FOCUS ON THE FRATERNITY

Welcome to a new biennium, and welcome to the age of opportunity!

Upon election as your new Grand President, I spoke about a college student 20 years ago completing a Collegian of the Year application. At the time, it was a resume with an objective statement, simply stated: “to be the first female Grand President of Delta Sigma Pi”.

Kathy Jahnke, Grand President

That college student was me, and I lost that election at the chapter level. I then went on to run for chapter president at the end of that semester only to lose that election. I graduated college and all I wanted to be was a District Director. To this day I have never served in a District Director position.

The point I want to make is that your life in Delta Sigma Pi is what you make of it – and perseverance is the key. We offer endless opportunities as long as you fulfill your commitment to stay involved. And with our new governance structure now in effect, we have more opportunities for involvement than ever before.

After graduation, I continued my commitment by joining the Chicago Alumni Chapter. Ten years later I had the opportunity to work with a local chapter in operational trouble which motivated me to run for Regional Director. I won the position as Great Lakes Regional Director, then Mid-American Provincial Vice President and now I am writing this as your Grand President. All because I took advantage of the opportunities that Delta Sigma Pi offered.

I never forgot my early experiences of wanting to be involved. And because of that, I have made a commitment over time to be the type of leader to always allow people the opportunity to express their ideas and realize their dreams.

As we move forward as a Fraternity, I am going to keep true to this leadership style since I believe this should be *our* Fraternity, not *my* Fraternity.

At Grand Chapter Congress, I stated that my main goal was to ensure that our new governance is implemented and succeeds. I believe it will work by letting the various elected and appointed leaders do their jobs in the way they see fit to achieve success. My personal mission is to work with the leadership team by communicating and guiding so we can achieve success as a Fraternity.

Within this issue of The DELTASIG, you can read about our newly elected leadership team – consisting of the Board of Directors and Regional Vice Presidents. At this time, I would like to introduce the chairs of our new national committees: Finance-Jeff Zych, Organizational Development-Mark Mikelat, Professional Development-Steve Black, Community Service-Beth Keith, Alumni Development-Velvet Simmons, Scholastic Development and Awards-Missy Ekern, and Nominations-Norm Kromberg. In addition, Randy Hultz has been appointed chair of the Centennial Celebration Committee.

The people mentioned above, along with their committee members and newly formed provincial committees, are examples of people taking advantage of opportunities available in Delta Sigma Pi. You, too, will have the chance to take advantage of opportunities and I hope you fulfill your commitment to stay involved. Your first chance for opportunities will be this fall at a LEAD School. Collegians (members and pledges) and alumni are encouraged to participate in the personal, professional and leadership development sessions offered around the country. Alumni are also invited to attend our volunteer leadership development track during the LEAD Schools to find out more

about opportunities available. (See “Calendar” on page 3 for dates and locations.)

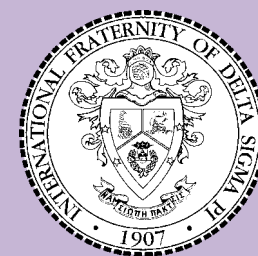

Many opportunities exist as the Fraternity continues to seek alumni (and in some instances, collegians) to assist with expansion efforts, District Director roles and provincial committees.

I hope you are laying the foundation for your future in Delta Sigma Pi! By staying committed and involved I was able to realize a dream. You, too, can realize your dreams through Delta Sigma Pi by staying involved and living by our purpose.

Fraternally,

A handwritten signature in black ink, appearing to read 'Kathy Jahnke'.

Kathy Jahnke
Grand President

The leadership and staff of Delta Sigma Pi wish to express deep sympathy for all those who were affected by the recent terrorist attacks. Our thoughts and prayers are with all the victims, and their families and friends.

Delta Sigma Pi Moves into the Future with Dynamic Leadership

The final business session of each Grand Chapter Congress is devoted to the election of the Board of Directors and Regional Vice Presidents, the men and women who will lead Delta Sigma Pi for the subsequent biennium. At the 43rd Grand Chapter Congress in Buffalo, New York, a stellar group of dedicated Deltasigs became the leaders for the new biennium. They are ready to guide Delta Sigma Pi into a new and exciting chapter of the Fraternity's history.

GRAND PRESIDENT

KATHLEEN M. (KATHY) JAHNKE

Brother Jahnke is customer service manager at Wicklander Printing Company and lives in Lombard, Illinois. Initiated into the Eta Mu Chapter in 1980 at *Northern Illinois University*, Kathy served as Senior Vice President and Social Chair of the chapter. A member of the Chicago Alumni Chapter for 19 years, she served as Historian, Board Member, Vice President of Membership, Vice President of Professional Activities, and President.

Her national responsibilities include Great Lakes Regional Director, and Mid-American Provincial Vice President. Kathy says of her new role as Grand President of the Fraternity, "My philosophy is leadership through empowerment. In my fraternal as well as my professional career, I believe in the sharing of knowledge and experience along with trust to allow all to succeed."

PAST GRAND PRESIDENT

NORM KROMBERG

Brother Kromberg is the vice president of Technology Audit at First Data Corporation, a world leader in the processing of electronic transactions. He lives in Omaha with his wife, Kim. A 1981 initiate of Alpha Delta, *Nebraska-Lincoln*, Norm served the chapter as President, Vice President of Professional Activities, and Vice President of Chapter Operations.

Prior to his election as Grand President in 1997 and 1999, Norm served as Mid-American Provincial Vice President, North Central Regional Director, District Director, and on a number of national committees. He has also served as a Leadership Foundation Trustee and is affiliated with the Lincoln-Greater Nebraska Alumni Chapter, for which he has served as President and Vice President.

VICE PRESIDENT - ORGANIZATIONAL DEVELOPMENT

MARK R. MIKELAT

Brother Mikelat has held many national responsibilities since his initiation into Gamma Omega, *Arizona State*, in 1989. He was President of his pledge class, Scholarship Committee Chairperson, Inter-Chapter Committee Chairperson, and Delegate to the Grand Chapter Congress in 1991. Mark's alumni chapter affiliations are with the Pier 9/Long Beach Alumni Chapter as well as being a founding member of the Orange County Alumni Chapter in 1991.

Mark's service to Delta Sigma Pi has included District Director for five years for Arizona State, Cal State-Fullerton and Cal State-Long Beach.

Mark has a consulting practice, M² Strategy Consulting, and lives in Long Beach, California.

VICE PRESIDENT - FINANCE

JEFFREY E. (ZEKE) ZYCH

Brother Zych, who lives in Kansas City, Missouri, is the vice president and chief financial officer for Arthur J. Gallagher & Company - Kansas City. Initiated in 1989 into Alpha Omega, *DePaul*, Zeke served as Senior Vice President, Secretary, Chancellor, and Treasurer of his chapter. As an alumnus, he sat on the Chicago Alumni Chapter Board of Directors and served as the chapter's president. He also served as District Director and Great Lakes Regional Director.

"This position needs a leader who has the real world experience it takes to effect change in a short time frame," Zeke says. "I can take the experience gained as CFO of a large organization and use it to help Delta Sigma Pi and its leadership manage Fraternity finances more effectively."

NORTH CENTRAL PROVINCIAL VICE PRESIDENT

PETER G. BJELAN

Brother Bjelan, an initiate of Alpha Omega, *De Paul*, has served Delta Sigma Pi with pride since 1985. He was President, Senior Vice President, Vice President for Pledge Education, and Secretary for the chapter before graduating in 1989. Now manager of Voice Network Operations at AT&T Global Network Services, he lives in Chicago, where he has also served as Board Member and President of the Chicago Alumni Chapter.

National positions have included District Director, *Lewis*, 1991-94 and Great Lakes Regional Director, 2000-01.

NORTHEASTERN PROVINCIAL VICE PRESIDENT

MARK A. CHIACCHIARI

Brother Chiacchiari, the National Collegian of the Year for 1999-2001, enthusiastically assumes the position of Northeastern Provincial Vice President for this biennium. In the professional realm, Mark is a senior systems engineer for Key Corp and lives in Solon, Ohio with his wife, Michelle. He was initiated into Beta Nu, *Pennsylvania*, in 1994, where he served as President, Vice President for Professional Activities, Vice President for Pledge Education, Chancellor, and Chapter Advisor. While earning a dual degree in engineering and economics, Mark worked as a consultant with Chiacchiari Consulting, a company he founded in Cleveland. Today, Mark is affiliated with the Cleveland North Coast Alumni Chapter.

SOUTH CENTRAL PROVINCIAL VICE PRESIDENT

DAWN N. LIBBERT

Brother Libbert has served the Fraternity as the 1998

National Collegian of the Year; Governance Task Force Member; Awards Committee Chairperson; and District Director.

Dawn works as a recruiter for St. Mary's Health Center, and lives in Jefferson City, Missouri. A member of Iota Omicron, *Central Missouri State*, Dawn served as President, Senior Vice President, Vice President for Pledge Education, and Historian for her college chapter. Her alumni chapter affiliations include St. Louis, Kansas City, Chicago, Twin Cities, and Houston-Space City.

SOUTHEASTERN PROVINCIAL VICE PRESIDENT

MITCHELL B. SIMMONS

Brother Simmons is looking to all areas of Provincial growth – in leadership development, national events, and operations – as he assumes the position of Southeastern Provincial Vice President. A 1982 initiate of Gamma Tau, *Southern Mississippi*, Mitch served as President, Senior Vice President, Chancellor, and Ritual Chairman, then became a member of the Atlanta Alumni Chapter, where he has served as Treasurer and President. He has also served the Fraternity as Chapter Consultant, District Director, and Southeastern Regional Director.

Mitch lives in Marietta, Georgia with his wife, Velvet, *Northeast Louisiana*, (National Alumni Development Committee Chair) and works as an agent for Georgia Farm Bureau Insurance.

WESTERN PROVINCIAL VICE PRESIDENT

CLAIRE SAMMON ROBERTS

Brother Roberts is vice president of Risk Management Business Internet Services for Wells Fargo Bank in her professional life. A resident of

Orinda, California, Claire was initiated into Delta Omicron, *San Francisco State*, in 1979. While in school, she served as Secretary and Vice President of Pledge Education. She is the Secretary/Treasurer for the Alcatraz Alumni Chapter, a position she has held since 2000. Her past national offices and distinctions have included District Director of the Year, Receiver, and Western Regional Director. She has been the Western Provincial Vice President since 1999. She is married to Mark, *San Francisco*, who most recently served as Vice President for Alumni Benefits and Services.

2000

COLLEGIAN OF THE YEAR

MELISSA K. (MISSY) EKERN

Brother Ekern, a member of the Nu Tau Chapter at the *University of St. Thomas*, is also serving as chair of the National Scholastic Development and Awards Committee.

Initiated in 1995, she served as President of the chapter during her senior year, and was Nu Tau's Delegate at Grand Chapter Congress in 1997 and Alternate in 1999. Other positions included Treasurer, Vice President-Chapter Operations, Brotherhood Chair, various roles on the Ritual Team, and Vice President-Pledge Education.

She is currently employed as marketing manager at BioE, Inc. in St. Paul, Minnesota.

2001

COLLEGIAN OF THE YEAR

BRANDON D. TREASE

Brother Trease is the 2001 National Collegian of the Year. In August, he began a two-year term on the Fraternity's Board of Directors.

Brandon was initiated into the Eta Pi Chapter at *Wayne State College* in Nebraska, where he served as President,

Senior Vice President, Secretary, and Vice President for Professional Activities. Brandon is a software trainer with Information Technology Inc. in Lincoln, Nebraska.

"Leading with Integrity"

Delta Sigma Pi Sponsors the Inaugural Regional LeaderShape® Institute

Ten Deltasigs attended the first-ever Regional LeaderShape® Institute with the financial support of Delta Sigma Pi and the Leadership Foundation. Shown above when they visited the Central Office, clockwise are: Josh Linville, *Missouri-Columbia*; Evan Siljander, *St. Cloud*; Crystal Justice, *Pacific*; Lisa Stamitoles, *West Florida*; John Schipul, *Valparaiso*; Carolyn Meade, *Truman State*; Shaun Overton, *Truman State*; Kevin Krause, *Siena*; Jason White, *College of New Jersey*; and Corey Polton, *Cal State-Fullerton*. The Fraternity helped orchestrate the event with Miami-Ohio and other Oxford area schools.

Delta Sigma Pi participated in the first-ever Regional LeaderShape® Institute on July 19-24, 2001. Ten Deltasig students joined 39 other students from Xavier University, the University of Cincinnati, Northern Kentucky University, the University of Dayton, and Miami University for this six-day leadership event.

Similar to the Delta Sigma Pi Ultimate Academy, The LeaderShape® Institute is an intensive, energizing, and unique educational experience designed to develop students' ability to lead with integrity. The Institute is comprised of no more than 60 students from diverse experiences, ethnic, religious, and cultural backgrounds.

The Delta Sigma Pi Leadership Foundation selected a committee from its Trustees to review the applications received and select the attendees for the ten spaces reserved. Alison Spring, *Drake*, volunteered her time for the six days to serve as the Deltasig-appointed facilitator for this event. Brother Spring

is a facilitator and human resources manager for PricewaterhouseCoopers in Chicago.

At The LeaderShape® Institute, participants created a "LeaderShape Vision," a project that is implemented throughout the following year. The objective of these participant programs is to create "extraordinary improvements" on campus or in the community. LeaderShape® makes the most impact when participants make a commitment to test and apply the principles and skills learned through making a difference for others. In committing to LeaderShape, the first Delta Sigma Pi participants were affirming a year-long commitment to improving the Fraternity, their respective schools, and surrounding communities.

The Institute environment resembles a laboratory more than a formal classroom. Participants are encouraged to practice new skills, give and receive feedback from peers and faculty, and test new behaviors in a safe, supportive atmosphere. LeaderShape's guiding

principle is that everyone at The LeaderShape Institute is a teacher and everyone is a learner.

The LeaderShape Institute emphasizes the fact that "You Can Make a Difference!" as participants take on bold challenges and understand that leaders are not born or made, but shaped—and that each has a significant role to play in his/her own shaping.

Considerable thought has gone into making sure that The LeaderShape Institute curriculum promotes participant development. A variety of teaching methods are used to engage participants with different learning styles. The Institute believes that everyone has the capacity to effectively lead with integrity, and that this capacity can be developed in all people who are committed to doing so.

The Deltasig participants were enthusiastic and reflected the inspiration they had found at The Institute. Here are some of their comments:

"I learned so much about leadership and working together as a community. I plan to take the ideas I have learned and share them with my chapter and others that I work with. This has been a valuable experience which I believe will benefit both myself and the Fraternity."

"The material and program was great and what I learned was unbelievable. I have never been to anything like this where, in such a short period of time, you could learn so much."

"This was an outstanding program and I feel privileged for the opportunity to participate in The LeaderShape Institute. I personally found the development of a vision and goals very intense and enlightening, and now believe that I will be able to make a difference for others."

"LeaderShape provided me the opportunity to become a better leader in my community and my chapter. There were 49 proven leaders at LeaderShape, and imagine what it would be like if we all attended the same university. Can you think of the difference we could make?"

"I strongly recommend that all brothers attend a LeaderShape confer-

ence in the future. It will change your life dramatically."

Delta Sigma Pi is planning another LeaderShape® Institute July 30-August 4, 2002, in the Cincinnati/Oxford area. Watch for more information on the Delta Sigma Pi web site at www.dspnet.org. The Leadership Foundation has committed to support the 2002 program and welcomes contributions to reach its goal of \$20,000. ▲

History of The LeaderShape® Institute

The LeaderShape® Institute held its pilot program in 1986 at the Allerton Conference Center near Champaign, Illinois. Originally developed by Alpha Tau Omega Fraternity as a means of improving campus leadership, The LeaderShape Institute now serves young adults representing a wide variety of organizations throughout the United States. To date, more than 8,000 participants from colleges, universities, and corporations from across the country have attended The LeaderShape Institute. In addition, more than 700 volunteer faculty have contributed their time and talents since the program began in 1986. More than 30 colleges and universities conducted campus-based sessions for their students in 2001.

LeaderShape, Inc., a separate non-profit corporation which oversees The LeaderShape Institute and furthers its mission of leadership development, is governed by a Board of Trustees, staffed by a team of employees, and supported by numerous committed volunteers.

CHAPTER MANAGEMENT AWARDS

Highest Fundraiser Award

Beta Gamma, *South Carolina*, had the highest profits from a single fundraiser during the year. The chapter received net profits of \$18,900 for planning and hosting a spring weekend vacation.

Highest Annual Fundraising

Epsilon Theta, *Cal State-Chico*, received the award for the highest fundraising profits totaled from all their events throughout the year. The chapter had net profits of \$29,025.

Highest GPA Chapter Average

Kappa Phi, *Valparaiso*, was recognized as the chapter with the highest grade point average for the year with a 3.23. Chapters report grades for all terms and the grade totals are divided by the number of members in the chapter.

Most Improved CEI

Zeta Mu, *Texas-Arlington*, achieved the greatest increase in CEI from the 1999-00 year to the 2000-01 year. The Chapter had an improvement of 50,100 points based on the adjusted point goal of 100,000 points.

Highest Awarded CEI Points

Chapters are recognized for their total efforts in CEI beyond the adjusted 100,000 point goal. The highest CEI award was presented to Beta Pi, *Kent State*, with a total of 165,311 awarded points.

Epsilon Phi Chapter (*Cal State-Sacramento*) received the Collegiate Chapter Travel Award during the Grand Chapter Congress banquet. The Alumni Travel Award went to the Houston-Space City Alumni Chapter.

ETA CHI CHAPTER RETURNS TO CAL POLY-POMONA

Then-Grand President Norm Kromberg (right) presents the Eta Chi Chapter charter to colony President Steve Ramirez. On hand for the presentation was Chapter Advisor Ralph Miller (left).

Deltasigs met at California State Polytechnic-Pomona on June 2, 2001 to re-charter the Eta Chi Chapter which had been closed since 1989. A colony targeting the reactivation officially began on September 3, 1999 with special assistance from Brother Jennifer Webb, *South Carolina*, who was studying at Cal Poly-Pomona.

During their time as a colony, the students planned a variety of programs to meet the objectives of the Fraternity and meet the extracurricular needs of the members. The professional program included topics on Robert's Rules of Order, consulting, personal investing, entrepreneurship, and resume writing. In addition, speakers represented Enterprise Rent-A-Car and a tour was taken of the APL Company.

Active in the community, the colony assisted in numerous phone-athons with KLON Radio and KCET to benefit charities. Other activities included preparing holiday food baskets, assisting an apartment village, and working at the Ronald McDonald House. During holidays, they also supported the Angel Tree and donated clothing to an inner-city organization.

To support and finance their endeavors, they worked security for a

number of concerts and attended several television tapings. One notable concert they worked was the popular group, N'Sync. All the meetings and events of the colony yielded them nearly 84,000 CEI points and enough members to petition for the charter.

The group demonstrated their fraternal interests outside their own group by enhancing their brotherhood and leadership development at the Pacific Coast/South Pacific LEAD Regional Conference, a local area conference, and the Western Provincial Council Meeting as well as visiting nearby Lambda Sigma Chapter at Cal State-Fullerton.

Upon completion of the Pledge Education program, with assistance from District Director Joe O'Brien, *Hawaii-Hilo*, 36 pledges were initiated on June 2, 2001 and the reactivation effort for Eta Chi Chapter was completed. The ceremonies were held on campus, with a banquet following at the Sheraton Suites Fairplex.

Then-Grand President Norm Kromberg was the installing officer, with assistance from collegiate members from CSU-Fullerton, UC-Riverside, and Redlands. Brothers Jennifer Webb and Joe O'Brien continued their support and assistance throughout the

day of celebration and were recognized with appreciation from both the chapter and the Fraternity.

Pacific Coast Regional Director Darrell Keller served as Master of Ceremonies for the reactivation banquet. The program began with an invocation by new member Orsolya Forgo and a history of the university and College of Business Administration by Chapter Advisor, Brother Ralph Miller. New member Steve Rodriguez shared a history of the colony via a slide show before receiving the charter from the Grand President.

Leadership Foundation Trustee Greg Howell presented the Scholarship Key Plaque to new member Pascual Castillo, and Provincial Vice President Claire Sammon Roberts presented Brother Forgo with the new chapter gavel. Cal Poly alumnus and Golden Council member Adrian Avalos presented the president with a pearl and ruby badge as a special token to begin a tradition of transition for future chapter presidents. Upon the conclusion of presentations, Educational and Leadership Consultant JoAnne Hendricks delivered Fraternal greetings from the Central Office staff and other brothers who sent their greetings but were unable to attend.

Other Board members in attendance for the celebration were Vice President

for Alumni Benefits and Services Mark Roberts, Collegian of the Year 2000 Missy Ekern, and Leadership Foundation Trustee Bill Tatum as well as a host of Golden Council members and other alumni.

California State Polytechnic University-Pomona was founded in 1938 when Charles B. Voorhis donated his school for boys (founded in 1927) to the California State System.

There was already a vision by Cal Poly-San Luis Obispo to expand to a southern location and this acquisition made it a reality. The campus is well known for its Arabian horse ranch which was donated by W.K. Kellogg in 1932. Today, enrollment exceeds 16,000 students.

The College of Business Administration was formed in 1968 and is now accredited by AACSB and offers seven majors to 4,000 undergraduates. In addition, two other departments qualify for Delta Sigma Pi: Food Marketing/Agribusiness Management and the Collins School of Hospitality Management. With this large market, the chapter is sure to be successful for many years to come. Eta Chi Chapter was first chartered on November 16, 1969, and has now initiated 335 total members. Welcome back Eta Chi! ▲

On April 21, 2001, an honorary initiation ceremony was conducted by the Cincinnati Alumni Chapter for long-time dedicated Central Office staff members. In this special ceremony held in the Founders' Room of the Central Office, (from left above) Kristin Marks, Margie Tankersley, and Cheryl Campbell became brothers of Delta Sigma Pi. Cheryl is administrative assistant/bookkeeper, Margie is administrative assistant/chapter and expansion services and Kristin was administrative assistant/education and communication, although she has since left to start a family. Congratulations and welcome to Delta Sigma Pi!

NAVIGATING CHANGE:

THE 43rd GRAND CHAPTER CONGRESS CONVENES AT GREATER NIAGARA FALLS/BUFFALO

Kathy Jahnke, the 33rd Grand President of Delta Sigma Pi, thanks the delegates of the Grand Chapter Congress for the opportunity to lead them through the biennium.

Against the exciting backdrop of Niagara Falls, Delta Sigma Pi held the Fraternity's 43rd Grand Chapter Congress on August 15-19, 2001. Planning for this momentous event had begun over three years ago, and now delegates and visitors could realize the vision of navigating change as Delta Sigma Pi Fraternity enters a new millennium.

The Grand Chapter Congress welcomed registrants on Tuesday, August 14, and then offered a tour of the grandeur of Niagara Falls from the United State's side. Embroidery 4 All offered Deltasig merchandise beginning this day and throughout the week. A few collegiate and alumni chapters also sold Deltasig merchandise as chapter fund-raisers. Those attending Congress had the opportunity to catch a Buffalo Bisons baseball game later that evening and share fellowship and fun with their brothers.

Educational Sessions Begin the Congress

Wednesday morning, August 15, saw the start of the educational sessions which are an essential part of Grand Chapter Congress. Patti Holmes, founder and president of

Holmes Training and Development in Oxford, Ohio, presented the keynote kickoff, "The Spirit of Leadership," a topic that many of the membership found especially inspiring. The session covered building self-esteem, how to live your values, build trust, demonstrate integrity and be visionary while bringing out the leader in all of us.

The educational sessions which began after Patti's kickoff included: "All I Really Need to Know in Business, I Learned in Delta Sigma Pi," presented by Tim Augustine, *Kent State*; "Volunteer Leadership Development," with Joan Nason, *Bowling Green State*, and Velvet Simmons, *Northeast Louisiana*; and "Effective Presentations," given by Greg Howell, *Pacific*.

Patti Holmes presented again with her timely session entitled "Visioning for the Future." Katie Koch's, *Eastern Illinois*, session, "Conflict Management and Confrontation Skills," gave attendees an opportunity to gain knowledge that is especially valuable in today's business world. Claire Moomjian, *Akron*, discussed "To Affinity and Beyond (The Buzz About Bucks)," while Past Grand President Bill Tatum, *Southern Mississippi*, offered valuable information to collegiates in his "Recruiting" session. Sandy Shoemaker, *Southwest Missouri State*, discussed "In the Beginning . . . Pledge Education," Past Grand President Randy Hultz, *Truman State*, presented "The Mysteries of Ritual," and Alison Spring, *Drake*, talked about "Motivation and Teambuilding."

Heather Price and Michael Van Grinsven of Northwestern Mutual, a Delta Sigma Pi corporate sponsor, discussed the importance of "Mental Toughness" in the professional realm, while Sean Boyd, *George Mason*, inspired attendees with "Goaaal!!!"

Niagara and Beyond

Congress attendees once again had the chance to view Niagara Falls on a special tour, or visit the open bazaar, "Deltasig Marketplace: Career and Chapter Resources," where members could interact with alumni, corporate sponsors, experts on exciting and effective chapter management ideas, career opportunities and vendors who offered products, including Brag Tag.

Educational sessions which followed later that morning included information on the crucial importance of communication: "I Never Learned Anything by Talking—Effective Listening Skills," by Patti Holmes, and "Communicating in Today's World," presented by Salome Tinker, *Howard*.

An Honorary Initiate Becomes a Proud Part of Delta Sigma Pi

On Wednesday afternoon, Patti Holmes, the keynote speaker for the Grand Chapter Congress, became an honorary initiate in a special ceremony. Patti founded Holmes Training and Development 14 years ago. The company is based in Oxford, Ohio, where Delta Sigma Pi is also headquartered. Patti is an organizational consultant and professional speaker, and specializes in training and problem solving in areas of motivation, leadership, communication, team-building, strategic planning, and organizational change.

She has published several articles, served as an editorial member of a professional journal for six years, and is committed to enriching, educating, and energizing individuals and organizations. She is the author of the book *What Do Followers Expect of Leaders*. Her clients include numerous Fortune 500 corporations, as well as small, privately-owned businesses and non-profit organizations.

Afternoon educational sessions

included Tim Augustine's renowned "How Hard Are You Knocking?," "Effective Teams," presented by Katie Koch, and information for future entrepreneurs was offered in Michael Van Grinsven's "Six Steps to Self Employment."

Board and Regional Vice President candidate information sessions were also offered to those running for such positions.

The Close to an Exciting First Day of Congress

That afternoon, Collegian of the Year for 2000, Missy Ekern, *St. Thomas*, presented her Collegian of the Year address which was followed by an orientation session for delegates and alternates.

In the evening, everyone was privileged to take part in "Delta Sigma Pi: A History of Change." This unique event, focusing on the Central Office and its staff and hosted by 1994 Lifetime Achievement Honoree and Past Grand President Mike Mallonee, *Oklahoma*, presented a distinguished panel to the Congress, including: Past Executive Director Charles Farrar, *Louisiana Tech*; Past Executive Director Mike Mazur, *Georgia State*; Executive Director Bill Schilling, *Nebraska-Lincoln*; Past Chapter Consultant Lynnette Servaes, *Cal State-Sacramento*; Past Chapter Consultant Rich Garber, *Indiana-Bloomington*; Past Chapter Consultant and Director of Chapter Services Mark Roberts, *San Francisco*; 1998 Lifetime Achievement Award recipient Frank M. Busch, Jr. *Sam Houston State*; and Past Grand President Randy Hultz, *Truman State*, sitting in for an ill Jim Prescott, *Loyola-Chicago*.

The evening ended with the Grand President's Reception, Dance, and Golden Knights Ceremony in the Buffalo Convention Center. This casual no-alcohol event featured a DJ, dance contests, and other activities

that included the inaugural Golden Knights Ceremony and chapter merchandise sales. Geico Insurance was the sponsor for this special event with free soda and buffalo wings for all.

The Grand Chapter Congress Begins Business

On Thursday, August 16, the new governance structure went into effect and the Fraternity made history with the implementation of the new structure.

The opening business session featured the presentation of delegates, opening ritual, memorial service and the report of the Grand President and national committee heads.

A call for additional nominations for Board and Regional Vice President positions was made and then discussion and voting began on proposed changes to the Fraternity Bylaws and Ritual.

The morning session adjourned and the Alumni Recognition Lunch and Program got under way. Honored with Silver Helmet Awards for 25 years of Fraternity service were: Leon S. Niles, *Rochester Tech*, Laurie Gail Senko, *Arizona State*, Samuel F. Shaheen, *Akron*, Linda K. Vawter, *Arizona State*, Paul J. Frey, *Buffalo*, James A. Calamita, *Buffalo*, Froncell Clifton, Jr., *Buffalo*, Samuel J. Puma, *Buffalo*, Arthur J. Rago, *Buffalo*, and Robert J. Tiffany, *Buffalo*.

Ronald E. Christopher, *Georgia State* and Gilman G. Louie, *San Francisco State*, were recognized for their career achievements.

The business session reconvened, and later that afternoon Brother Jim Jacobs, *Albany*, presented "Delta Sigma Pi's Early History." Brother Jacobs, son of Founder Harold Valentine Jacobs, treated the audience to a unique retrospective of Delta Sigma Pi, aided by his wife, Brother Julia Jacobs, *Siena*.

In the evening, Congress attendees enjoyed a free concert at "Thursday at the Square" in downtown Buffalo. Meeting and reunion rooms were also open to allow various Deltasig groups to gather for open discussion and fellowship. Former Central Office staff and Ultimate Academy/LeaderShape reunions were among those held.

Provincial and National Awards Honor the Best in Delta Sigma Pi

The business session resumed on Friday, August 17 with final nominations being accepted for Grand Officers and Regional Vice Presidents. The Grand President, Vice President-Organizational Development, and Vice President-Finance caucuses were held, and Regional caucuses ran until late morning.

Provincial awards were given for each of the four provinces recognized within Delta Sigma Pi before the new governance structure. The Awards Luncheon kicked off the National Awards Program (see page 8 for complete details and award winners in the collegiate, alumni and individual recognition categories) and the 2001 Collegian of the Year Address was given by Brandon Trease. Brandon is a 1997 initiate of Eta Pi Chapter at Wayne State-Nebraska. The afternoon proceeded with caucuses for the positions of Provincial Vice President.

Congress attendees then enjoyed an evening at the Niagara Falls Convention Center and all the area had to offer. Adventures included the Maid of the Mist and the Rainbow Bridge into Canada. Shuttles took attendees to Goat Island and the Cave of the Winds, Canada's casino/Hard Rock Café area, and Canada's Horseshoe Falls. A food buffet (with plenty of buffalo wings) and live band, 3-D, entertained everyone at Niagara Falls.

Late night brotherhood events back at the Hyatt brought this memorable day to a close.

Delta Sigma Pi's Grand Officers Navigate Change for the Fraternity

Saturday's business session on August 18 saw exciting elections and the installation of Delta Sigma Pi's Grand Officers and Regional Vice Presidents for 2001-2003. History was made as Kathy Jahnke, *Northern Illinois*, was elected as the first female Grand President. Other Board members elected and/or taking office under the

new governance structure include: Past Grand President Norm Kromberg, *Nebraska-Lincoln*, Vice President-Organizational Development Mark R. Mikelat, *Arizona State*, Vice President-Finance Jeffrey E. Zych, *DePaul*, North Central Provincial Vice President Peter G. Bjelan, *DePaul*, Northeastern Provincial Vice President Mark Chiacchiari, *Pennsylvania*, South Central Provincial Vice President Dawn N. Libbert, *Central Missouri State*, Southeastern Provincial Vice President Mitchell B. Simmons, *Southern Mississippi*, Western Provincial Vice President Claire Sammon Roberts, *San Francisco State*, 2000 Collegian of the Year Missy Ekern, *St. Thomas*, 2001 Collegian of the Year Brandon Trease, *Wayne State-Nebraska*, and Executive Director Bill Schilling, *Nebraska-Lincoln*.

Testimonials were enjoyed by all and created many fun and fond memories. A closing ritual brought the true meaning of brotherhood home to all who attended the ceremony. New Board members met at a special luncheon and Provincial Council meetings for the five new provinces rounded out the afternoon.

Early in the evening, a reception and auction for Leadership Foundation donors and alumni provided a special event for these important members and friends of the Fraternity. The Grand Chapter Congress Banquet and Ball offered excitement and festivities for everyone in attendance. Lil' Red, the Nebraska Huskers award-winning inflatable mascot, escorted the Grand

Couple, Norm and Kim Kromberg, into the ballroom. A continuous slide show of the weeks' activities was shown during the banquet. During the evening activities, one diamond and two pearl and ruby badges were given away in raffles where thousands of tickets were purchased by Congress attendees.

The Robert O. Hughes Alumni Chapter Travel Award was given to Houston/Space City with 20,315 miles collectively traveled and the Kenneth B. White Collegiate Travel Award went to Epsilon Phi Chapter at Cal State-Sacramento with a total of 23,226 miles traveled.

A special presentation was made to Golden Council member and Past Grand President Randy Hultz for 18 years of continuous service on the Board of Directors. The program ended with the passing of the gavel from Grand President Norm Kromberg to newly elected Grand President Kathy Jahnke.

Navigating Change and Ready for the Future

Sunday, August 19, Congress attendees had the chance for a final tour of the Falls before heading home. Just as intrepid adventurers have dared to navigate the Niagara River and braved the Falls, Delta Sigma Pi's brothers will navigate change to keep Delta Sigma Pi Fraternity the foremost professional Greek organization in the coming millennium. ▲

The Delta Sigma Pi LEADERSHIP FOUNDATION

The Leadership Foundation and You - A Powerful Partnership

Joan Nason

You care about your Fraternity and want to further its mission. You care about your brothers and want to support them as they prepare to serve as the business leaders of tomorrow. Through its educational grants and scholarship programs, the Leadership Foundation is your partner in achieving these objectives.

This annual report is an opportunity for the Leadership Foundation to inform you – our donors and partners – of the impact your contributions have had over the past year, to review our progress and activities, and to thank you for making all of this possible.

Impact and Progress

This report documents the increasing support that the Leadership Foundation is providing to individual brothers and to the Fraternity. The impetus for this support comes from two sources: the continuing generosity of many donors and the Trustees' commitment to the role the Foundation can and should play in the lives of our brothers.

Here are some of the results produced by our partnership during the past year:

- Ninety brothers benefited directly from financial support, in the form of scholarships and graduate study grants, provided by the Foundation.

- Hundreds of brothers participated in educational programming made possible, in whole or in part, by Foundation grants.
- Two new undergraduate scholarships of \$1,250 each were presented.
- Two alumni chapters established funds to provide scholarships, and two existing scholarship funds were permanently endowed.
- Over 500 collegiate brothers joined the Grand President's Circle, committing themselves to future support of and involvement in Delta Sigma Pi.
- The Foundation provided an unprecedented level of support for educational programming at the LEAD Regional Conferences and the 43rd Grand Chapter Congress.
- Ten brothers attended The LeaderShape® Institute, the premier leadership development experience for college students.
- Over 1,870 brothers contributed to the Leadership Foundation, a 17% increase in donors over the previous year.

Many of these accomplishments are documented in greater detail in the remainder of this annual report. Also presented here are our new Giving Levels, Foundation activities at the recent Grand Chapter Congress, and, of course, the Honor Roll of Donors for 2000-2001.

As you read on, I hope you will be proud of what we have been able to achieve together during the past year. "Thanks, partner!"

OUTSTANDING ALUMNI HONORED AT CONGRESS

The Alumni Recognition Luncheon at Grand Chapter Congress was an occasion to applaud the contributions and accomplishments of many brothers, including two who have excelled in the business world.

Ron Christopher, shown here receiving the Outstanding Alumnus Award from Foundation Chairman Joan Nason, is an initiate of the Kappa Chapter at Georgia State. Brother Christopher has had a distinguished career as an insurance professional and is president of the CMA Agency in Gainesville, Georgia. He is widely recognized for his expertise in the field of employee benefits and serves as an advisor to state and national political leaders. Brother Christopher has served as president of the Atlanta Alumni Chapter and as president of the Clyde Kitchens/Thoben Elrod Foundation. He received the Silver Helmet Award in 1991.

Gilman Louie is an initiate of the Delta Omicron Chapter at San Francisco State. As a collegian, he served as Chapter President and was Collegian of the Year in the Western Region. While still in undergraduate school, Brother Louie founded his own company to design and market computer games. That company developed into MicroProse, a publicly traded company, where he served as CEO and chairman until it was purchased by Hasbro in 1999. Currently Brother Louie is CEO and president of In-Q-Tel, a venture capital fund that invests in information technology companies.

GIVING OPTIONS TO FIT YOUR NEEDS

The Leadership Foundation has developed an array of options for investment.

CASH

The Foundation can process any cash, check, or money order presented. A receipt is provided for all donations above \$100.

MASTERCARD, VISA, DISCOVER

The Foundation can process credit or debit card donations. Annual, quarterly or monthly payments can be coordinated through the Foundation. This paperless method for giving is an excellent way to budget your contributions over an entire year.

ELECTRONIC FUNDS TRANSFER AND PAYROLL DEDUCTIONS

The Foundation can work with your human resource/payroll department to set up an electronic funds transfer (EFT) from your paycheck. For amounts less than a lunch or movie, members can support the work of the Foundation. A \$5 contribution over 26 bi-weekly pay periods (\$130) establishes you securely in the first giving level. A \$25 contribution each bi-weekly pay period over a year is \$650! Best of all, the process is paperless, and your gift is automatically tracked through your own payroll statement.

DONATING ON THE INTERNET

At the Foundation section of the Deltasig web site, brothers can make on-line donations with the click of the mouse. The Foundation will accept on-line donations through Mastercard, Visa, and Discover.

MATCHING GIFTS

Double your money! Thousands of corporations and organizations match charitable gifts by their employees. The Foundation will work with you to coordinate matching gift requests. All matching gifts are credited to your individual record. All matching gift organizations are provided receipts for tax purposes and matching gift requirements.

BEQUESTS/WILLS

Join the Living Legacy Society and insure a Foundation and Fraternity legacy of future generations learning and leading the global economy. Making a provision in your will or trust is a simple process and can be executed at the time the will is created or as an addition to an existing document. You also can designate the Foundation as your primary or secondary life insurance beneficiary. Foundation staff is available to provide suggested document language and to answer any questions regarding this giving option.

NEW GIVING LEVELS NOW IN EFFECT

With the adoption of new, higher giving levels for recognition of donors, the Trustees of the Leadership Foundation have challenged themselves and our brothers. As many brothers have continued to give generously, the previous levels of recognition for annual and cumulative giving no longer best serve the needs of the Foundation or its donors. Therefore, the Trustees adopted new recognition levels that took effect on July 1, 2001.

As chairman of the Foundation's Gifts and Solicitation Committee, Trustee Russ Brown led the development of the new recognition program. Of the new giving levels, he said, "They will raise the awareness of our donors of the need for enhanced resources and will issue a positive challenge to our donor base. Collegians of today and the future face ever-increasing costs for quality education. The Leadership Foundation must meet the challenges of providing worthy recipients with more substantial assistance and of increasing the number of recipients."

Raising the giving levels also recognizes that there have been – and will continue to be – more significant gifts to the Foundation. It gives the proper recognition to those who have provided and will provide major funds to support individual brothers and the many educational programs of the Fraternity.

<u>Cumulative Giving Level</u>	<u>Amount</u>
Centurion	\$100,000
Fifth Founder	\$50,000
Benefactor	\$25,000
Entrepreneur	\$10,000
Cornerstone	\$5,000

<u>Annual Giving Level</u>	<u>Amount</u>
Trustee Society	\$5,000
Crown & Delta Society	\$2,500
1907 Society	\$1,000
Leadership Society	\$500
Foundation Member	\$100

“Collegians of today and the future face ever-increasing costs for quality education.”

FOR THE FURTHERANCE OF BUSINESS EDUCATION

Scholarship Programs

The Leadership Foundation awards over 20 academic scholarships each year. These scholarships have been made possible through endowed funds. Applications for scholarships are due by June 30 of each year and are available on the Delta Sigma Pi web site at www.dspnet.org.

Listed below are this year's scholarship recipients.

Wolfe Bequest Enhances Scholarship Program

On February 2, 1999, Brother Melvin Wolfe (Zeta - Northwestern) passed away, leaving a bequest of \$100,000 to the Leadership Foundation. There were no stipulations regarding use of the bequest. The Board of Trustees decided to place the money in the Foundation's invested funds and to use a portion of the income each year to provide two undergraduate scholarships of \$1,250 each. This year marks the first presentations of the Melvin Wolfe Scholarships.

The Collegian of the Year Scholarship Program

Since its inception in 1971, the Collegian of the Year program has honored hundreds of exceptional Deltasigs. The award, known today as the Mr. and Mrs. Sidney A. Sparks Collegian of the Year award, recognizes the brother chosen as the most outstanding collegiate member of the Fraternity as evidenced by Fraternity service, scholarship, extracurricular activities, demonstration of responsibility to self and others, and the representation of conduct according to the highest standards of ethics and integrity. In the selection process, one candidate is chosen from each Region of the Fraternity, and the National Collegian of the Year is selected from these Regional Collegians of the Year.

The Leadership Foundation awards each Regional Collegian of the Year a scholarship of \$400, made possible through the Clyde Kitchens/Thoben Elrod Endowment Fund and the Sidney A. Sparks Endowment Fund. The National Collegian of the Year is offered a scholarship for graduate studies of \$3,000 from the Sidney A. Sparks Endowment Fund. In addition, the National Collegian of the Year serves a two-year term on the Fraternity Board of Directors.

Alumni Chapters Build a Legacy

During the past year, two alumni chapters, the Chicago Alumni Chapter and the Space City (Houston) Alumni Chapter, have established funds with the Leadership Foundation to endow scholarships for collegiate brothers, thus committing to build a legacy for the future. This makes three alumni chapters that have created such funds. The Lincoln/Greater Nebraska Alumni Chapter established a scholarship fund in 1997.

By establishing such a fund, the chapter commits to raise \$10,000 for the fund within five years. When the balance of the fund reaches this level, the scholarship is considered permanently endowed and will generate an annual scholarship. The alumni chapter may restrict the scholarships from the fund to brothers of a specific collegiate chapter or group of chapters, and the chapter has the opportunity to be involved in selecting the recipients.

To find out more about the Foundation's scholarship fund program, contact Executive Vice President Bill Martin at the Central Office.

Living Legacy Society

The Living Legacy Society is a planned giving program that recognizes those brothers who are investing in the future in a special way. Through their planned gifts, these brothers help ensure a Delta Sigma Pi legacy of future generations learning and leading the global economy. You can join the Living Legacy Society by making a provision in your will or trust, or by naming the Leadership Foundation as a primary or secondary life insurance beneficiary. Foundation staff is available to provide suggested document language and to answer any questions regarding this giving option.

The Delta Sigma Pi Leadership Foundation salutes the following brothers who have made this special investment in the future by joining the Living Legacy Society. In the case of those brothers marked as deceased, the Foundation already has received a bequest.

Linda Vawter, left, and Laurie Gail Senko visited with Executive Vice President Bill Martin at the Congress Leadership Foundation display. Brothers Vawter and Senko, both initiates of the Gamma Omega Chapter at Arizona State, received the Silver Helmet Award recognizing their 25 years of service to Delta Sigma Pi. They are the first female brothers to receive the Silver Helmet.

GRAND PRESIDENT'S CIRCLE

The Grand President's Circle is open to collegiate members attending a regional or national event who commit to serve the Fraternity after graduation. Members also pledge to contribute \$10 per year to the Leadership Foundation during their undergraduate years and at least \$50 per year thereafter. During the past year, over 500 brothers were added to the rolls of the Grand President's Circle.

Every Greek-letter organization seeks to bring its collegiate members into its circle of donors. Few are as successful at this as Delta Sigma Pi. We can be proud of the success of the Grand President's Circle and the dedication of our collegiate brothers. These are the collegians who joined the Grand President's Circle during fiscal year 2000-2001.

In Memoriam: September 11 Victims

Tragedy struck the U.S. on September 11. Millions of people and organizations were affected by these horrid events, Delta Sigma Pi included. To date, three brothers are known to have died in the day's attacks on New York City and Washington D.C.

Brother Kelly Booms was a 1996 Alpha Upsilon initiate and 1999 graduate of Miami (Ohio). She died at age 24 when the plane she was on struck the World Trade Center. Kelly worked for PricewaterhouseCoopers in Boston. The Kelly Booms Memorial Scholarship has been established at Miami University (Alumni Center, 725 E. Chestnut, Oxford, OH 45056).

Brother Sandra Teague, a 1991 Iota Omega initiate at North Carolina – Greensboro, was killed when her plane hit the Pentagon. At age 31, she was a physical therapist at Georgetown University Medical Center. The Sandra Teague Memorial Fund has been established at Georgetown University Medical Center (3800 Reservoir Road, N.W., Washington D.C. 20007-2187) as well as the Sandra Teague Memorial Fund at University of Osteopathic Medicine and Health Sciences (3200 Grand Ave., Des Moines, IA 50312-4198).

Brother Amy Toyen was a 1995 Lambda Tau initiate and 1999 graduate of Bentley. Amy, age 24, was attending a conference on the 106th floor of the World Trade Center when tragedy struck. She worked for Thompson Financial in Boston. A scholarship fund in memory of Amy has been created at Bentley College (175 Forest Street, Waltham, MA 02452, Attn: Barbara McCarthy).

While memorial funds have been established in honor of each known Deltasig victim, other giving options exist via the Red Cross, United Way and other such relief funds. Additionally, the Delta Sigma Pi Leadership Foundation accepts memorial gifts, as well as contributions in honor of those who may have made a difference during all of the recent events. For gifts in "memory of" someone, the Foundation will send a letter to the family recognizing the contribution. In the case of honorary gifts, a letter is sent to the honoree.

Our thoughts and prayers go out to the victims' families and friends, and to all those that have been affected by the tragic events. Only in unity do we find strength, and may the bonds of fellowship through Delta Sigma Pi offer comfort during these times.

Chartering a new chapter: In order to be awarded an alumni chapter charter, the following must be submitted to the Central Office: a petition to charter, a chartering fee of \$25, a list of officers, and a roster of 10 members living in the general locale. Previously chartered chapters are required to franchise annually.

Franchising an existing chapter: To be recognized continuously as an alumni chapter of Delta Sigma Pi, the chapter will need to **complete franchising requirements between April 1 and June 30 for an upcoming fiscal year.** For example, to be recognized for the July 2002 – June 2003 fiscal year, requirements must be completed by June 30, 2002.

Franchising requirements:

- Submit a roster of current chapter members (National Bylaws require a minimum of 10 members living in the same general locale.)
- Submit a List of Officers (Form L)
- A Franchising Fee of \$25
- Chapter Bylaws must be on file at the Central Office
- A Charter Renewal Fee of \$25 (if franchising has lapsed for the chapter)
- A liability insurance fee of \$50

Executive Director Receives Interfraternity Award

Bill Schilling
Executive Director

At the 2001 CFEA (College Fraternity Editors Association) Annual Conference in Cincinnati **Bill Schilling**, *Deltasig's* Executive Director, received the prestigious Varner Award. The annual award recognizes an individual for performing extraordinary interfraternal service and achieving peer respect through the spirit of assistance and kindness.

"I am flattered and delighted to follow in the footsteps of Evin Varner and previous recipients of this award. CFEA has always been special to me, as it has been the springboard to a personally fulfilling 'career' in interfraternal volunteerism," Bill said as he accepted the award.

Brother Schilling served in every CFEA volunteer office, including president in 1989. He has been a presenter at numerous CFEA meetings and New Editor Workshops. A creative editor, his publication teams at Delta Sigma Pi and Alpha Gamma Rho have won more than 25 CFEA awards over the years, in eight different categories.

Bill has also provided board-level leadership to the Center for the Study of the College Fraternity and the North American Interfraternal Foundation; and has served as president of both the Professional Fraternity Executive's Association (1998), and the Professional Fraternity Association (1999). He was also honored by Alpha Zeta Ag Honorary Fraternity (PFA) as one of its Centennial Honor Roll members.

"Using his administrative and organizational talents, Bill Schilling has provided the means for others to effectively serve the interfraternity community," said Philip Josephson, executive director of Alpha Gamma Rho. Delta Sigma Pi proudly congratulates Bill on winning this prestigious and well-deserved award.

Fraternity Staff Update

Nicole Sheffield recently joined the Central Office staff as an Educational and Leadership Consultant. While attending New Mexico State, Brother Sheffield served the Epsilon Upsilon Chapter as Senior Vice President and Historian, as well as assisting with various committees. She was active in the student government as a Business School Senator, and was involved with a variety of community activities.

Joining our administrative staff is **Kathy Gibbs**. She serves as Administrative Assistant/Membership Records and is in charge of handling the many areas of membership records and mailings. Kathy joins us with several years of management in the food service industry and has an extensive database background. She lives in Middletown, Ohio with her husband.
