC H. COHEN, PRESIDENT OF DELTA SIGMA PI EDUCATIONAL FOUNDATION

Timothy D. Gover

In the January, 1983 issue of The DELTASIG, we showcased the national and regional winners of The Delta Sigma Pi chapter awards: Most Outstanding Chapter, Most Improved Chapter and the National Community Service Award. In this issue, we recognize the National Chapter Advisor of the Year Award and its first recipient.

The National Chapter Advisor of the Year Award was established in 1981 and was first awarded in 1982. It was developed to recognize that one advisor, nationally, who has excelled in his or her service to the chapter and the fraternity.

To be eligible to receive this award, there are four criteria which must be met. First, the advisor must be an initiated Brother of the International Fraternity of Delta Sigma Pi. Second, the chapter nominating its advisor must have received a minimum of 75,000 points in the Chapter Efficiency Index during each of the three previous years. Third, the chapter advisor must have attended a majority of the chapter's business and professional meetings, at which meetings he or she has lent his or her counsel and advice when requested. Fourth, the nomination for the award must be made at a regular or special meeting of the chapter, with at least

90% of the chapter members approving.

The national winner for 1982 is Timothy D. Gover, chapter advisor for Epsilon Omega Chapter at Eastern Illinois University. Tim, a 1958 initiate of Beta Phi Chapter at Southern Methodist University, is an associate professor of finance at Eastern Illinois University. In 1964 he helped organize Epsilon Omega Chapter and has served as chapter advisor from 1964 to 1971 and 1974 to the present.

He has served Delta Sigma Pi and Epsilon Omega Chapter in a number of ways: as a member of the Board of Directors; as a district director; and as chairman of numerous national committees. He has attended seven meetings of the Grand Chapter Congress and has also attended seven regional conferences.

Since the chapter's founding in 1964, Epsilon Omega Chapter has achieved 100,000 points in the Chapter Efficiency Index 13 times and only once has the chapter failed to obtain 75,000 points in one year. This outstanding performance not only reflects on the chapter, but also on its advisor, Timothy D. Gover. His service to Epsilon Omega Chapter and the national fraternity make him an excellent choice as the recipient of the National Chapter Advisor of the Year Award.
