

Stronger Together

**Guide on
Inter-Chapter Collaboration**

Presidential Perspective (President)

Premise: Delta Sigma Pi hosts the annually President's Academy, but chapters can communicate and collaborate before, during, and after the academy.

Potential Programs:

Regional, Provincial, and/or national group chats of Chapter Presidents.

The Presidents coordinate writing and sending recommendations to the Board of Director.

Peer-to-peer problem solving and best practices.

Recruiting Resources (SVP)

Premise: Chapters with similar characteristics develop a cloud-hosted resource library of recruitment materials and plans.

Potential Programs:

Inter-chapter recruitment t-shirts reducing cost per unit.

Library of poster/flyer templates and copies.

Regional recruitment video competition.

Excellent Educators (VPPE)

Premise: Next to Initiation, pledging should be very similar across all chapters and those similarities provides ample opportunities to collaborate.

Potential Programs:

Officers coordinate to provide constructive feedback to improve the new Pledge Education Program.

Vice Presidents Pledge Education share best practices in the Big/Little process.

Experienced VPPEs mentor chapters with low Pledge Retention.

Fundraising with Friends (VPF)

Premise: Chapters that fundraise together cast a broader net and maximize their revenue potential.

Potential Programs:

Regional corporate sponsorships and business relationships.

Inter-chapter fundraising competitions selling goods or services.

Multiple chapters collaborate to host a virtual career fair and split the employer registration revenue.

Operational Outcomes (VPCO)

Premise: .

Potential Programs:

Chapters can share their attendance policies, tools, and experiences to help address the shared issue.

Stronger chapters will mentor and assist struggling chapters make a CMP plan and stay on track of their goal.

Regions or Provinces develop and maintain a shared strategic plan to further the organization's excellence.

Chancellor Chats (Chancellor)

Premise: Each chapter has its own culture and challenges, but chapter chancellors can still learn and implement best practices from one another.

Potential Programs:

Inter-chapter ritual team training and practice.

Parliamentary Procedures practice between experienced and new chancellors.

Peer-to-peer bylaw and policy review.

Speaker Series (VPPA)

Premise: If each chapter in a region organized one speaker virtually, the programming could comprise several virtual events or a single virtual conference.

Potential Programs:

Multiple session tracks based on academic discipline in a virtual conference.

Recurring virtual speaker events hosted by chapters in a rotation.

Pre-recorded speakers available to use for recruitment sessions.

Community Collaboration (VPCS)

Premise: Multiple chapters can join efforts to multiply the local and national impact of their service to their communities.

Potential Programs:

National in-person and virtual 5K teams of Deltasigs

All the chapters in a region host blood drives on their campuses during the same month

Multiple chapters volunteer at their local Ronald McDonald Houses and fundraise virtually for their Amazon Wishlist

Successful Scholars (VPASA)

Premise: Business curriculum overlaps from university to university and multiple chapter Vice Presidents-Scholarship and Awards can collaborate to offer additional resources for brothers.

Potential Programs:

Inter-chapter virtual library/tutoring hours

Inter-chapter competition for highest cumulative GPA

Inter-chapter study pals

Alumni Alliance (VPAR)

Premise: Minimize the gap in access to alumni by collaborating to engage and interact with alumni members.

Potential Programs:

Multiple VPAR collaborate to write a regional alumni newsletter distributed to all of their recorded alumni.

Chapters share alumni contact information to aid in networking and hiring of Deltasigs.

Multiple chapters in the same region are having significant anniversaries and they plan one large centrally located celebration to maximize alumni reach.

Ask An Advisor (Chapter Advisor)

Premise: The role of a chapter advisor varies from chapter to chapter, but there are some things that will always be the same.

Potential Programs:

Chapter advisors can create a listserv to communicate about common challenges and questions.

Coordinated efforts to promote Delta Sigma Pi across University systems and related schools.

Chapter Advisors connect with colleagues to start colonies at their respective universities.

Meeting Of The Mentors (District Director)

Premise: Every volunteer leader brings something different to the table, those experiences and perspectives should be integrated instead of siloed.

Potential Programs:

Regional, Provincial, and/or national group chats of District Directors.

District Directors host virtual volunteer leader trainings to increase the pool of candidates.

District Directors “buddy-up” to help those with struggling chapters for increased volunteer coverage.

Collegiate Connection (VPCR)

Premise: Alumni chapters can connect and collaborate with collegiate chapters beyond their geographic area.

Potential Programs:

Multiple VPCR collaborate to organize events for a larger audience.

Alumni Chapters connect one another with collegiate chapters they have relationships with.

All the alumni chapters in the nation rotate for a bi-weekly event available to all collegiate chapters.
